Emigration of Our Times Robert Franz Foerster, 1919 **The Italian Emigration, of Our Times** Robert F. Foerster, 2015-06-24 Excerpt from The Italian Emigration of Our Times A world engrossed as never before with defining the rights and obligations of nationalities and with mitigating the causes of national and international discord cannot afford to ignore the fertile field for study presented by the great migrations of our day Among these the Italian easily ranks first in importance and it is typical in many aspects of the rest The problems it exhibits are fundamental and they stand forth in such sharpness of relief and such largeness of dimension that there can be no mistaking their nature One's interest however easily goes further So embracing has been this emigration that a chronicle of its development must constitute an indispensable chapter in the history of the Italian people whose gifts to civilization and whose qualities in human intercourse have attached them to men everywhere So memorable likewise have been the contributions of the emigrants in a number of lands that chapters setting forth their fortunes there must always hold a place in the histories of the several countries themselves Inevitably such chapters must lack a certain dramatic element possible to narrative or political or biographical writing For emigration is first of all and chiefly a scattering The steerage of the Atlantic vessel has farmers without lands builders without bricks doctors without patients and the marks that distinguish the dramatis personae at every step have to be obliterated in order that the collective experience may be understood On the other hand just the fact that a myriad of wills are in question and the homely types among men the diggers and hewers at the best the artisans brings us nearer to certain great human experiences to the still sad music of humanity than a study of protagonists could do About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Italian Emigration of Our Times Robert F. Foerster, 2004 **The Italian Emigration, of Our Times (Classic Reprint)** Robert F. Foerster, 2017-09-17 Excerpt from *The Italian Emigration of Our Times* A world engrossed as never before with defining the rights and Obligations of nationalities and with mitigating the causes of national and international discord cannot afford to ignore the fertile field for study presented by the great migrations of our day Among these the Italian easily ranks first in importance and it is typical in many respects Of the rest The problems it exhibits are fundamental and they stand forth in such sharpness of relief and such largeness of dimension that there can be no mistaking their nature About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **ITALIAN EMIGRATION OF OUR TIMES** ROBERT F. FOERSTER, 2018 **The Italian Emigration of Modern Times** Patrizia Famà Stahle, 2016-04-26 *The Italian Emigration of Modern Times* examines diplomatic issues that arose between Italy and the United States over a series of lynchings of Italian immigrant labourers before World War I The work explores a significant epoch in Italian economic and diplomatic history which became intertwined with American ethnic and race relations issues On one level the book emphasises the pragmatism and restraint which characterized Italy's official reactions to these repeated episodes of murder of its nationals On another level it shows that the diplomatic crises which swirled around the lynching of Italians pushed onto the American political scene the question of whether there should be a federal anti lynching law Naturally the lynching of Italian nationals in the US produced wide public outrage in Italy Italian domestic outcries presented the Italian government with a serious dilemma Emigrant savings and financial transfers to family members remaining in Italy were an important economic asset Italian diplomats launched investigations and protested vigorously but ended up accepting federal financial compensation for the victims families The consistent pragmatism and restraint of the Italian government through these episodes of violence is the unifying theme of the entire work *Lives of Their Own* John E. Bodnar, Roger D. Simon, Michael P. Weber, 1983 *Lives of Their Own* depicts the strikingly different lives of black Italian and Polish immigrants in Pittsburgh Within a comparative framework the book focuses on the migration process itself job procurement and occupational mobility family structure home ownership and neighborhood institutions By blending oral histories with quantitative data the authors have created a convincing multilayered portrait of working class life in one of our great industrial cities **Ethnic America** Thomas Sowell, 2008-08-01 This classic work by the distinguished economist traces the history of nine American ethnic groups the Irish Germans Jews Italians Chinese African Americans Puerto Ricans and Mexicans *Immigrants on the Hill* Gary Ross

Mormino,2002 In *Immigrants on the Hill* Gary Mormino traces the Hill s evolution from its roots in Lombardy and Sicily to contemporary times focusing on those institutions that have sustained and nurtured the community He reveals how in work play religion politics and even bootlegging Hill Italian Americans have consistently encouraged ethnic pride working class solidarity and family honor His study now with a new preface shows why this ethnic enclave has garnered national attention

Migrations And Cultures Thomas Sowell,2025-04-01 Most commentators look at the issue of immigration from the viewpoint of immediate politics In doing so they focus on only a piece of the issue and lose touch with the larger picture Now Thomas Sowell offers a sweeping historical and global look at a large number of migrations over a long period of time *Migrations and Cultures* shows the persistence of cultural traits in particular racial and ethnic groups and the role these groups relocations play in redistributing skills knowledge and other forms of human capital answers the question What are the effects of disseminating the patterns of the particular set of skills attitudes and lifestyles each ethnic group has carried forth both for the immigrants and for the host countries in social as well as economic terms

