The John A Macdonald Album:

The John A. Macdonald Album Lena Newman, 1974 *The John A. MacDonald album*, 1974 John A Richard J. Gwyn, 2009-03-18 The first full scale biography of Canada's first prime minister in half a century by one of our best known and most highly regarded political writers The first volume of Richard Gwyn's definitive biography of John A Macdonald follows his life from his birth in Scotland in 1815 to his emigration with his family to Kingston Ontario to his days as a young rising lawyer to his tragedy ridden first marriage to the birth of his political ambitions to his commitment to the all but impossible challenge of achieving Confederation to his presiding with his second wife Agnes over the first Canada Day of the new Dominion in 1867 Colourful intensely human and with a full measure of human frailties Macdonald was beyond question Canada's most important prime minister This volume describes how Macdonald developed Canada's first true national political party encompassing French and English and occupying the centre of the political spectrum To perpetuate this party Macdonald made systematic use of patronage to recruit talent and to bond supporters a system of politics that continues to this day Gwyn judges that Macdonald if operating on a small stage possessed political skills of manipulation and deception as well as an extraordinary grasp of human nature of the same calibre as the greats of his time such as Disraeli and Lincoln Confederation is the centerpiece here and Gwyn's commentary on Macdonald's pivotal role is original and provocative But his most striking analysis is that the greatest accomplishment of nineteenth century Canadians was not Confederation but rather to decide not to become Americans Macdonald saw Confederation as a means to an end its purpose being to serve as a loud and clear demonstration of the existence of a national will to survive The two threats Macdonald had to contend with were those of annexation by the United States perhaps by force perhaps by osmosis and equally that Britain just might let that annexation happen to avoid a conflict with the continent's new and unbeatable power Gwyn describes Macdonald as Canada's first anti American And in pages brimming with anecdote insight detail and originality he has created an indelible portrait of the irreplaceable man the man who made us Macdonald hadn't so much created a nation as manipulated and seduced and connived and bullied it into existence against the wishes of most of its own citizens Now that Confederation was done Macdonald would have to do it all over again having conjured up a child nation he would have to nurture it through adolescence towards adulthood How he did this is however another story He never made the least attempt to hide his vice unlike say his contemporary William Gladstone with his sallies across London to save prostitutes or Mackenzie King with his crystal ball gazing Not only was Macdonald entirely unashamed of his behaviour he often actually drew attention to it as in his famous response to a heckler who accused him of being drunk at a public meeting Yes but the people would prefer John A drunk to George Brown sober There was no hypocrisy in Macdonald's make up nor any fear from John A Macdonald **John A.: 1815-1867** Richard J. Gwyn, 2007 But it wasn't easy The wily Macdonald faced constant crises throughout these years from Louis Riel's two rebellions through to the Pacific Scandal that almost undid his government and his quest to find the

spine of the nation the railroad that would link east to west Gwyn paints a superb portrait of Canada and its leaders through these formative years and also delves deep to show us Macdonald the man as he marries for the second time deals with the birth of a disabled child and the assassination of his close friend Darcy McGee and wrestles with whether Riel should hang

pub desc v 2 **Macdonald** Roy MacSkimming,2010-08-21 In the grand literary tradition of Gore Vidal s novels about American political history Roy MacSkimming has conjured an extraordinary novelistic recreation of the last days of Canada s indomitable first Prime Minister Sir John A Macdonald Narrated by his private secretary Joseph Pope Macdonald opens with stirring scenes of Sir John fighting his last great election battle on issues that uncannily echo our national concerns today The year is 1891 and there is a very real fear of absorption by the United States Meanwhile a political scandal in Quebec threatens to topple Sir John s government Exhausted by his electoral victory the old leader fights to keep his iron grip over his party and life itself Joseph Pope renders his chief in intimate detail reveling the immense charm and personal magnetism that gave Macdonald such mastery over people and events As the novel moves majestically towards his final hours Sir John himself addresses the reader directly reflecting on his past and present The spellbinding narrative features a memorable cast of characters ranging from President Ulysses S Grant Louis Riel and Sir Wilfrid Laurier to Macdonald s feisty second wife Lady Agnes Macdonald and their disabled daughter Mary Convincingly grounded in the political and personal passions of the day Macdonald delivers a brilliant and exciting portrait of a young emerging nation and its greatest champion At once seductively evocative and emotionally engaging this is historical fiction at its best **John A. MacDonald** Donald Creighton,2018-06-11 First published in 1952 and 1955 John A Macdonald The Young Politician The Old Chieftain remains a classic in Canadian arts and letters Described as the greatest biography ever written in Canada it earned Donald Creighton two Governor General s Awards In 2013 the Toronto Review of Books recommended it to anyone who wished to become a better Canadian In this book Creighton examines the public and private lives of Canada s first prime minister his victories and defeats as well as his joys and pains A gifted writer Creighton takes the reader back in time to the nineteenth century the road to Confederation and the building of the railway Along the way he visits Kingston Quebec Charlottetown Ottawa and London following his hero from a few rooms above his father s shop in Kingston to the corridors of power in England including the magnificent Highclere Castle where much of the British North America Act was written This edition includes a new introduction by Creighton s biographer Donald Wright and by Peter Waite Creighton s very first doctoral student

