The Islamist Challenge In Algeria A Political History:

 The Islamist Challenge in Algeria Michael Willis,1997 In recent years like many countries caught between the tides of fundamentalist religion and secular culture Algeria has been rocked by social upheaval protest spasmodic violence and terrorist activity Middle East scholar Michael Willis here charts the meteoric rise of one of the largest and most powerful Islamist movements in the Muslim world   A History of Islamic Societies Ira M. Lapidus,2014-10-13 This third edition of Ira M Lapidus s classic A History of Islamic Societies has been substantially revised to incorporate the insights of new scholarship and updated to include historical developments in the first decade of the twenty first century Lapidus s history explores the beginnings and transformations of Islamic civilizations in the Middle East and details Islam s worldwide diffusion to Africa Spain Turkey and the Balkans Central South and Southeast Asia and North America situating Islamic societies within their global political and economic contexts It accounts for the impact of European imperialism on Islamic societies and traces the development of the modern national state system and the simultaneous Islamic revival from the early nineteenth century to the present This book is essential for readers seeking to understand Muslim peoples Publisher information   **After Repression** Elizabeth R. Nugent,2020-09-01 How differing forms of repression shape the outcomes of democratic transitions In the wake of the Arab Spring newly empowered factions in Tunisia and Egypt vowed to work together to establish democracy In Tunisia political elites passed a new constitution held parliamentary elections and demonstrated the strength of their democracy with a peaceful transfer of power Yet in Egypt unity crumbled due to polarization among elites Presenting a new theory of polarization under authoritarianism After Repression reveals how polarization and the legacies of repression led to these substantially divergent political outcomes Drawing on original interviews and a wealth of new historical data Elizabeth Nugent documents polarization among the opposition in Tunisia and Egypt prior to the Arab Spring tracing how different kinds of repression influenced the bonds between opposition groups She demonstrates how widespread repression created shared political identities and decreased polarization such as in Tunisia while targeted repression like that carried out against the Muslim Brotherhood in Egypt led opposition groups to build distinct identities that increased polarization among them This helps explain why elites in Tunisia were able to compromise cooperate and continue on the path to democratic consolidation while deeply polarized elites in Egypt contributed to the rapid reentrenchment of authoritarianism Providing vital new insights into the ways repression shapes polarization After Repression helps to explain what happened in the turbulent days following the Arab Spring and illuminates the obstacles to democratic transitions around the world   *Terrorism, Security and the Power of Informal Networks* David Martin Jones,Ann Lane,Paul Schulte,2010-01-01 This innovative work examines the concept of the informal network and its practical utility within the context of counterterrorism Drawing together a range of practitioner and academic expertise it explores the character and evolution of informal networks addressing the complex relationship between kinship groups transnational

linkages and the role that globalization and new technologies play in their formation and sustainability By analysing the informal branch of networked organization in the context of security policy making the chapters in this book seek to address three questions how do informal networks operate which combination of factors draws individuals to form such networks what are their structures Informal networks are necessarily elusive owing to their ad hoc development amorphous structures and cultural specificity but they are nonetheless pivotal to the way organizations conduct business Identifying and manipulating such networks is central to effective policy making Terrorism Security and the Power of Informal Networks argues that informal networks are important to policy makers and their mastery is critical to success both in tackling the challenges of hostile networks and in the processes of organizational reform currently preoccupying governments Practitioners policy makers and researchers in the fields of international politics international relations history and political science will find much to interest them in this timely resource   **Memories of Europe's Future** Simon Serfaty,1999-02-10 Conflict in the Modern Middle East Jonathan K. Zartman,2020-03-19 This book provides detailed coverage of all the key conflict related developments since the Arab Spring a seminal event that began in December 2010 and continues to have major influence on events in the Middle East North Africa and beyond This important reference offers readers a thorough understanding of the nature of the various conflicts that have erupted in the Middle East and North Africa following the Arab Spring Clear and concise explanations of important concepts related to Islam ideology and ethnicity and the economic social and cultural forces propelling conflict and revolution in the region will enable readers to gain insight into key developments there Biographical and organizational profiles combined with succinct overviews of each country provide a strong research foundation for students The book offers detailed descriptions of the minority groups that have suffered violence from both the countries and the societies around them sometimes generating refugee flows that engage neighboring states in security issues It also discusses the role of women in the region during these turbulent times Primary source documents and a chronology highlight political struggles to reach durable agreements and develop institutions to meet basic human needs in the modern Middle East   **A Comparative Historical and Typological Approach to the Middle Eastern State System** Lars Mjøset,Nils Butenschøn,Kristian Berg Harpviken,2024-04-19 Showcasing the legacy of Norwegian political scientist and sociologist Stein Rokkan this volume ushers in a new vision in the field of state formation and nation building   **Modern African Conflicts** Timothy J. Stapleton,2022-06-30 An essential resource for students or general readers interested in post colonial Africa this encyclopedia provides coverage of different regions countries wars battles factions leaders and foreign powers Armed conflict represents a substantial part of African history since around 1960 yet this history is either insufficiently taught or overshadowed by negative stereotypes about African tribal warfare This encyclopedia provides concise historical information on conflicts that occurred in post colonial Africa The entries cover all the regions of Africa North West Central East and Southern the Cold War and post Cold War periods a range of important leaders various types of

