The Heart of the Matter Peter Pugh, 2015-09-17 Papworth Hospital in Cambridgeshire founded in 1916 to tackle the great killer disease of tuberculosis is famous for carrying out the UK s first heart transplant operation in 1979 It followed this up not only with many other heart transplants but also with the UK s first heart and lung operation in 1984 and the world s first heart lung and liver transplant in 1986 With unique access to Papworth s archives historian Peter Pugh here tells the story of this ground breaking hospital for the first time Alongside the background to that first UK heart transplant and the ethical controversies that surrounded it Pugh explores the opposition to heart operations in general Papworth s difficulties dealing with NHS authorities especially over funding and the discussions for over 50 years as to whether the hospital should move alongside Addenbrooke s hospital in Cambridge As an insight into the history of medicine and surgery in the UK as well as a story literally of life and death **The Heart of the Matter** will be compelling reading

The Heart Of The Matter: Perspectives On Emotion In Marital Susan M. Johnson, Leslie S. Greenberg, 2013-08-21 First published in 1995 Intimate relationships are at the core of our emotional life There is no other context so infused by and responsive to the ebb and flow of human emotion A large part of human communication is emotional communication involving minute signals concerning closeness and distance and dominance and submission This information is of central importance in organizing interactions with significant others In addition the social interactions most crucial to our senses of well being positive adaptation and physical and emotional health are those that occur with significant others on whom we depend for our sense of security and belonging in the world This book examines the role of affect in intimate relations and in the redefinition of such relationships in therapy

The Heart of the Matter Kas

Hawes,2023-10-28 This is a unique story It is the story of a doctor and the many patients she sees every day A tale of the diversity of life the uniqueness of individuals and the impact of deprivation on the health of society **The Heart of the Matter** Pasquale De Marco,2025-03-18 The Second World War was the deadliest conflict in human history resulting in the deaths of tens of millions of people It was a global war that spanned six continents and all of the world s oceans The war began in 1939 when Nazi Germany invaded Poland and it ended in 1945 with the defeat of Germany Italy and Japan This book provides a comprehensive overview of the Second World War from its origins to its aftermath It examines the political economic and social factors that led to the outbreak of war and it follows the conflict from its early battles to its bloody conclusion The book also considers the war s impact on the lives of ordinary people and it explores the ways in which it has shaped the world we live in today In this book you will learn about The rise of Adolf Hitler and the Nazi Party in Germany The invasion of Poland and the outbreak of war The major battles of the war including the Battle of Stalingrad the Battle of Britain and the Battle of the Bulge The Holocaust and other atrocities committed by the Nazis The Allied victory and the end of the war The legacy of the war and its impact on the world today This book is essential reading for anyone who wants to understand one of the most important events in human history It is a comprehensive and balanced account of the war and it is written in a clear and engaging style Whether you are a student a historian or simply someone who is interested in learning more about the Second World War this book is for you If you like this book write a review **The Heart of the Matter** Bob Edwards,2002-07-24 Psychiatrist and Holocaust survivor Viktor Frankl said Man s search for meaning is the primary motivation in his life Yet some contemporary voices claim that increased knowledge of the material world must diminish our sense of meaning Physicist Steven Weinberg said The more the universe seems comprehensible the more it also seems pointless Many people hold the material and meaningful perspectives separate in their minds in a state of uneasy truce The Heart of the Matter A Case for Meaning in a Material World tells us that this split vision is not necessary and shows us how the two views can be harmonized to give depth to our picture of the world It looks at current scientific observations from astronomy biology and physics as well as insights from mathematics philosophy psychology and religion We are left with a sense of wonder at both the mechanics and the values of the world the how and the why of events This book will appeal to everyone fascinated by how our world works and especially to those who wonder how such marvelous mechanisms can leave room for the values and purpose that give meaning to our lives and to our world *The Heart of the Matter* Dr. Darren R. Weissman,Cate Montana,2013-09-02 How do we access the authentic self in order to live fulfilling meaningful lives In straightforward terms The Heart of the Matter Gifts in Strange Wrapping Paper explains a simple but extraordinarily powerful technique called the See Feel Hear Challenge that enables people to easily gain entry into the storehouse of their subconscious core beliefs In the process it cracks the coded messages that those beliefs release in the form of disease suffering addictions unhappy relationships and victimized circumstances Based in the latest findings in

neuroscience and neurocardiology this book guides readers to an uncomplicated understanding of the astounding power of our emotions and how life automatically delivers experiences that trigger negative reactions that subconsciously impact us. These emotions form the foundation of core beliefs that create unhealthy attitudes and disease patterns that keep us from experiencing the authentic satisfying lives we desire. Using clear examples and true stories from clients Dr Weissman's latest work demonstrates how we can release these stored emotions and their wisdom via the See Feel Hear Challenge. It then explains how to use this simple method to evoke feelings that positively impact the quantum field remolding our bodies minds and everyday lives into purposeful expressions of inner joy and radiant well being. Whether you're dealing with addictions dysfunctional relationships or illness or are focused on becoming an Olympic champion *The Heart of the Matter* gives you a potent tool for positive change and transformation that you can use for the rest of your life.

