The James Adams Floating Theatre First Edition:

The James Adams Floating Theatre C. Richard Gillespie, 1991 The boat on which Edna Ferber based her famous novel brought excitement and entertainment to isolated small towns up and down the East Coast in early twentieth century America The builder of the boat James E Adams was a farmer from Michigan who taught himself to be a circus aerialist started and prospered with his own carnival company and when retirement proved boring decided to build a showboat The book traces the history of the James Adams from its inception until its demise twenty seven years later a tale that includes fires sinkings a shooting arrests and several deaths *Coming Soon!!!* John Barth, 2001 In this novelistic romp that is by turns hilarious and brilliant John Barth spoofs his own place in the pantheon of contemporary fiction and the generation of writers who have followed his literary trailblazing *Coming Soon* is the tale of two writers an older retiring novelist setting out to write his last work and a young aspiring writer of hypertext intent on toppling his master In the heat of their rivalry the writers navigate and sometimes stumble over the cultural fault lines between print and electronic fiction mentor and mentee postmodernism and modernism *Musical Maryland* David K. Hildebrand, Elizabeth M. Schaaf, 2017-09-14 The only book to delve deeply into Maryland's rich musical performance history and the people who created it In *Musical Maryland* the first comprehensive survey of the music emanating from the Old Line State David K Hildebrand and Elizabeth M Schaaf explore the myriad ways in which music has enriched the lives of Marylanders From the drinking songs of colonial Annapolis the liturgical music of the Zion Lutheran Church and the work songs of the tobacco fields to the exuberant marches of late nineteenth century Baltimore Orioles festivals Chick Webb's mastery on drums and the triumphs of the Baltimore Opera Society this richly illustrated volume explores more than 300 years of Maryland's music history Beginning with early compositions performed in private settings and in public concerts this book touches on the development of music clubs like the Tuesday Club the Florestan Society and H L Mencken's Saturday Night Club as well as lasting institutions such as the Peabody Institute and the Baltimore Symphony Orchestra BSO Yet the soundscape also includes militia quicksteps sea chanteys and other work songs The book describes the writing of The Star Spangled Banner perhaps Maryland's single greatest contribution to the nation's musical history It chronicles the wide range of music created and performed by Maryland's African American musicians along Pennsylvania Avenue in racially segregated Baltimore from jazz to symphonic works It also tells the true story of a deliberately integrated concert that the BSO staged at the end of World War II The book is full of musical examples engravings paintings drawings and historic photographs that not only portray the composers and performers but also the places around the state in which music flourished Illuminating sidebars by William Biehl focus on late nineteenth and early twentieth century song of the kind evoked by the USS Baltimore or inspired by the state's history natural beauty and romantic steamboats The book also offers a sampling of the tunes that Maryland's more remarkable composers and performers including Billie Holiday Eubie Blake and Cab Calloway contributed to American music before the

homogenization that arrived in earnest after World War II Bringing to life not only portraits of musicians composers and conductors whose stories and recollections are woven into the fabric of this book but also musical scores and concert halls Musical Maryland is an engaging authoritative and bold look at an endlessly compelling subject **A Million Miles from Broadway Revised and Expanded Edition** Mel Atkey, 2019 Musical theatre is and always has been an international form not just an American one It can take root anywhere Few people would realise that such hit standards as The Glow Worm Brazil Mack the Knife I Will Wait for You and El Condor Pasa came from foreign language musicals A Million Miles from Broadway Musical Theatre Beyond New York and London looks at the history and future of work that exists outside of the two traditional centres Met Atkey has lectured internationally on musical theatre He is also a composer and lyricist himself When his musical A Little Princess written with the late Robert Sickinger opened the New York Times praised its lovely music His earlier book Broadway North the Dream of a Canadian Musical Theatre has become the basis for courses taught in Canadian Universities including Sheridan College where the international hit musical Come from Away was born Australian TV producer and musical writer Peter Pinne called it well documented full of facts and a compelling read for any musical theatre buff *Letters* John Barth, 1994 Basically Barth takes several people from his early novels and has them all starting to write to each other and to him their letters and experiences directing the plot And what starts out as what could be a too cute literary trick winds up being extremely revealing as the characters pour themselves into the letters regardless of whom they re writing to as the plot skips and slips through time On one level it acts as a sequel to those early novels continuing their stories and although it s not really required to read those books I m not going to pretend it doesn t help The best thing to do would be to read those old novels in one block and then move onto this I read them some years ago so I was a little fuzzy on the finer points But I picked it up But Barth captures the voices of his old characters well and even if you didn t know who was writing what letter you could tell And thus they tell the recipient and us about their hopes and fears they mingle together they lie they come unglued and by the end you sort of get a tapestry of their thoughts There s a plot weaving through here but sometimes it becomes hard to connect it with six different people discussing different angles of it with you but I just went with it and enjoyed the writing for what it was Michael Battaglia at Amazon com **The Cambridge Guide to American Theatre** Don B.
