Black Male Fiction and the Legacy of Caliban James W. Coleman,2014-10-17 With The Tempest s Caliban Shakespeare created an archetype in the modern era depicting black men as slaves and savages who threaten civilization As contemporary black male fiction writers have tried to free their subjects and themselves from this legacy to tell a story of liberation they often unconsciously retell the story making their heroes into modern day Calibans Coleman analyzes the modern and postmodern novels of John Edgar Wideman Clarence Major Charles Johnson William Melvin Kelley Trey Ellis David Bradley and Wesley Brown He traces the Caliban legacy to early literary influences primarily Ralph Ellison and then deftly demonstrates its contemporary manifestations This engaging study challenges those who argue for the liberating possibilities of the postmodern narrative as Coleman reveals the pervasiveness and influence of Calibanic discourse At the heart of James Coleman s study is the perceived history of the black male in Western culture and the traditional racist stereotypes indigenous to the language Calibanic discourse Coleman argues so deeply and subconsciously influences the texts of black male writers that they are unable to cast off the oppression inherent in this discourse Coleman wants to change the perception of black male writers struggle with oppression by showing that it is their special struggle with language **Black Male Fiction and the Legacy of Caliban** is the first book to analyze a substantial body of black male fiction from a central perspective *Deep Talk* Debra Walker King,1998 King English U of Florida draws on the work of Kristeva Bakhtin and Henry Louis Gates Jr to explore the interpretive guidelines necessary to read what she calls the metatext of names where these chosen words comment on and revise the action in a novel by giving voice to unspoken themes and events Annotation copyrighted by Book News Inc Portland OR **The Works of H. G. Wells, 1887-1925** Geoffrey West,1926 Narrating the Slave Trade, Theorizing Community Raphaël Lambert,2018-12-24 In Narrating the Slave Trade Theorizing Community Rapha l Lambert explores the notion of community in conjunction with literary works concerned with the transatlantic slave

trade The recent surge of interest in both slave trade and community studies concurs with the return of free market ideology which once justified and facilitated the exponential growth of the slave trade The motif of unbridled capitalism recurs in all the works discussed herein however community whether racial political utopian or conceptual emerges as a fitting frame of reference to reveal unsuspected facets of the relationships between all involved parties and expose the ramifications of the trade across time and space Ultimately this book calls for a complete reevaluation of what it means to live together **A**

^AHistory of Death in the Hebrew Bible Matthew Suriano,2018-04-02 The meaning of the afterlife in the Hebrew Bible Old Testament is studied through the ideals of a good death beginning with burial customs This book uses burial remains from Iron Age Judah to shed important light on the images of death found in biblical literature **The 3 Simple Rules of**

Investing Michael Edesess,Kwok L. Tsui,Carol Fabbri,2014-06-16 Managing your money can be stressful And confusing and complicated advice from the financial industry just makes it harder But as the authors of this clear practical and enlightening book part financial guide part expos prove there are just three simple rules you need to follow and only a few investment products that are necessary for an ideal portfolio That s it And the authors dispense with all that expert advice by deftly debunking what they call investing s Seven Deadly Temptations By embracing commonsense solutions and rejecting investments that seem enticing but are needlessly complex overpriced and risky you ll put not only yourself in a stronger position but the entire economy as well **A Political Biography of Eliza Haywood** Kathryn R King,2015-10-06 While

under arrest in 1750 on suspicion of producing a seditious pamphlet Eliza Haywood insisted she never wrote anything in a political way This study of the life and works the first full length biography of Haywood in nearly a century takes the measure of her duplicity *Racially and Ethnically Diverse Women Leading Education* Terri N. Watson,Anthony H.

Normore,2016-12-05 This book s primary focus is on racially and ethnically diverse women in educational leadership Each chapter is written from a unique conceptual or empirical lens as shared by international female leaders and range from a critical examination of global society and cross cultural collaboration to the intersection of race law and power **Jesuit**

Science and the End of Nature's Secrets Mark A. Waddell,2016-03-09 Jesuit Science and the End of Nature s Secrets explores how several prominent Jesuit naturalists including Niccol Cabeo Athanasius Kircher and Gaspar Schott tackled the problem of occult or insensible causation in the seventeenth century The search for hidden causes lay at the heart of the early modern study of nature and included phenomena such as the activity of the magnet the marvelous powers ascribed to certain animals and plants and the hidden destructive forces churning in the depths of the Earth While this was a project embraced by most early modern naturalists however the book demonstrates that the Jesuits were uniquely suited to the study of nature s hidden secrets because of the complex methods of contemplation and meditation enshrined at the core of their spirituality Divided into six chapters the work documents how particular Jesuits sought to reveal and expose nature s myriad secrets through an innovative blending of technology imagery and experiment Moving beyond the conventional

Aristotelianism mandated by the Society of Jesus they set forth a vision of the world that made manifest the works of God as Creator no matter how deeply hidden those works were The book thus not only presents a narrative that challenges present day assumptions about the role played by Catholic religious communities in the formation of modern science but also captures the exuberance and inventiveness of the early modern study of nature Transgressing Frontiers Ngong Toh,2021-04-02 The focus of this book is to assess through language and literary studies in interpretation the epistemic representation of frontiers in its shifting and fixing categories The contributing researchers stress on the fact that crisscrossing has taken its toll on communities and disciplines and that hegemonic positions are becoming increasingly redundant and provocative Frontier discourse is therefore a socio political and culturally oriented discourse Importing it to language and literary studies also shows that literary circles like language are equally shifting and erasing borderlines The chapters discuss crisscrossing of frontiers both as geography and epistemology This is in line with the new cultural ontology that opens up new interpretations and shifts from previous ones in the disciplines of Language Linguistics Arts and Literature The book pulls together a wide range of issues based on a plurality of theoretical assumptions The issues presented are grouped into three broad sections Section one looks at the creation of the self as a way to dismantle the other In section two the focus is on linguistic shifts and the fact that all languages need space in multilingual societies And section three shows how people travel out of their homelands to seek comfort Resourceful insightful and incisive the book offers depth and breadth in refined scholarship The contributors are masterly in their handling of borderlines between ideology and iconoclasm globalisation and nationalism memory and nation gender and identity official and indigenous languages self other dialectics migration and identity The book is an invaluable asset to researchers and students with a penchant for interdisciplinarity intertextuality multiculturalism and globalisation **Notes to the Pocket Volume of Selections from the Poems of Robert Browning** Alex Hill,1896 **A Life's Decision** Thomas William Allies,1880
