## **The International Yearbook Of Foreign Policy Analysis Volume 1:**

**Foreign Policy Analysis** Valerie M. Hudson, 2007 Aimed at advanced undergraduate and beginning graduate students this book covers the theory of foreign policy analysis Beginning with an overview it then tackles theory and research at multiple levels of analysis ending with an examination of the areas in which the next generation of foreign policy analysts can make important contributions *The International Yearbook of Foreign Policy Analysis*, 1975 Logic of Conflict Steven Greffenius, 2019-07-12 The author's argument ties this literature to a field that is often called the logic of inquiry He criticizes an influential and deliberately analytical approach to the study of international conflict and show what can be gained by bringing more integrative or synthetic approaches to bear on problems in the field The study started as an effort to work out some problems in international relations theory and it has remained that through eight years of writing and research Still the book is more than incidentally about the Middle East and evidence from the region informs the argument made here This evidence is of two kinds traditional historical material from both primary and secondary sources and data on events that have occurred during the course of both conflictual and cooperative exchanges between the actors there The treatment focuses on the relationship between Egypt and Israel between 1967 and 1979 a period that saw their relations pass from the most intense antagonism to a reasonable degree of comity if not friendship

**Yearbook on the African Union Volume 1 (2020)**, 2021-10-25 This is the first edition of the Yearbook on the African Union It is first and foremost an academic project that will provide an in depth evaluation and analysis of the institution its processes and its engagements Despite the increased agency in recent years of the African Union in general and the AU Commission in particular little is known outside expert policy or niche academic circles about the Union's activities This is the gap the Yearbook on the African Union wants to systematically bridge It seeks to be a reference point for in depth research evidence based policy making and decision making Contributors are Adekeye Adebajo Habibu Yaya Bappah Bruce Byiers Annie Barbara Hazviyemurwi Chikwanha Dawit Yohannes Wondemagegnehu Katharina P W D ring Jens Herpolsheimer Jacob Lisakafu Frank Mattheis Henning Melber Alphonse Muleefu John N Nkengasong Edefe Ojomo Awino Okech Jamie Pring Elizabeth Sidiropoulos Tim Zajontz **South African Foreign Policy Review: Volume 1**, 2012 **USAK Yearbook of International Politics and Law: Volume 4**

Caucasus the Middle East Central Asia and Europe are also spared considerable space Additionally pieces concerning international security sociology and anthropological studies are also regularly included in the Yearbook Now entering its sixth year of compilation the Yearbook provides a scholarly platform for academics and researchers throughout the world The USAK Yearbook of Politics and International Relations is gifted to every dual subscriber to the Review of International Law and Politics UHP and the Journal of Central Asia and the Caucasus OAKA after their first year of subscription Indexes through which our followers can browse and access Yearbook are as follows Hein Online International Political Science Abstracts IPSA PAIS International CSA Worldwide Political Science Abstracts CSA Sociological Abstracts CSA Social Services Abstracts and ULAKB M      The Year Book Of World Affairs, 1978 George W. Keeton, Georg Schwarzenberger, 2019-06-25 This annual survey is devoted to the attitudes of participating States in Europe towards the objective of promoting detente bringing together references to World affairs examined in the past which have particular relevance      *The Study of World Politics* James N. Rosenau, 2006-05-02 James Rosenau s work is known for its originality and clarity and the sixteen articles in this new volume are no exception Tackling the specific challenges posed by globalization and governance this book covers four key areas the challenge tensions contradictions outcomes and global affairs the profession community globalized space and international relations globalization complexities contradictions and theory governance understanding and future The Study of World Politics presents the thinking of one of the most innovative scholars in the last half century The subjects addressed provide the big picture whilst also being meticulous in detail This new book gives the reader an unparalleled understanding of globalization and governance and is an invaluable tool to students and scholars of politics and world affairs alike      **India's Foreign Policy in the 21st Century** V. D. Chopra, 2006 An anthology of twenty three article by authors subject experts which touch every component of India s foreign policy and excusive the new tendencies on the commerciality of interests      *Constructivism, Narrative and Foreign Policy Analysis* Christopher S. Browning, 2008 Building on constructivist approaches to international relations this book develops a narrative theory of identity action and foreign policy which is then applied to account for the evolution of Finnish foreign policy The book adopts an innovative approach by showing how foreign policy orientations need to be seen as grounded in overlapping and competing sets of identity narratives that reappear in different forms through history By emphasising the dynamism implicit within identity narratives the book not only challenges traditional rationalist materialist approaches to foreign policy analysis but also the current tendency to depict the story of Finnish foreign policy identity and history as one of a gradual move towards a Western location Rather the book emphasises elements of multiplicity and contingency whilst re establishing foreign policy as a highly political process concerned with power and the right to define reality and national subjectivity      **Policy Studies Review** ,1983 Some vols include special issues      *Social Change, Charism and International Behaviour* B. Korany, 2024-12-02      Theories and Approaches to International Politics Patrick M. Morgan, 1987      **Landmine Monitor Report 1999** International Campaign