conflicts from civil wars and insurgencies to conventional military engagements involvement of foreign powers and such themes as airpower women and war and genocide   *Democratization in the Muslim World* Frederic Volpi,Francesco Cavatorta,2013-09-13 This book examines the role that political Islam plays in processes of democratization in the Muslim world detailing the political processes that facilitate the collective learning of democratic ways of solving the practical problems of those polities Democratization in the Muslim World represents an important contribution to the debate on democratization and political Islam that emphasises the synergetic effects and global reach of both Islamist and democratic politics It comes to terms with the problematic relationship between Islam and democracy in the uncertain post Cold War post 9 11 world order by highlighting the malleability of Islamic discourses and of its institutional resources as well as the diversity of the political strategies of incumbent regimes to remain in power It combines key theoretical issues and country specific studies of some of the most relevant Muslim polities of the post Cold War and post 9 11 era This text was previously published as a special issue of Democratization and will be of interest to students of Middle East politics governance democracy and human rights   Islam in the World Today Werner Ende,Udo Steinbach,2011-12-15 Considered the most authoritative single volume reference work on Islam in the contemporary world the German language Der Islam in der Gegenwart currently in its fifth edition offers a wealth of authoritative information on the religious political social and cultural life of Islamic nations and of Islamic immigrant communities elsewhere Now Cornell University Press is making this invaluable resource accessible to English language readers More current than the latest German edition on which it is based Islam in the World Today covers a comprehensive array of topics in concise essays by some of the world s leading experts on Islam including the history of Islam from the earliest years through the twentieth century with particular attention to Sunni and Shi i Islam and Islamic revival movements during the last three centuries data on the advance of Islam along with current population statistics Muslim ideas on modern economics on social order and on attempts to modernize Islamic law shari a and apply it in contemporary Muslim societies Islam in diaspora especially the situation in Europe and America secularism democracy and human rights and women in Islam Twenty four essays are each devoted to a specific Muslim country or a country with significant Muslim minorities spanning Asia Africa the Middle East and the former Soviet Union Additional essays illuminate Islamic culture exploring local traditions the languages and dialects of Muslim peoples and art architecture and literature Detailed bibliographies and indexes ensure the book s usefulness as a reference work   **The New Political Islam** Emmanuel Karagiannis,2018-01-02 Islamist political parties and groups are on the rise throughout the Muslim world constituting a new political Islam that is global in scope and yet local in action Emmanuel Karagiannis explains how various Islamists have endorsed human rights democracy and justice to gain influence and mobilize supporters   **Conflicts in the Middle East since 1945** Peter Hinchcliffe,Beverley Milton-Edwards,2007-09-12 This third edition of Conflicts in the Middle East since 1945 analyzes the nature of conflict in the Middle East with its racial ethnic political

