

The book cover features a cream-colored background with four stylized green leaf patterns in the corners. Each leaf is composed of several pointed segments radiating from a central point, creating a fan-like effect. The leaves are positioned in the top-left, top-right, bottom-left, and bottom-right corners, framing the central text.

THE INTERPRETATION OF

**I and II
CORINTHIANS**

The Interpretation Of I And Ii Corinthians

Richard Charles Henry Lenski

The Interpretation Of I And II Corinthians:

The Interpretation of I and II Corinthians Richard Charles Henry Lenski, 1961 **2 Corinthians (Understanding the Bible Commentary Series)** James M. Scott, 2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible. These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers. The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard. Pastors, teachers, and lay people alike will cherish the truth found in this commentary series.

Second Corinthians David E. Garland, 1999 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text Exploring 2 Corinthians John Phillips, 2002 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation. Moody magazine II Corinthians Frank J. Matera, 2013-09-25 This commentary on II Corinthians in the New Testament Library continues the exemplary quality of the series. Frank Matera provides a commentary that is a close study of the backgrounds and language of the text while also providing important theological insights into the message of Paul for his time and for the contemporary church. The New Testament Library offers authoritative commentary on every book and major aspect of the New Testament as well as classic volumes of scholarship. The commentaries in this series provide fresh translations based on the best available ancient manuscripts, offer critical portrayals of the historical world in which the books were created, pay careful attention to their literary design, and present a theologically perceptive exposition of the text.

Second Corinthians William R. Baker, 1999 II Corinthians Frank J. Matera, 2013-09-25 This commentary on II Corinthians in the New Testament Library continues the exemplary quality of the series. Frank Matera provides a commentary that is a close study of the backgrounds and language of the text while also providing important theological insights into the message of Paul for his time and for the contemporary church. The New Testament Library offers authoritative commentary on every book and major aspect of the New Testament as well as classic volumes of scholarship. The commentaries in this series provide fresh translations based on the best available ancient manuscripts, offer critical portrayals of the historical world in which the books were created, pay careful attention to their literary design, and present a theologically perceptive exposition of the text.

2 Corinthians: The Christian Standard Commentary David E. Garland, 2021-03-15 2 Corinthians is part of The Christian Standard Commentary (CSC) series. This commentary series focuses on the theological and exegetical concerns of each biblical book while paying special attention to balancing scholarship with practical application.

2 Corinthians: A Short Exegetical and Pastoral Commentary Anthony C. Thiselton, 2019-10-10 In this clear practical and relatively brief commentary, Anthony Thiselton brings to bear his intimate knowledge of Paul's theology, the ancient city of Corinth, and Paul's epistles to the church of that city. The commentary is not

only critical and exegetical but also has a focus on practical and pastoral reflection Second Corinthians is Paul's most passionate epistle It shows him to be a man of very deep feeling who sometimes has to be frank even blunt with those who seek to undermine his work In this commentary we see the inner turmoil of a devoted missionary pastor and apostle We also have the opportunity to explore how power can be expressed through weakness by pastors and all Christians who follow a Christ crucified and risen *Holman New Testament Commentary - 1 & 2 Corinthians* Richard L., Jr. Pratt, 2000-10-15 One in a series of twelve New Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike

2 Corinthians: A Social Identity Commentary Philip Esler, 2021-09-23 Philip F Esler provides a comprehensive coverage of the issues in 2 Corinthians from the perspective of social identity with a focus on Paul's leadership Esler enlists social identity theory in critical dialogue with existing scholarship to show how Paul sought to persuade the Corinthian Christ followers to adopt certain views on four critical issues that had arisen in his relationship with them with his discourse demonstrably reflecting the ancient Mediterranean culture they shared Two introductory chapters set out those four issues summarise the events reflected in 1 and 2 Corinthians make an initial case for the integrity of the letter against partition theories explain and defend the use of social identity theory in biblical interpretation and describe the social identity approach to leadership In the commentary Esler explores how Paul re-establishes his leadership role by reconnecting with the Corinthians urges their participation in the collection for Jerusalem and defends his position against recently arrived opponents all the while reinforcing his addressees social identity as Christ followers Prominent features of the commentary fostered by its social identity perspective include its cumulative case for the letter's unity for Paul's opponents being similar to those in Galatia and for the interweaving of social and theological dimensions in the text

A critical and exegetical commentary on the second epistle to the Corinthians. 1. Introduction and commentary on II Corinthians I - VII Margaret E. Thrall, 2000-11-21 Whether the Second Epistle of Paul to the Corinthians is a single document or a compilation of two or more and the question of Paul's relations with the Corinthian church between the despatch of the First and the composition of the Second letter or letters have been matters of debate since the eighteenth century Margaret Thrall's commentary engages with these and all the other issues associated with 2 Corinthians There follows a detailed verse by verse exegesis of chapters 1-7 which attempts to understand the viewpoint of the original readers of the text as well as Paul's own This volume covers many of Paul's writings which have evoked considerable scholarly interest in recent years This is an exemplary addition to the ICC series