to Ban Land Mines,1999 Saint Kitts and Nevis      **Books in Print** ,1981      *International Book News* ,1928      **Studies in Crisis Behavior** Michael Brecher, This volume a collection of thir teen papers presents a new ap proach to the study of interna tional crisis behavior of individual states The opening essay by the editor sets out the terms of refer ence in the form of a model re search question and three tables defining the attributes of the crisis actor the dimensions of the crisis and the characteristics of the crisis decisional unit The following nine papers are in depth studies of individual actor crises which occurred between the years 1939 and 1976 These cases represent small medium and large states with different economic and mili tary capabilities and span the en tire globe Europe North and Central America South and Southeast Asia and the Middle East Preliminary comparative findings for the nine vertical studies are then summarized Initial findings on horizontal research offering systematic comparisons on patterns of be havior in Middle East crisis com prise the final paper in the group of empirical studies The volume concludes with two papers one on the quality of decision making and the other a review of the literature on crisis anticipation deci sion making and management The papers in this volume orig inally appeared in the Jerusalem Journal of International Relations      **The Sources Of Russian Foreign Policy After The Cold War** Celeste A Wallander,Anne Wildermuth,2019-07-11 In this timely and pathbreaking volume scholars in comparative politics and international relations build upon earlier theoretical work on the interaction of domestic and international systems applying it innovatively to the study of post Soviet Russian policy and conduct Individual chapters focus on regime type leadership politics interest group politics nationalism as ideology international conflict and threat and international economic opportunities and constraints The complex interplay between domestic and international factors is highlighted Exploring both the origins and the outcomes of Russian policy and behavior this book provides a telling measure of the direction and significance of political change since 1991      **European Polyphony: Perspectives beyond East-West Confrontation** Ole Waever,Pierre Lemaitre,Elzbieta Tromer,1989-10-16 This study deals with the internal socio political changes that the traditional political structures have not been able to incorporate the perspectives of the superpowers and surveys of the debate on European security in each of 11 states The book begins and ends with a theoretical overview      Arctic Governance: Volume 1 Ida Folkestad Soltvedt,Svein Vigeland Rottem,2017-10-03 The Polar North is known to be home to large gas and oil reserves and its positionholds signifi cant trading and military advantages yet the maritime boundaries of the region remain ill defined In the twenty first century the Arctic is undergoing profound change As the sea ice melts a result of accelerating climate change global governance has become vital In this first of three volumes the latest research and analysis from the Fridtjof Nansen Institute the world s leading Arctic research body is brought together Arctic Governance Law and Politics investigates the legal and political order of the Polar North focusing on governance structures and the Law of the Sea Are the current mechanisms at work effective Are the Arctic states interests really clashing or is the atmosphere of a more cooperative nature Skilfully delineating policy in the region and analysing the consequences of treaty