cultural religious and economic factors Throughout the book Peter Hinchcliffe and Beverley Milton Edwards put the main conflicts into their wider context with thematic debates on issues such as the emergence of radical Islam the resolution of conflicts diplomacy and peace making and the role of the superpowers The book is brought fully up to date with events in the Middle East covering for instance developments in Iraq in 2006 where a democratically elected government is in place but the insurgency show no sign of coming under control The analysis of the Palestinian Israeli conflict is also brought up to the present day to include the election of the Hamas government and the 2006 conflict between Israel and Lebanon s Hizballah Including a newly updated bibliography and maps of the area this is the perfect introduction for all students wishing to understand the complex situation in the Middle East in its historical context *Rise of Islamic Political Movements and Parties* Esen Kirdis,2019-05-09 Although regarded as a single community of Islamists Islamic political movements utilise vastly different means to pursue their goals This book examines why some Islamic movements facing the same socio political structures pursue different political paths while their counterparts in diverse contexts make similar political choices Based on qualitative fieldwork involving personal interviews with Islamic politicians journalists and ideologues conducted both before and after the Arab Spring author Esen KirdiAY draws close comparisons between six Islamic movements in Jordan Morocco and Turkey She analyses how some Islamic movements decide to form a political party to run in elections while their counterparts in the same country reject doing so and instead engage in political activism as a social movement through informal channels More broadly the study demonstrates the role of internal factors ideological priorities and organisational needs in explaining differentiation within Islamic political movements and discusses its effects on democratisation *Religion and Violence* Jeffrey Ian Ross,2015-03-04 First Published in 2015 Daily newspaper headlines talk radio and cable television broadcasts and Internet news web sites continuously highlight the relationship between religion and violence These media contain stories about such diverse incidents as suicide attacks by Islamic fundamentalists in Afghanistan Iraq Israel Pakistan and elsewhere and assassinations of doctors who perform abortions by white American Christian true believers in the United States How does one make sense of the role of religion in violence and of perpetrators of violence who cite religion as a motivation This encyclopedia includes a wide range of entries biographies of key figures historical events religious groups countries and regions where religion and violence have intersected and practices rituals and processes of religious violence The Routledge History of Terrorism Randall D. Law,2015-03-27 Though the history of terrorism stretches back to the ancient world today it is often understood as a recent development Comprehensive enough to serve as a survey for students or newcomers to the field yet with enough depth to engage the specialist The Routledge History of Terrorism is the first single volume authoritative reference text to place terrorism firmly into its historical context Terrorism is a transnational phenomenon with a convoluted history that defies easy periodization and narrative treatment Over the course of 32 chapters experts in the field analyze its historical significance and explore how and why terrorism emerged as a

set of distinct strategies tactics and mindsets across time and space Chapters address not only familiar topics such as the Northern Irish Troubles the Palestine Liberation Organization international terrorism and the rise of al Qaeda but also lesser explored issues such as American racial terrorism state terror and terrorism in the Middle Ages tyrannicide from Ancient Greece and Rome to the seventeenth century the roots of Islamist violence the urban guerrilla terrorism and state terror in Latin America literary treatments of terrorism With an introduction by the editor explaining the book s rationale and organization as well as a guide to the definition of terrorism an historiographical chapter analysing the historical approach to terrorism studies and an eight chapter section that explores critical themes in the history of terrorism this book is essential reading for all those interested in the past present and future of terrorism **Religion and Politics in the Developing World** Rolin Mainuddin,2018-01-12 This title was first published in 2002 What is the relationship between religion and politics How are they associated in the developing world When does the interface between them result in violence This volume attempts to answer these questions In particular the objective is to understand the circumstances that lead to explosive interactions between religion and politics in the developing world However this focus does not imply a perpetual tension between the religious and political spheres Rather it explores those historical moments when the relationship does break down and often ends in violent conflicts The contributors have expertise in fields such as anthropology history and political science The Maghreb Since 1800 Knut S. Vikor,Professor of the History of the Middle East and Muslim Africa University of Bergen Knut S Vikor,2024-10-03 This short history of the Maghreb surveys its development from the coming of Islam to the present day but with greatest emphasis on the modern period from the early nineteenth century onwards **Africa 2020-2022** Francis Wiafe-Amoako,2021-09-15 The World Today Series Africa provides students with vital information on all countries on the African continent through a thorough and expert overview of political and economic histories current events and emerging trends Each country is examined through the following sections Basic Facts Land and People The Past Political and Economic History The Present Contemporary Issues and The Future In addition to country chapters the book features extended essays on Africa s Historical Background and the Colonial Period The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students The content is thorough yet perfect for a one semester introductory course or general library reference Available in both print and e book formats and priced low to fit student and library budgets **Africa 2022-2023** Francis Wiafe-Amoako,2022-08-15 The World Today Series Africa provides students with vital information on all countries on the African continent through a thorough and expert overview of political and economic histories current events and emerging trends Each country is examined through the following sections Basic Facts Land and People The Past Political and Economic History The Present Contemporary Issues and The Future In addition to country chapters the book features extended essays
