The Jews Of Silence:

The Jews of Silence Elie Wiesel, 1968 Originally written as a series of Hebrew articles for Yedioth Ahronoth an Israeli evening newspaper Dust jacket **The Jews of Silence** Elie Wiesel, 1987-01-13 In the fall of 1965 the Israeli newspaper Haaretz sent a young journalist named Elie Wiesel to the Soviet Union to report on the lives of Jews trapped behind the Iron Curtain I would approach Jews who had never been placed in the Soviet show window by Soviet authorities wrote Wiesel They alone in their anonymity could describe the conditions under which they live they alone could tell whether the reports I had heard were true or false and whether their children and their grandchildren despite everything still wish to remain Jews From them I would learn what we must do to help or if they want our help at all What he discovered astonished him Jewish men and women young and old in Moscow Kiev Leningrad Vilna Minsk and Tbilisi completely cut off from the outside world overcoming their fear of the ever present KGB to ask Wiesel about the lives of Jews in America in Western Europe and most of all in Israel They have scant knowledge of Jewish history or current events they celebrate Jewish holidays at considerable risk and with only the vaguest ideas of what these days commemorate Most of them come to synagogue not to pray Wiesel writes but out of a desire to identify with the Jewish people about whom they know next to nothing Wiesel promises to bring the stories of these people to the outside world And in the home of one dissident he is given a gift a Russian language translation of Night published illegally by the underground My God I thought this man risked arrest and prison just to make my writing available to people here I embraced him with tears in my eyes The Jews of Silence Elie Wiesel, 1985* The Jews of Silence Eliezer Wiesel, 1952 **Jews of Silence** Eric Wiesel, 1966 *The Jews of Silence* Elie Wiesel, 1987 **Elie Wiesel** Robert McAfee Brown, 1983-01-15 Upon presenting the 1986 Nobel Prize for Peace to Elie Wiesel Egil Aarvick chairman of the Norwegian Nobel Prize Committee hailed him as a messenger to mankind not with a message of hate and revenge but with one of brotherhood and atonement Elie Wiesel Messenger to All Humanity first published in 1983 echoes this theme and still affirms that message a call to both Christians and Jews to face the tragedy of the Holocaust and begin again In Quest of the Jewish Mary Mary Christine Athans, 2013 Jesus was born and raised as a Jew in first century Palestine A great deal of theological study has focused on the Jewish cultural and religious context of his life and ministry It is only natural that this attention should lead us to a new approach to his mother Mary of Nazareth In this book Mary Christine Athans draws on historical research the fruits of post Vatican II Jewish Christian dialogue the insights of feminist theology and contemporary spiritual reflection to rediscover the Jewish Mary a woman of enormous courage strength and prayer **(((Semitism)))**: **Being Jewish in America in the Age of Trump** Jonathan Weisman, 2018-03-20 A short contemplation on how Jews are viewed in America since the election of Donald J Trump and how we can move forward to fight anti-Semitism **Jewish Culture and Identity in the Soviet Union** Yaacov Ro'i, Avi Beker, 1991 Over ten years ago Benjamin Fain a physicist now living in Tel Aviv attempted to hold a conference on Jewish culture in Moscow an effort that

was foiled by the KGB Many of the participants were eventually able to flee most emigrating to Israel In this book these distinguished scholars and others from around the world present their personal and professional views of Jewish culture in the Soviet Union The book explores a wide range of topics including underground literature religious revival and the rise of a national Jewish consciousness Some writers claim that the refuseniks are not the leaders of the Soviet Jews but rather an isolated minority with most Jews being assimilated acculturated and uninterested in fleeing Other essayists look at the ambivalent role traditionally played by the Soviet Union in both allowing some forms of cultural expression and suppressing any efforts at individual religious practice Others explore the revival of Jewish culture as instanced by underground teaching of Hebrew A major debate involves the Nature of Jewish emigration whether the Jews will go to Israel or to America **The Jewish Veteran** ,1978 **American Jewish Year Book 2021** Arnold Dashefsky,Ira M. Sheskin,2022-08-27 Across three centuries AJYB has provided insight into major trends Part I of the current volume contains two chapters on Jewish Americans in 2020 by the Pew Research Center including reactions from 16 prominent social scientists Subsequent chapters analyze the development of Holocaust consciousness in America recent domestic and international events as they affect the American Jewish community and the demography and geography of the US Canada and world Jewish populations Part II provides lists of Jewish institutions including federations community centers social service agencies national organizations camps museums and Israeli consulates The final chapters present lists of Jewish periodicals and broadcast media Jewish Studies programs books journals articles websites research libraries and academic conferences and lists of major events in the past year Jewish honorees and obituaries This volume employs an accessible style making it of interest to public officials Jewish professional and lay leaders as well as the general public and academic researchers For more than 120 years the American Jewish Year Book has served as an indispensable resource for scholars clergy and lay leaders providing crucial detailed insights into demographic shifts and sociological trends in the North American Jewish community The latest edition continues to fulfill these important needs with essential articles on the landmark Pew Report and the impact of the Holocaust in the American Jewish community and American in general This is a must have volume for any serious student of the contemporary Jewish world Jeffrey Shoulson Senior Vice Provost for Academic Affairs Professor of Literatures Cultures and Languages and English Director Emeritus Center for Judaic Studies and Contemporary Jewish Life University of Connecticut The American Jewish Year Book is a critical snapshot of Jews and Jewish Studies in the United States in a particular year and a valuable resource for scholars studying the changes in Jewish communities and Jewish Studies in the United States and beyond over time The AJYB highlights major publications and data that are consistently used in research and its scholarly essays contextualize the information in an easily readable context The lists of important institutions and organizations are invaluable for someone interested in the broader Jewish experience or at the most practical a Jewish organization in their neighborhood Michelle Margolis Chesner Norman E Alexander Librarian for Jewish Studies Columbia University **History**