Remembering Italian America Laurie Buonanno,Michael Buonanno,2021-03-11 *Remembering Italian America* Memory Migration Identity examines the life of Italians in the United States and the role of migration and collective memory in the history of the construction of Italian American identity Employing the concept of communicative memory the authors explain the processes that gave shape to Italian identity in America and the ways in which a symbolic identity became concretized in Italian American oral histories The text explores the Italy migrants left behind transatlantic networks the welcome received by the Italian newcomers the socioeconomic fabric of Italian America and the singular worldview that grew out of the immigrant experience In exploring the role of memory in the construction of Italian American identity the book analyzes the commonalities in the lives of immigrants allowing the Italian American experience to speak to the circumstances of newer immigrant communities and allowing these new immigrant communities to speak to the Italian migrant history Looking at Italian American culture from a multidisciplinary perspective this volume brings various theoretical perspectives to bear on what why and how questions concerning the Italian American experience This book will be of interest to students of ethnic studies immigration studies and American transnational studies as well as American history Winner of the 2022 Italian American Studies Association Book Award

Shadows Over Sunnyside Jeannie M. Wayne,1995-12-01 This remarkable collection of essays addresses social historical cultural and labor issues as they affect a Southern plantation The heart of the book is an examination of a great experiment to import Italian laborers to Sunnyside Plantation From the crucible of tensions that this experiment produced the reader obtains a concrete understanding of the implications of U S immigration policy of changing labor relations following Reconstruction and of a minority culture s introduction into the Delta

Immigrants in the Lands of Promise Samuel L. Baily,2016-11-15 Most studies of immigration to the New World have focused on the United States Samuel L Baily s eagerly awaited book broadens that perspective through a comparative analysis of Italian immigrants

to Buenos Aires and New York City before World War I. It is one of the few works to trace Italians from their villages of origin to different destinations abroad. Bailly examines the adjustment of Italians in the two cities comparing such factors as employment opportunities, skill levels, pace of migration, degree of prejudice, and development of the Italian community. Of the two destinations, Buenos Aires offered Italians more extensive opportunities, and those who elected to move there tended to have the appropriate education or training to succeed. These immigrants who adjusted more rapidly than their North American counterparts adopted a long-term strategy of investing savings in their New World home. In New York, in contrast, the immigrants found fewer skilled and white-collar jobs, more competition from previous immigrant groups, greater discrimination, and a less supportive Italian enclave. As a result, rather than put down roots, many sought to earn money as rapidly as possible and send their earnings back to family in Italy. Bailly views the migration process as a global phenomenon. Building on his richly documented case studies, the author briefly examines Italian communities in San Francisco, Toronto, and Sao Paulo. He establishes a continuum of immigrant adjustment in urban settings, creating a landmark study in both immigration and comparative history.

From Paesani to White Ethnics Stefano Luconi, 2001-02-01 Examines the transformations of Italian American ethnic identity in twentieth-century Philadelphia.

A Nation of Immigrants Franca Iacovetta, Paula Draper, Robert Ventresca, 1998-05-23 This collection brings together a wide array of writings on Canadian immigrant history, including many highly regarded influential essays. Though most of the chapters have been previously published, the editors have also commissioned original contributions on understudied topics in the field. The readings highlight the social history of immigrants: their pre-migration traditions as well as migration strategies and Canadian experiences; their work and family worlds and their political, cultural, and community lives. They explore the public display of ethno-religious rituals, race riots, and union protests; the quasi-private worlds of all-male boarding houses and of female domestics toiling in isolated workplaces; and the intrusive power that government and even well-intentioned social reformers have wielded over immigrants deemed dangerous or otherwise in need of supervision. Organized partly chronologically and largely by theme, the topical sections will offer students a glimpse into Canada's complex immigrant past. In order to facilitate classroom discussion, each section contains an introduction that contextualizes the readings and raises some questions for debate. *A Nation of Immigrants* will be useful both in specialized courses in Canadian immigration history and in courses on broader themes in Canadian history.

The Boston Italians Stephen Puleo, 2007 In this lively and engaging history, Stephen Puleo tells the story of the Boston Italians from their earliest years, when a largely illiterate and impoverished people in a strange land recreated the bonds of village and region in the cramped quarters of the North End. Sicilians lived next to Sicilians, Avellinesi among Avellinesi, and so on. Focusing on this first and crucial Italian enclave in Boston, Puleo describes the experience of Boston's Italian immigrants as they battled poverty, illiteracy, and prejudice. Italians were lynched more often than members of any other ethnic group except African Americans; explains their transformation into Italian Americans.

during the Depression and World War II and chronicles their rich history in Boston up to the present day He tells much of the story from the perspective of the Italian leaders who guided and fought for their people s progress reacquainting readers with pivotal historical figures like James V Donnaruma founder of the key North End newspaper La Gazetta now the English language Post Gazette and politician George A Scigliano The book s final section is devoted to interviews with today s influential Boston Italian Americans including Thomas M Menino the city s first Italian American mayor The story of the Boston Italians is among America s most important vibrant and colorful sagas and necessary reading for anyone seeking to understand the heritage of this ethnic group

Eventually, you will very discover a further experience and skill by spending more cash. nevertheless when? do you give a positive response that you require to acquire those every needs afterward having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will guide you to comprehend even more all but the globe, experience, some places, subsequently history, amusement, and a lot more?

It is your very own times to produce a result reviewing habit. among guides you could enjoy now is **The Italian Emigration Of Our Times** below.
