**Jewish and Christian Approaches to the Psalms** Susan Gillingham, 2013-02-07 The Psalms have resulted in controversies between Jews and Christians over the centuries and it is only from the mid twentieth century onwards that the two traditions have worked side by side in the academy at least This is one of the very few volumes on the psalms to incorporate scholarship from both these traditions for nearly a century and the result is a rich celebration of these extraordinary ancient songs This innovative essay collection draws together internationally renowned Jewish and Christian scholars of the Psalms with one tradition responding to the other in areas as diverse as Qumran studies Medieval Jewish interpretation Reception History Liturgical Psalters and Chagall's Church Windows and more recent Literary Studies of the Psalter as a Book The range of topics chosen will be of interest not only to those specializing in the Psalms but also to others interested more generally in biblical studies Several musical and artistic representations of selected psalms are also included and the book includes a colour plate section which illustrates several of the chapters **World Book Focus on Terrorism** World Book, Inc, 2003 A compendium of articles which deal with aspects of terrorism including its history the September 11 2001 attacks balancing civil rights and national security and terrorist methods and weapons **Seeing the Psalter** Bob MacDonald, 2013-01-31 Seeing the Psalter is a unique insight into the Psalms These 150 poems are at the heart of the faith of Israel and of Christendom No book of the Bible is more popular Seeing the Psalter highlights and shows the patterns of repeated word usage in each poem and across the collections of poems In this book the Psalter is read and analyzed in sequence revealing a deliberate organization and a coherent message formed over centuries how do we learn to rule in the midst of enemies Each poem is laid out in a very easy to read form For the English reader the translation is close and concordant as far as that is possible The concordance has been managed through a sophisticated database analysis of the glosses chosen Seeing the Psalter includes a complete Hebrew English and English Hebrew glossary of all words used in the Psalter The list of all uses of a Hebrew root in the Hebrew glossary enables an in depth study of word usage For the Hebrew

Charlesworth,2006 The recovery of 800 documents in the eleven caves on the northwest shores of the Dead Sea is one of the most sensational archeological discoveries in the Holy Land to date These three volumes the very best of critical scholarship demonstrate in detail how the scrolls have revolutionized our knowledge of the text of the Bible the character of Second Temple Judaism and the Jewish beginnings of Christianity     **The Murderous History of Bible Translations** Harry Freedman,2016-11-15 Harry Freedman author of *The Talmud A Biography* recounts the fascinating and bloody history of the Bible In 1535 William Tyndale the first man to produce an English version of the Bible in print was captured and imprisoned in Belgium A year later he was strangled and then burned at the stake His co translator was also burned In that same year the translator of the first Dutch Bible was arrested and beheaded These were not the first nor were they the last instances of extreme violence against Bible translators The Murderous History of Bible Translations tells the remarkable and bloody story of those who dared translate the word of God The Bible has been translated far more than any other book To our minds it is self evident that believers can read their sacred literature in a language they understand But the history of Bible translations is far more contentious than reason would suggest Bible translations underlie an astonishing number of religious conflicts that have plagued the world Harry Freedman describes brilliantly the passions and strong emotions that arise when deeply held religious convictions are threatened or undermined He tells of the struggle for authority and orthodoxy in a world where temporal power was always subjugated to the divine a world in which the idea of a Bible for all was so important that many were willing to give up their time security and even their lives
