**Dachshund - Dog Books for Kids** K. Bennett,John Davidson,2015-02-08 Dachshund Dog Books for Kids Table of Contents Introduction Chapter 1 Early History Chapter 2 Fascinating Features Care Chapter 3 Amazing Dachshund facts Conclusion A little big Companion Author Bio Introduction A dog is man s best friend and vice versa Anonymous Dachshunds are beautiful little dogs with a big personality They have a long body short little legs and belong to the hound family group Dogtime com refers to them as short on leg but long on personality Aren t they cute At the start of their history Dachshunds were busy chasing and flushing out badgers This skill

applied to burrow dwellers which are animals that dig holes or tunnels Normal size Dachshunds were bred for this singular purpose but the shorter size breed was another story They were better at chasing rabbits so they were bred for this purpose Some even hunted in packs to track bigger animals Today Dachshunds have other abilities apart from game hunting They are found in many conformation shows and living at home as family pets Their unique personality and versatile nature is very appealing and they make great family companions Their coat can be a unique blend of colors Some are single colored or dappled which is single colored with spots The primary color is red Black and tan is the most common color There is even solid black and solid chocolate For a long time Dachshunds were considered favorites but especially since the 1950s Can you believe this little dog has kept its fame for such a long time No doubt the Dachshunds high intelligence and loving affection has been a great part of their fame But don't let their large eyes and soulful glances fool you A Dachshund is not the easiest dog to train And if you leave them to their own devices you may be surprised at their stubborn nature Despite this these little dogs are big on heart And because of their variety colors and skills there is a Dachshund for almost everyone For these reasons and many more Dachshunds are highly recommended as a faithful companion Unlike other dogs they are more of a one person family pet This steadfast and loyal nature is well deserving of the title man's best friend

when all the world was young and there were but few people dwelling on it the strangest things would often come to pass This was the time when fairyfolk still lived in the greenwoods and elves sang and danced in the soft summer dawns Then trees could sing and flowers speak and birds would carry messages about the world wild beasts were not always wild and ferocious and were often loyal friends to men and helped them in their difficulties In these old days most noble dukes and earls would fall in love with dairymaids whose gentle ways and manners charmed their hearts Sometimes great kings grew weary of the splendor of their courts and left their thrones to live a simple life Each princess had a fairy godmother who showered her with magic gifts Wise men read the stars and seers would gaze in crystal bowls to tell the coming good or ill they saw In those old days the housewives left a bit of bread and cheese upon the pantry shelf each evening that the brownie who was said to dwell in every kitchen might have a midnight feast These brownies twas said also would make much mischief if they were not treated very well In early dawns when fields of flowers were a sparkle with dew and sunlight the milkmaids used to bathe their eyes and ears with dew that they might see the fairyfolk forever afterward and hear them sing at midnight in the surrounding glens The farmers boys would search among the hedges in hopes of meeting The Red Caps who were said to bring much luck These Red Caps too were said to give a magic purse of gold to those they fancied a purse that was always brimful no matter what was spent from it Witches still rode broomsticks through the skies and there were wishing wells and magic charms and spells So we invite you to curl up with this unique sliver of Fairy culture not seen in print for over a century and immerse yourself in the tales and fables of yesteryear CHALLENGE Every story is terminated with an illustrated tailpiece In this book it is an illustration of mushrooms and plants See if you can help young readers spot which illustration they have been taken from 10% of the net sale will be donated to charities by the publisher TAGS fairy tales folklore myths legends children s stories children s stories bygone era fairydom fairy land classic stories children s bedtime stories happy place happiness top of the morning Princess Dame Grumble Curious Apple Tree Northland Kingdom Little Tree Never Grow Up Punchinello Strange Tale Brown Bear Beggar Princess Sweep Little Sweep Kings Queens Peasant Folk Goose Girl Blue Gander Little Brown Man Halloween when the world was young long long ago magic chairs magic chest speaking birds beasts enchanted enchantments power of speech The Complete Works of Count Tolstoy: Fables for children.
