The Jesus Revolution:

Jesus Revolution Greg Laurie, Ellen Vaughn, 2018-09-04 God has always been interested in turning unlikely people into his most fervent followers Prostitutes and pagans tax collectors and tricksters The more unlikely the more it seemed to please God and to demonstrate his power might and mercy America in the 1960s and 1970s was full of unlikely people men and women who had rejected the stuffy religion of their parents generation who didn't follow the rules didn't fit in The perfect setting for the greatest spiritual awakening of the 20th century With passion and purpose Greg Laurie and Ellen Vaughn tell the amazing true story of the Jesus Movement an extraordinary time of mass revival renewal and reconciliation Setting fascinating personal stories within the context of one of the most tumultuous times in modern history the authors draw important parallels with our own time of spiritual apathy or outright hostility offering hope for the next generation of unlikely believers and for the next great American revival Those who lived through the Jesus Revolution will find here an inspiring reminder of the times and people that shaped their lives and faith Younger readers will discover a forgotten part of recent American history and along with it a reason to believe that God is not finished with their generation **The Jesus Revolution** Leith Anderson, 2009 Anderson challenges readers to step out in faith and be part of the ongoing movement to change the world with Jesus revolutionary message Biblical Studies **The Jesus Revolution** Michael McFadden, 1972

The Ten Universal Truths of "The Jesus Revolution" Rodolfo Martin Vitangcol, 2023-03-09 Behold the Ten Universal Truths of Jesus Revolution They are truths that shall unify the world as one human race living most harmoniously and happily in one big ball of place called earth Happy reading [The Jesus Revolution](#) Rodolfo Martin Vitangcol, 2022-12-18 Two thousand years have passed since Jesus came to bring life to the world and yet God's kingdom is still to happen on earth In fact our world has gone even much more miserable than when Jesus left it All we see around are poverty and oppression getting ever wider and deeper as greed and corruption get ever bolder and meaner Obviously Jesus Mission on earth died with him on the cross Jesus must rise For Jesus to rise it calls for a revolution Happy reading [The Jesus Revolution](#) James M. Scott, 2023-02-24 This introduction to a biblical theology of the New Testament seeks to revitalize our engagement with the Scriptures for the twenty first century by showing not only how the assemblage of ancient writings consisting of both Old and New Testaments is intrinsically relevant but also how we can remain faithful to Jesus Christ the organizing principle of those writings in the process The book is an invitation to all people of goodwill believers and unbelievers liberals and conservatives to put aside their differences in order to cooperate in the revolution that Jesus inaugurated the creation of a new and better world in the here and now as an anticipation of the eschatological finale In an age in which many people are overwhelmed by life and looking for ways to cope this book offers fresh perspectives and penetrating insights that are grounded in solid biblical scholarship with the aid of contemporary philosophical concepts [The Jesus Revolution](#) James M. Anderson,2010-09-01 The story of Jesus cannot be contained in a history of 33 years on an ancient strip of land along the eastern shore of the Mediterranean Sea The group of 120 followers Jesus empowered transformed the world with the good news of redemption and reconciliation he preached In this journey through the book of Acts discover the leaps of faith taken by the early church to spread the news of the miracles they d witnessed and the message they d received Their story carries us his current followers into our future Their devotion and perseverance challenges us to step out in faith and make a difference in Jesus name We can experience Jesus presence and power as the early church did and be part of the ongoing movement to change the world with his revolutionary message [http www cokesbury com media video abingdonpress](http://www.cokesbury.com/media/video/abingdonpress)

The Jesus Revolution Hugh F. Pyle,1971 Not by Might Nor by Power Roger Sachs,2017-04-15 **Jesus Revolution 2** Billy Ng,2017-10-12 "Jesus Revolution" Made in U.S.A. Jean Duchesne,1972 Rediscovering the Original Jesus Movement Greg Denham,2024 Today the world is being shaken The recent pandemic has proven to be an accelerator and a revealer of the beliefs that inform people s lives all over the world There is a fast moving trajectory of consequences that come from those beliefs be they good bad or ugly Because we are living in a world that is more global and interdependent than ever before the stakes are only getting higher As author Kent Hughes describes Like the Starship Enterprise when it kicks into warp speed even going to warp ten so that whole galaxies fly by like fence posts an alternate reality is suddenly upon our doorstep 1 What does this alternate reality look like Credentialed medical doctors are poisoning and mutilating physically healthy children the Biblical definition of marriage has been stolen and redefined men are told they can become women and women are told they can become men godless drag queen shows are sanctioned by once trusted local public schools gravely impacting the most vulnerable among us As Dorothy said in the Wizard of Oz We re not in Kansas anymore But the good news is that from chaos can come clarity about the purposes plan and power of God in the lives of Jesus Christ followers And I m convinced that the key to finding clarity in this critical hour is to rediscover the context of the ground floor of the Jesus revolution of first century Jerusalem And that s what this book is all about It is a call to Christians everywhere that the way forward is the way back Being refreshed by the Gospel context will provide for us clarity about not

only God's will and His unstoppable plan but His intended course and power for our lives. It will even course correct the mistakes in church history that have influenced a trajectory of the church that was never intended by Jesus.