Letter Hermeneutics in 2 Corinthians Eve-Marie Becker, 2004-11-15 Having presented a brief history of research on 2 Corinthians Eve Marie Becker outlines the process of Paul's communication with the Corinthian community and considers letter production and letter reception at the time She develops a literary historical model for reconstructing the original separate letters 1 1 7 4 7 5 16 8 9 10 13 which were later compiled to form the canonical letter She defines by means of linguistics and communication theory the central theoretical

elements for Pauline letter hermeneutics There is a thorough exegesis of those parts of 2 Corinthians in which Paul formulates aspects of his hermeneutics based on the theory of letter hermeneutics and on the results of the literary historical reconstruction of the original form of 2 Corinthians There is also an examination of the reception and interpretation of 2 Corinthians in the early church This is volume 279 in the Journal for the Study of the New Testament Supplement series

Eerdmans Commentary on the Bible: Second Corinthians John M. G. Barclay, 2021-04-13 This extract from the Eerdmans Commentary on the Bible provides Barclay's introduction to and concise commentary on Second Corinthians The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions 2 Corinthians (Baker Exegetical Commentary on the New Testament) George H. Guthrie, 2015-04-14 Find academic sophistication pastoral sensitivity and accessibility in the award winning BECNT series In this addition to the award winning BECNT series a respected New Testament scholar offers a substantive evangelical commentary on 2 Corinthians George Guthrie leads readers through the intricacies of literary structure word meanings cultural backdrop and theological proclamation offering insights applicable to modern ministry contexts As with all BECNT volumes this informative balanced commentary features Detailed interaction with the Greek text Extensive research Chapter by chapter exegesis A blend of scholarly depth and readability An acclaimed user friendly design The BECNT series aims for academic sophistication with pastoral sensitivity and accessibility making it a useful tool for pastors church leaders students and teachers *Believer's Bible Commentary* William MacDonald, 2016-08-16 Make Bible study a part of your daily life with the thorough yet easy to read commentary that turns complicated theology into practical understanding The second edition of Believer's Bible Commentary is a one volume guide that helps the average reader develop basic knowledge of the Bible This commentary written by the late William MacDonald explores the deeper meanings of every biblical book and tackles controversial issues from a theologically conservative standpoint while also presenting alternative views Serving as a friendly introduction to Bible study Believer's Bible Commentary gives clarity and context to scripture in easy to understand language Features Introductions notes and bibliographies for each book of the Bible A balanced approach to linguistic studies and useful application Comments on the text are augmented by practical applications of spiritual truths and by a study of typology where appropriate Colorful maps of the Holy Land and other useful study helps Can be used with any Bible translation but is best used with the New King James version **Meaning and Truth in Second Corinthians** Frances M.

Young, David F. Ford, 2008-02-01 This new and refreshing approach to 2 Corinthians shows how exegesis of the New Testament writing can issue in theology that is relevant to today Beginning with an account of the essential thrust of the text the authors argue for the unity of the letter setting it against both its Jewish and Hellenistic backgrounds and examining questions of meaning and reference in the interpretation of particular passages They then consider how the text can be illuminated by the modern study of hermeneutics as well as by new sociological approaches The whole study reaches its climax with an assessment of Paul s authority then and now and the importance of what he says about God To conclude the authors provide their own vivid and compelling translation of Paul s words inviting a complete rereading of the letter in the light of all that has gone before

2 Corinthians MacArthur New Testament Commentary John MacArthur, 2003-11-01 Second Corinthians is the most personal of Paul s letters providing unique insight into his heart for God and his motivation in ministry With his credibility under attack Paul reluctantly defended himself for the sake of the gospel In doing so he offers a perspective that will encourage every believer especially when enduring the hardships of ministry Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical

Second Corinthians Jan Lambrecht, 2006 Regarded as the most personal of Paul s weighty and strong 10 10 letters the Second Letter to the Corinthians continues to contribute toward the building up 13 10 of its readers The Second Letter to the Corinthians is an implicit yet undeniable plea that Paul addresses to the Christians of Corinth and is impressive above all for its exposition of the apostle s identity In this letter Paul more than once fiercely counters the attacks of his opponents He extensively describes both the quality and circumstances of his apostolic existence the sufferings he endures the opposition he encounters and his continual care for the Churches Second Corinthians is therefore highly significant theologically as well as autobiographically Not an easy letter to follow the emotional language used in 2 Corinthians the question of the integrity of 2 Corinthians as a letter and inadequate information about the concrete situation at Corinth and the identity of Paul s opponents make following the flow of Paul s argument difficult at times Yet 2 Corinthians is an especially important document because of Paul s ongoing reflection on his ministry It is both profound in its content and style for its original audience as well as for today s readers

The MacArthur New Testament Commentary Set of 30 volumes John MacArthur, 2011-02-21 This set includes the entire collection of the MacArthur New Testament Commentary series Matthew 1 7 Matthew 8 15 Matthew 16 23 Matthew 24 28 Luke 1 5 Luke 6 10 Luke 11 17 John 1 11 John 12 21 Acts 1 12 Acts 13 28 Romans 1 8 Romans 9 16 1 Corinthians 2 Corinthians Galatians Ephesians Philippians Colossians Philemon 1 2 Thessalonians 1 Timothy 2 Timothy Titus Hebrews James 1 Peter 2 Peter Jude 1 3 John Revelation 1 11 and Revelation 12 22 The MacArthur New Testament Commentary series continues to be one of today s top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways
