Notes on the Path - Memoirs 1972 to 1997 Larry Flagg, 2017-11-05 In the late 1990s I wrote a few pages for my children and called it My Children s Spiritual Heritage It evolved into a memoir of 25 years of life s sweet and sour twists and turns I saw Master Kirpal Singh in 1972 and recognized His competency but I missed the chance to be initiated by Him My wife and I were initiated in 1977 by Sant Ajaib Singh and I haltingly began to follow the spiritual path My experiences of the following years confirmed the reality of spiritual teachings and the protection the Masters give their disciples The book is suitable for anyone with similar adventures or interests Along with larger themes five short episodes are highlighted as notable Transcriptions book reviews a bibliography and five appendices reflect my desire to preserve what I consider to be important material The inclusion of family photos reflects my love for my children and my Master s love and concern for all