At the Heart of the Matter

Dr. Eboni Ivory Green, 2011-05-11 Caregivers have unique needs as they provide support and care for their loved ones. *At the Heart of the Matter* ultimately enables caregivers to look at ways to better care for themselves and enhance their wellness while providing care for a loved one. *At the Heart of the Matter* affords the caregiver an opportunity to personalize his or her caregiving journey based on their individual needs. Special features included Famous quotes offering inspiration and hope to ease the turbulence often experienced during the complex matter of providing care for a sick or disabled loved one. Points to ponder caregivers are guided through the spiritual journey as they are prompted to address questions at the end of each chapter. Assessments to take a closer look at spiritual strengths find out what best interests individual caregivers and what strategies individuals feel most comfortable with when it comes to assisting a loved one or client. Poems and interesting stories each chapter begins with a short story or poem which sets the tone for the spiritual journey and offers food for thought. Concise chapters many caregivers do not have much free time. The chapters in this book are concise so even caregivers with limited time have the opportunity to focus on how to continue to support a loved one while practicing the art of self care.

The Heart of the Matter Arthur

Green, 2015-04-01 Judaism like all the great religions has a strand within it that sees inward devotion as an opening of the human heart to God's presence. This voice is not always easy to hear in a tradition where so much attention is devoted to the how rather than the why of religious living. The devotional claim certainly a key part of Judaism's biblical heritage has reasserted itself in the teachings of individual mystics and in the emergence of religious movements over the long course of Jewish history. This volume represents Rabbi Arthur Green's own quest for such a Judaism both as a scholar and as a contemporary seeker. This collection of essays brings together Green's scholarly writings centered on the history of early Hasidism and his highly personal approach to a rebirth of Jewish spirituality in our own day. In choosing to present them in this way he asserts a claim that they are all of a piece. They represent one man's attempt to wade through history and text language and symbol an array of voices both past and present while always focusing on the essential question: What does it

mean to be a religious human being and what does Judaism teach us about it This the author considers to be the heart of the matter Publisher s description The Particle Odyssey : A Journey to the Heart of the Matter Frank Close,Michael Marten,Christine Sutton,2002-07-25 The Particle Odyssey takes the reader on a spectacular illustrated journey to the heart of matter In clear non technical language the authors describe the key experiments and fundamental discoveries which have led to our current understanding of the matter that makes up the universe and the forces that govern it During the 20th century scientists discovered WHAT the Universe is made of as the 21st century begins they are preparing experiments to find out HOW it came to be like this This great adventure which will involve a metaphorical journey back in time to within a billionth of a second of the Big Bang is the latest stage in the quest to understand the nature of the matter that makes our Universe and the forces that govern it The Particle Odyssey takes the reader on a spectacularly illustrated journey to the heart of matter In clear non technical language the authors describe the key experiments and fundamental discoveries which have led to our current understanding of the origins and nature of the material universe There are individual portraits of all the major subatomic particles from the electron to the top quark The authors describe the history of experimental particle physics its origins in the discovery of X rays in 1895 the dissection of the atom by Rutherford and others the unexpected revelations of the cosmic rays the explosion of new particles in the 1950s and 60s the discovery of quarks and the rise of the standard model in the last part of the 20th century And they also look at the great challenges that face physicists today where did antimatter go what is dark matter can there be a theory of everything and the experiments they are devising to explore them The Particle Odyssey brings together and presents with style over 100 of the best images of particle events mysterious abstract often beautiful pictures of the tracks of subatomic particles as they speed curve dance or explode through cloud and bubble chambers stacks of photographic emulsion and the giant multi element detectors of modern experiments Here are spiralling electrons the tell tale vees of strange particles matter and antimatter born from raw energy energetic jets of particles spraying out from the decay points of quarks and gluons A further 250 pictures many taken specially for this book illustrate the laboratories experiments and personalities of over a century of particle physics **The Heart of the Matter** George E. Thompson,2017-01-20 The Heart of the Matter does not dance around the fringes of acceptable religion nor is it limited by traditional church thinking Rather it peels away the many layers of conventional thought to get down to bedrock truth concerning Christianity and living the Christian life However in so doing it carefully adheres to the absolute truth and authority of scripture The book puts into perspective who God is and his overall plan for creation and eternal fellowship with his bride It delves into how each person fits into that plan offering considerable detail concerning the many issues in establishing a deep relationship with God Much is said about the biblical significance and importance of maintaining such a close intimate relationship that God not only demands but earnestly desires Many practical guidelines are presented regarding Gods design for our lives here on earthwhat he would have us think say and do that we

