**The Jewish Messiah** Dan Cohn-Sherbok, 1999      **The God of Sex** Peter Jones, 2006 A placard carried in the San Diego Gay Parade said it all He s your God They re your rules You go to Hell Clearly there is no longer any commonly held ultimate authority So merely quoting Bible verses at gays and other sexual sinners to prove they are immoral is equally unsuccessful if not destructive For the sake of our young people for the sake of our churches for the sake of society and our world Christians must understand the connection of spirituality and sexuality if we are to communicate relevantly to our postmodern culture Jones gives an objective honest appraisal of contemporary sexual trends and puts them up against God s clear and beautiful design for sex as a spiritual expression Features and Benefits Helps Christians break out of typical parameters to help them understand and relevantly engage the culture Nonbelievers will find this book objective and non offensive fairly representing postmodern worldviews Thorough index and bibliography makes this book a powerful resource tool      *Samuel Hirsch* Judith Frishman, Thorsten Fuchshuber, 2022-10-24 Rabbi Samuel Hirsch Thalfang 1815 Chicago 1889 was instrumental in the development of Reform Judaism in Europe and the USA This volume is the first lengthy publication devoted to this striking personality whose significance was no less than that of his contemporaries Abraham Geiger and David Einhorn En route from Thalfang via Dessau and Luxembourg to Philadelphia Hirsch left his mark on societal religious and philosophical developments in manifold ways By the time he was appointed Chief Rabbi of the Jewish community in Luxembourg in 1843 he had already written many of his most important works on the philosophy of religion In them he engaged in debate with the Young Hegelians on the importance of Judaism the religion that more than any other enabled the human actualization of freedom so central to Hegel s philosophy Over time Hirsch took an increasingly radical stance on issues such as Jewish rituals and mixed marriage The goal of his reforms was not assimilation He strove to strengthen Judaism to meet the demands of modernity and enable its survival in the modern era Hirsch s story is key to understanding the transnational history of Reform Judaism and the struggle of Jews to secure a place in history and society      **Future of Denial** Tad Delay, 2024-04-09 Tad DeLay is one of the most important and disquieting theorists of consciousness and politics writing today His work is indispensable China Mi ville author of *October* Capitalism is an ecocidal engine constantly regenerating climate change denial The age of denial is over we are told Yet emissions continue to rise while gimmicks graft and green washing distract the public from the climate violence suffered by the vulnerable This timely interdisciplinary contribution to the environmental humanities draws on the latest climatology the first shoots of an energy transition critical theory Earth s paleoclimate history and trends in border violence to answer the most pressing question of our age Why do we continue to squander the short time we have left The symptoms suggest society s inability to adjust is profound Near Portland militias incapable of accepting that the world is warming respond to a wildfire by hunting for imaginary left wing arsonists Europe erects nets in the Aegean Sea to capture migrants fleeing drought and war An airline claims to be carbon neutral thanks to

bogus cheap offsets Drone strikes hit people living along the aridity line Yes Exxon knew as early as the 1970s but the fundamental physics of carbon dioxide warming the Earth was already understood before the American Civil War Will capitalists ever voluntarily walk away from hundreds of trillions of dollars in fossil fuels unless they are forced to do so And if not who will apply the necessary pressure      **The History of the Jews (All Six Volumes)** Heinrich Graetz,2023-11-22

**History of the Jews (Volume 3 of 6)** Heinrich Graetz,2015-06-16 History of the Jews Volume 3 of 6 Hardly had the Jews recovered from the long and horrible persecution to which they had been subjected by King Firuz when they were overtaken by fresh storms which subverted the work of three centuries Firuz had been followed by his brother who reigned a short time and was succeeded by Kobad Kovad Cabades The latter was a weak king not without good qualities but he allowed himself to become the tool of a fanatic and was prevailed upon to institute religious persecutions There arose under this monarch a man who desired to reform the religion of the Magi and make it the ruling faith Mazdak for that was the name of

this reformer of Magianism believed that he had discovered a means of promoting the promised victory of Light over Darkness of Ahura Mazda over Angromainyus He considered greed of property and lust after women the causes of all evil among men and he desired to remove these causes by introducing community of property and of women even allowing promiscuous intercourse among those related by ties of consanguinity In Mazdak s opinion it was on the foundation of communistic equality that the edifice of Zoroaster s doctrine could most safely be raised As he led a virtuous and ascetic life and was very earnest in his endeavors to reform he soon succeeded in gaining numerous adherents about the year 501 who availed themselves of these advantageous liberties and called themselves Zendik or true believers of the Zend King Kobad himself became Mazdak s faithful disciple and supporter He issued a decree commanding all the inhabitants of the Persian Empire to accept the doctrines of Mazdak and to live in accordance therewith The lower classes became the most zealous of Zendiks they promptly appropriated the possessions of the rich and such of the women as pleased them Thus there arose a confusion of the ideas of right and wrong of virtue and vice such as had never been known in the history of nations Finally the Persian nobles dethroned this communistic king and threw him into prison but when Kobad escaped from confinement and by the aid of the Huns was again placed in possession of his dominions they were unable to prevent Mazdak s adherents from renewing their licentious conduct Many children born during Kobad s reign were of doubtful paternity and no one could be certain of the peaceful enjoyment of his property
