

Japan's Social Pyramid

Ruler in name only, but no real power
Relied on Shogun for support

Emperor

Military leader of Japan
People fought over title

Shogun

Served Shogun in exchange for land & power

Daimyo

Professional warriors
Served Shogun/daimyo in exchange for food & money
No real political power

Samurai

Samurai who acted as mercenaries
Had little social status

Ronin

Largest class in Japan
Low status & poor, but **seen as important** b/c they grew all the food

Peasant

Craftspeople
Less respected than peasants b/c they didn't grow food

Artisan

Lowest class b/c they didn't make anything & grew rich from others' work

Merchant

The Japanese Social Structure

Nozomu Kawamura

The Japanese Social Structure:

The Japanese Social Structure 日本社会,1982 **Japanese Society** Robert J. Smith,1983 A compelling illustration of Japan's evolution into an industrial state the only major industrial society to emerge outside of the Western tradition Japanese Social Structure United States. Office of Strategic Services. Schools and Training Branch,1947 The Japanese Economic and Social System Claude Lonien,2003 The Japanese economy is currently at a crossroads and the embarrassing situation the country faces today is even worse than the Meiji restoration of 1868 the defeat after World War II in 1945 and the yen appreciation after the Plaza Agreements of 1985 Indeed the traditional Japanese model is doomed to failure mainly due to economic and industrial structures that are inappropriate towards increasing globalization liberalization and deregulation However Japanese style industrial capitalism is in this work compared to the economic and social models of other developed countries and this enables us to point out the path the Japanese economy may take in the 21st century in order to survive

Japanese Social Organization Takie Sugiyama Lebra,1992-07-01 This excellent book will surely become a mainstay on the reading lists of anthropologists sociologists and Japan specialists for many years to come It provides rich and accessible ethnographic examples to illustrate basic anthropological theory The underlying theme is that although Japanese culture produced specifically Japanese social institutions these institutions can be studied using mainstream techniques The book is a model of its kind in the evenness of its contributions the quality of its writing and the thoroughness of its index

Congratulations Monumenta Nipponica *The Japanese Social Organization* William Edmund Lampe,1910 **The Japanese Social Organization** William Edmund Lampe,1910 *Modern Japanese Organization and Decision-making* Ezra F. Vogel,Joint Committee on Japanese Studies,1975-01-01 Language, Social Structure, and Culture Patricia Mayes,2003

Comparing Japanese and American interaction text argues that language use is instrumental in the construction of social structure and culture **Evolution of the Japanese Social and Psychic** Sidney L. Gulick,2020-07-17 Reproduction of the original *Evolution of the Japanese Social and Psychic* by Sidney L Gulick **Social Structure Of Contemporary China** Xueyi Lu,2012-07-24 This book is the third study done by the Research Group on Social Structure Change in Contemporary China a group affiliated with the Institute of Sociology Chinese Academy of Social Sciences The group has focused on the process of development and change in contemporary Chinese social structure and come to the following conclusions Contemporary China is transitioning from a traditional agricultural and rural society to a modern industrialized and urban society from a highly centralized planned economy to a robust socialist market economic system The entire society is undertaking an unprecedented evolution During the three decades of reform and opening up China has made brilliant achievements never seen before in history Now China is in a critical period of reform and opening up with very complex far reaching and closely intertwined social problems which are also unprecedented After deep and detailed analysis the Research Group believes that these problems cannot be resolved only by economic methods In order to get to the roots of

these social problems China must develop new social policies strengthen the social structure and carry out social system reform The core purpose of the book is to recommend theories and methods on social structure to society and readers and to investigate the development and change in China s social structure We believe that social structure theory a brand new point of view to analyze the current situation is capable of deciphering the social contradictions in China s development to some extent as opposed to mere economic theory which is inadequate to fully address the structural problems in China

Evolution of the Japanese, Social and Psychic Sidney Lewis Gulick,1903 **Evolution Of The Japanese, Social And Psychic** Sidney Lewis Gulick,2019-12-24 In *Evolution of the Japanese Social and Psychic* Sidney Lewis Gulick presents a compelling examination of Japan s transformation during the Meiji era focusing on the interplay between cultural evolution and social dynamics Through a blend of anthropological insights and sociological analysis Gulick meticulously unravels the complexities of Japanese identity particularly in the context of Western influence and modernity Written in a rich descriptive prose style characteristic of early 20th century scholarship this work effectively situates Japan along a continuum of global cultural evolution while also highlighting the unique psychic attributes that define its populace Sidney Lewis Gulick an American missionary and influential scholar dedicated much of his life to the study of Japanese society culture and education His deep engagement with the country stemmed from his immersion in its language and customs providing him a unique perspective on the sociopolitical currents during a pivotal period in Japan s history Gulick s commitment to cultural understanding and intercultural dialogue fueled his desire to explore the nuances of Japanese evolution making him an essential figure in the discourse surrounding East West relations This enlightening work is highly recommended for scholars of sociology anthropology and Japanese studies Gulick s synthesis of social and psychological themes offers readers a nuanced understanding of Japan s historical context and cultural identity formation As we navigate a globally interconnected world Gulick s insights remain profoundly relevant providing valuable lessons on cultural evolution that transcend time