are to continue growing how to deal with gut wrenching adversity and that whatever we do is to be for his glory **A NEW BEGINNING, ETERNAL WHISPERS OF THE HEART** Mayank Agnihotri, 2024-09-13 In the bustling world we live in where everything is fast paced and transient love often becomes a fleeting emotion easily forgotten in the rush of life Yet there are stories that stand the test of time stories that echo through the ages leaving behind an indelible mark on the hearts of those who dare to believe in the power of love Eternal Whispers of the Heart is one such story a tale of love that transcends the boundaries of time space and circumstance This book takes you on a journey through the intricate maze of human emotions where love is not just an emotion but a force that shapes destinies It is a story of two souls who meet by chance but are bound by a love so profound that even the universe conspires to bring them together As you turn the pages you will be drawn into their world where every glance every touch and every word holds a deeper meaning The story begins with a chance encounter a moment so ordinary that it could have easily been missed But as fate would have it this fleeting moment becomes the cornerstone of a love that will change the lives of the characters forever As their friendship blossoms unspoken emotions begin to stir setting the stage for a love story that is as beautiful as it is tragic But love is never easy The journey is fraught with challenges misunderstandings and heartache There are moments of doubt where the characters find themselves at a crossroads unsure of whether to follow their hearts or the path laid out by society Yet it is in these moments of uncertainty that the true strength of their love is revealed As the story unfolds you will witness the characters grow and evolve their love tested in ways they could never have imagined There will be tears there will be heartbreak but above all there will be a sense of hope a belief that love in its purest form can conquer all Eternal Whispers of the Heart is more than just a love story it is a testament to the enduring power of love It is a reminder that no matter how fleeting life may seem love has the power to make it eternal It is a story that will make you believe in love again that will make you cherish the moments of connection and that will stay with you long after you have turned the last page As you embark on this journey be prepared to laugh cry and fall in love all over again This is a story that will touch your heart and soul leaving you with a sense of nostalgia for a love that you may never have experienced but will forever hold dear So sit back relax and let the whispers of the heart guide you through this unforgettable tale of love loss and redemption *A Matter of the Heart* T. D. Burns, 2004 While recovering from a heart transplant a strange dream kept returning Bob Hunter found himself once again on a small lobster boat bobbing up and down in the ocean in front of a beautiful lighthouse he had never seen before A number of colorful lobster floats and a stack of lobster traps were on the boat in front of him Waves crashing and exploding against a rocky shore in front of the lighthouse sending giant sprays of white foam into the air A girl in a white dress was standing on a rocky ledge to the left of the lighthouse and waving He knew that somehow she was waving at him As the sequence of dreams returned he would find himself walking up to her as she opened her arms to greet him She was one of the most beautiful girls he had ever seen Her long auburn hair and white dress were gently flowing in the breeze off of the ocean He

would always wake up just as he approached Over a period of time he developed an unexplainable and obsessive love for her even though he knew she could not possibly be real Bob Hunter was an artist and a naturalist and painted a picture of both the lighthouse and the girl in his dreams A new acquaintance saw the painting of the lighthouse and told him it was real as she had visited and photographed the same lighthouse She encouraged him to travel to the area to see if he could find a reason for his dreams The dreams had no rhyme or reason Bob had never seen a lobster boat and could not believe that the lighthouse in his dreams actually existed The only way he could rid himself of these dreams was to follow his friend's suggestion and travel to the lighthouse and begin a search for the lady of his dreams

The Heart of the Matter Wesley M. Collins, 2016-11-16 Can a culture have a theme that unifies seemingly unrelated practices In this volume Collins suggests that Maya Mam customs as different as constructing a house staying healthy seeking God disciplining children agreeing to a contract or just speaking the language all originate from the same concept a search for the center This is far more than mere balance long recognized as a Mayan cultural value Rather center space is a place of physical and metaphysical peace acceptance meaning health happiness and home Collins also shows how centeredness is deeply embedded in the grammar of Mam its lexicon morphology syntax and discourse structure This relatedness of Mam culture and linguistics provides an unusually detailed contribution to the debate on linguistic relativity and the Sapir-Whorf hypothesis Collins combines historical accounts with firsthand ethnographic and linguistic methodology to explore the concept of centeredness Detailed accounts of his personal interaction with the Mam illustrate and enrich the book's concepts This volume will interest students of the relationship between language and culture generally and specifically those interested in the study of Maya of Mexico and Guatemala

The Heart of the Matter Joffre McClung, 2017-03-22 You can do all the programming and techniques you want to get a better life but if you don't love yourself it will not change a damn thing You will still feel the same way about yourself tomorrow and the day after that and the day after that The bottom line is the most important relationship you will ever have is the relationship you have with yourself This relationship can be a rewarding one when rooted in self-love or it can be toxic when not So what is self-love Why is it so important And most importantly how do you find it The Heart of the Matter answers these questions and more It takes the esoteric concept of self-love and makes it accessible by clearly defining the three necessary components of self-love Learn how to reconnect to these components by Discovering the transformational tools that are available within Learning how to use these tools to uncover what you really think and feel about yourself and the world around you and more importantly why Transforming the wounded parts of self that have been separated from this love through practical steps and exercises for healing and forgiving the past Empowering yourself to make more loving and conscious choices about what you believe and therefore what you will feel and experience We all are searching for more love in our lives The Heart of the Matter not only shows you where to look but also gives you a roadmap on how to get there

Mind Thoughts, and The Nature of All Happenings Fidel Santiago, 2015-12-30 The following is a