Canada's Founding Debates Janet Ajzenstat, 2003-01-01 Canada s Founding Debates is about Confederation about the process that brought together six out of the seven territories of British North America in the years 1864-73 to form a country called Canada It presents excerpts from the debates on Confederation in all of the colonial parliaments from Newfoundland to British Columbia and in the constituent assembly of the Red River Colony The voices of the powerful and those of lesser note mingle in impassioned debate on the pros and cons of creating or joining the new country and in defining its nature In short explanatory essays and provocative annotations the editors sketch the historical context of the debates and draw out the significance of what was said By organizing the debates thematically they bring out the depth of the founders concern for issues that are as vital today as they were then the meaning of liberty the merits of democracy the best form of self government the tension between collective and individual rights the rule of law the requirements of political leadership and of course the nature of Canadian nationality Canada s Founding Debates offers a fresh and often surprising perspective on Canada s origins history and political character Previously published by Stoddart Publishing 1999

George-Etienne Cartier Brian Young, 1981-12-01 Through the use of new sources this study gives

prominence to Cartier's business, social and family milieu. It examines his emergence as a corporation lawyer, company director, landlord and railway promoter as well as his political battles with his in-laws, his disintegrating marriage and his long liaison with the unorthodox Luce Cuvillier. A rebel and political exile in 1837, Cartier by the 1850s was a member of the militia, a government minister and a perennial defender of British traditions. His solid conservatism brought him support and rewards from the English-speaking bourgeoisie, the Grand Trunk Railway and the Seminary of Montreal. After confederation, Cartier's political energies lessened and his interest turned to his country estate and to pleasures of the table, drawing room and stable. His degenerative disease and his alienation from his working-class voters in east-end Montreal made him vulnerable to his opponents and his life ended in political defeat and implication in the Pacific scandal. His career, Young concludes, illustrates the development of bourgeois hegemony in Montreal after 1840 and the progressive integration of institutional, political and economic structures to preserve that power.

YesterCanada Elma Schemenauer, *Feasting and Fasting* Dorothy Duncan, 2010-10-25 Long before the arrival of newcomers, the First Nations were celebrating the passages of life, the changing seasons and the gifts of the Great Spirit with feasting. When settlers from around the world arrived on Canada's shores, they brought with them the memories and traditions of their homelands. Diverse and unique culinary histories began to develop as the newcomers were unable to find some of their traditional ingredients and were forced to compromise. Wild game, fruit, plants, grains, vegetables and maple sugar were often transformed from survival foods to the foods of celebration.

In Mixed Company Julia Roberts, 2009-07 A fascinating exploration of the tavern as a significant and fluid social space in colonial Canada.

Syllables of Recorded Time Lyn Harrington, 1981-08-01 *Syllables of Recorded Time* is a lively look at the development over the last six decades of a national authors' association with all its problems and foibles. Personalities such as Bliss Carman, Nellie McClung, Stephen Leacock, B. K. Sandwell, W. A. Deacon, Mazo de la Roche, John Murray Gibbon, Helen Chreighton, Watson Kirkconnell, Charles G. D. Roberts and Duncan Campbell Scott figure prominently in the amusing anecdotes of the early days and Hugh MacLennan, Pierre Berton, Dorothy Livesay and Arthur Hailey in the later years. *Syllables of Recorded Time* highlights the discussions and legalities regarding issues of copyright, contracts, women's role, cultural domination by Britain and the U.S.A., government funding and markets for writers. It tells why there was a spinoff of specialized interests including the Canadian Writers Foundation, the League of Poets, the Governor General's Awards, the Canadian Copyright Institute, the Canadian Society of Children's Authors, Illustrators and Performers and the Writers Union of Canada. Harrington vividly portrays all facets of the organization in this valuable resource book.
