**The Jazz Singer** Robert L. Carringer, 1979 Presents photos and screenplay from the movie *The Jazz Singer* the story of a Jewish entertainer The Wisconsin/Warner Bros. Screenplay Series, 1989 Script Culture and the American Screenplay Kevin Alexander Boon, 2008-01-10 By considering the screenplay as a literary object worthy of critical inquiry this volume breaks new ground in film studies Though the history of the screenplay is as long and rich as the history of film itself critics and scholars have neglected it as a topic of serious research *Script Culture and the American Screenplay* treats the screenplay as a literary work in its own right presenting analyses of screenplays from a variety of frameworks including feminism Marxism structuralism philosophy and psychology In distancing the text of screenplays from the on screen performance typically associated with them Kevin Alexander Boon expands the scope of film studies into exciting new territory with this volume *Script Culture and the American Screenplay* is divided into two parts Part 1 provides a general background for screenplay studies tracing the evolution of the screenplay from the early shot lists and continuities of George M. S. and Thomas Harper Ince to the more detailed narratives of contemporary works Part 2 offers specific primarily thematic critical examinations of screenplays along with discussions of the original screenplay and the screenplay adaptation In all Boon explains that screenplay criticism distinguishes itself from traditional film studies in three major ways The primary focus of screenplay criticism is on the screenplay rather than the film the focus of screenplay studies is on the screenwriter rather than the director and screenplay criticism like literary criticism is written to illuminate a reader's understanding of the text Boon demonstrates that whether we are concerned with aesthetics and identifying rules for distinguishing the literary from the non literary or whether we align ourselves with more contemporary theories which recognize texts as distinguishable in their inter relationships and marked difference screenplays constitute a rich cache of works worthy of critical examination Film scholars as well as students of film creative writing and literary studies will appreciate this singular volume *The Musical* William Everett, 2011-06-02 The musical whether on stage or screen is undoubtedly one of the most recognizable musical genres yet one of the most perplexing What are its defining features How does it negotiate multiple socio cultural economic spaces Is it a popular tradition Is it a commercial enterprise Is it a sophisticated cultural product and signifier This research guide includes more than 1 400 annotated entries related to the genre as it appears on stage and screen It includes reference works monographs articles anthologies and websites related to the musical Separate sections are devoted to sub genres such as operetta and megamusical non English language musical genres in the U S traditions outside the U S individual shows creators performers and performance The second edition reflects the notable increase in musical theater scholarship since 2000 In addition to printed materials it includes multimedia and electronic resources Monographic Series Library of Congress, 1980 The Coming of Sound Douglas Gomery, 2005 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company *The Jew in American Cinema*

Patricia Erens,1988-08-22 Placing cinematic representations of the Jew within their historical context Bartov demonstrates the powerful political social and cultural impact of these images on popular attitudes He argues that these representations generally fall into four categories the Jew as perpetrator as victim as hero and as anti hero Examples range from film s early days to the present from Europe Israel and the United States      **Play It Again, Sam** Andrew Horton,Stuart Y. McDougal,2024-03-29 This title was originally published in 1998 Play It Again Sam is a timely investigation of a topic that until now has received almost no critical attention in film and cultural studies the cinematic remake As cinema enters its second century more remakes are appearing than ever before and these writers consider the full range Hollywood films that have been recycled by Hollywood such as The Jazz Singer Cape Fear and Robin Hood foreign films including Breathless and Three Men and a Baby which Hollywood has reworked for American audiences and foreign films based on American works among them Yugoslav director Emir Kusturica s Time of the Gypsies which is a makeover of Coppola s Godfather films As these essays demonstrate films are remade by other films Alfred Hitchcock went so far as to remake his own The Man Who Knew Too Much and by other media as well The editors and contributors draw upon narrative film and cultural theories and consider gender genre and psychological issues presenting the remake as a special artistic form of repetition with a difference and as a commercial product aimed at profits in the marketplace The remake flourishes at the crossroads of the old and the new the known and the unknown Play It Again Sam takes the reader on an eye opening tour of this hitherto unexplored territory This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1998      **Music and the Silent Film** Martin Miller Marks,1997 Most people s view of silent film music is of a pianist playing old scores while watching the flickering screen This title shows that there was much more to silent films and that often it was planned from the start as an integral part of the film The author argues that film scores are a major and vibrant part of 20th century music      **Mystery of the Wax Museum** Richard Koszarski,1979 Screenplay of the motion picture      **The Adventures of Robin Hood** Norman Reilly Raine,Seton I. Miller,1979 Screenplay      Popular Music Roman Iwaschkin,2016-04-14 This is a comprehensive guide to popular music literature first published in 1986 Its main focus is on American and British works but it includes significant works from other countries making it truly international in scope      **Now, Voyager** Casey Robinson,1984 Screenplay of motion picture      **Mission to Moscow** David Holbrook Culbert,1980 Screenplay      Gold Diggers of 1933 James Seymour,David Boehm,Ben Markson,1980 A popular 1919 Broadway play it pits a group of showgirls against a stodgy upper crust Boston Brahmin type and his lawyer The action centers around two themes money and how to get it and love      *That Was Entertainment* Bernard F. Dick,2018-06-04 That Was Entertainment The Golden Age of the MGM Musical traces the

development of the MGM musical from *The Broadway Melody* 1929 through its heyday in the 1940s and 1950s and its decline in the 1960s culminating in the notorious 1970 MGM auction when Judy Garland's ruby slippers from *The Wizard of Oz*, Charlton Heston's chariot from *Ben Hur* and Fred Astaire's trousers and dress shirt from *Royal Wedding* vanished to the highest bidders. That Was Entertainment uniquely reconstructs the life of Arthur Freed whose unit at MGM became the gold standard against which the musicals of other studios were measured. Without Freed, Judy Garland, Gene Kelly, Fred Astaire, Ann Miller, Betty Garrett, Cyd Charisse, Arlene Dahl, Vera Ellen, Lucille Bremer, Gloria DeHaven, Howard Keel and June Allyson would never have had the signature films that established them as movie legends. MGM's past is its present. No other studio produced such a range of musicals that are still shown today on television and all of which are covered in this volume: from integrated musicals in which song and dance were seamlessly embedded in the plot (*Meet Me in St. Louis* and *Seven Brides for Seven Brothers*) to revues (*The Hollywood Revue of 1929* and *Ziegfeld Follies*), original musicals (*Singin' in the Rain*, *Easter Parade* and *It's Always Fair Weather*), adaptations of Broadway shows (*Girl Crazy*, *On the Town*, *Show Boat*, *Kiss Me Kate*, *Brigadoon*, *Kismet* and *Bells Are Ringing*), musical versions of novels and plays (*Gigi*, *The Pirate* and *Summer Holiday*), operettas (the films of Jeanette MacDonald and Nelson Eddy), mythico-historical biographies of composers (Johann Strauss Jr. in *The Great Waltz* and Sigmund Romberg in *Deep in My Heart*) and musicals featuring songwriting teams (Rodgers and Hart in *Words and Music* and Kalmar and Ruby in *Three Little Words*), opera stars (Enrico Caruso in *The Great Caruso* and Marjorie Lawrence in *Interrupted Melody*) and pop singers (Ruth Etting in *Love Me or Leave Me*). Also covered is the water ballet musical in a class by itself with *Esther Williams* starring as MGM's resident mermaid. This is a book for longtime lovers of the movie musical and those discovering the genre for the first time.