Interpreting Japanese Society Joy Hendry,2002-09-11 First published in 1986 *Interpreting Japanese Society* became something of a classic in the field In this newly revised and updated edition the value of anthropological approaches to help understand an ancient and complex nation is clearly demonstrated While living and working in Japan the contributors have studied important areas of society Religion ritual leisure family and social relations are covered as are Japanese preconceptions of time and space often so different from Western concepts This new edition of *Interpreting Japanese Society* shows what an important contribution research in such a rapidly changing industrialised nation can make to the subject of anthropology It will be welcomed by students and scholars alike who wish to find refreshing new insights on one of the world s most fascinating societies *Routledge Companion to Contemporary Japanese Social Theory* Anthony Elliott,Masataka Katagiri,Atsushi Sawai,2014-07-10 The *Routledge Companion to Contemporary Japanese Social Theory* breaks new ground in providing a detailed systematic appraisal of the major traditions of social theory prominent in Japan today from theories of

identity and individualization to globalization studies The volume introduces readers to the rich diversity of social theoretical critique in contemporary Japanese social theory The editors have brought together some of the most influential Japanese social scientists to assess current trends in Japanese social theory including Kazuhisa Nishihara Aiko Kashimura Masahiro Ogino Yumiko Ehara and Kiyomitsu Yui The volume also contains dialogues with these Japanese contributors from authoritative Western social theorists including among others Axel Honneth Roland Robertson Bryan S Turner Charles Lemert and Anthony Elliott to reflect on such developments The result is an exciting powerful set of intellectual exchanges The book introduces contextualizes and critiques social theories in the broader context of Japanese society culture and politics with particular emphasis upon Japanese engagements and revisions of major traditions of social thought Divided into two sections the book surveys traditions of social thought in Japanese social science and presents the major social issues facing contemporary Japan The book will appeal to students and scholars of sociology social theory critical theory psychoanalysis risk gender studies feminist studies self and identity studies media studies and cultural studies

Sociology and Society Of Japan Nozomu Kawamura, 2013-12-19 First published in 1994 Many Japanese sociologists tend to regard the existence of local communal relationships in Japan as pre modern traditional and irrational But the present author thinks of these as the primary charge of the move to post modern societies in Japan With field research carried out in Shimoda city in Shizuoka prefecture Yokoshiba town in Chiba prefecture Okaya city Suwa city and Shimosuwa town in Nagano prefecture

Modern Japanese Organization and Decision-Making Ezra F. Vogel, 2023-11-10 This book constitutes the first attempt of its kind to probe the major features of modern Japanese organization that have played such a critical role in Japan's extraordinarily rapid economic development The contributors include prominent academic business consultants such as Peter Drucker of the United States and Kazuo Noda of Japan Japanese government officials such as Yoshihisa Ojimi former Administrative Vice Minister of the Ministry of International Trade and Industry and Taishiro Shirai a member of the Central Labor Relations Commission as well as outstanding Western experts on modern Japanese organization The essays deal not only with Japanese government and business but also with the structures of a newspaper and a university and with the role of Japanese intellectuals in modern organization The portrait of Japanese organization that emerges is much more dynamic and volatile than has been generally supposed One finds business and government managers creatively using so called traditional practices in novel ways and undertaking bold departures to achieve new purposes The findings contradict the view that decision stems from below Not only do executives have an important role in initiating action but lower level officials function within a context defined by their superiors Far greater tensions and conflict exist within organizations than is commonly reported by outsiders especially in institutions like the university where conflicts often paralyze the decision making process Similarly there is far greater divergence of interest among different sectors of society than one might infer from the stereotypical view of Japan Inc And since the high level of consensus supporting the fundamental commitment to economic

growth is now weakening increasing divergence may be anticipated in the future This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1975 Japanese Society Chie Nakane,1972-02 A brilliant wedding of national character studies and analyses of small societies through the structural approach of British anthropology One is of course reminded of Ruth Benedict s Chrysanthemum and the Sword which deals also with Japanese national culture Studies by Margaret Mead and Geoffrey Gorer deal with other national cultures however all of these studies take off from national psychology Professor Nakane comes to explanation of the behavior of Japanese through analysis rather of historical social structure of Japanese society beginning with the way any two Japanese perceive each other and following through to the nature of the Japanese corporation and the whole society Nakane s remarkable achievement which has already given new insight about themselves to the Japanese promises to open up a new field of large society comparative social anthropology which is long overdue Sol Tax This is an important book Robert E Cole Journal of Asian Studies If you have time for just one book on Japan try this one David Plath Asian Student Should be taken to heart by everyone who has dealings with Japan Even those or perhaps most of all those who know Japan intimately will be grateful to Professor Nakane for her brilliant study Times Literary Supplement *An Introduction to Japanese Society* Yoshio Sugimoto,2003 This is a provocative insightful and comprehensive examination of contemporary Japanese society Copyright Libri GmbH All rights reserved Modern Japanese Society Josef Kreiner,Ulrich Möhwald,Hans Dieter Olschleger,2003-12-15 Is Japanese society essentially different from other modern industrialized societies or not This survey work with contributions from the leading scholars in this complicated field presents a full overview of the most important aspects of Japanese society which may lead the reader to find an answer to these two often asked questions Japanese society defined as those institutions shaping the life of individuals and groups as well as being responsible for the dynamics of social development is shown to be as modern as any other industrialized society definitely distinct though are the ways in which institutions are defined and organised as a result of different social and historical roots of the process of modernization

The Japanese Social Structure: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. The Japanese Social Structure : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Japanese Social Structure : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
