The Judas Cloak:

The Judas Cloak Walter Winward,1990 Judas Cloak Winward Walter Winward,1999-12-31 *Feeling Persecuted* Anthony Bale,2012-01-01 In *Feeling Persecuted* Anthony Bale explores the medieval Christian attitude toward Jews which included a pervasive fear of persecution and an imagined fear of violence enacted against Christians As a result Christians retaliated with expulsions riots and murders that systematically denied Jews the right to religious freedom and peace Through close readings of a wide range of sources Bale exposes the perceived violence enacted by the Jews and how the images of this Christian suffering and persecution were central to medieval ideas of love community and home The images and texts explored by Bale expose a surprising practice of recreational persecution and show that the violence perpetrated against medieval Jews was far from simple anti Semitism and was in fact a complex part of medieval life and culture Bale s comprehensive look at medieval poetry drama visual culture theology and philosophy makes *Feeling Persecuted* an important read for anyone interested in the history of Christian Jewish relations and the impact of this history on modern culture

The Beauty of Holiness Brian Leslie Bishop,2020-01-07 In this book Brian Bishop simply pauses to look at fifty seven beautiful images that feature the life and death of Jesus and the supper at which he appeared three days after his burial to two broken hearted disciples He finds the visual approach to the gospel stories rewarding and attempts to place the paintings in some historical context as an aid to understanding but essentially offers pauses for thought and reflection upon world changing events The book may be dipped into as time and interest allows The beautifully produced color images of wonderful works of art provide constant companionship Destiny and Decision Fred R. Zimmerman,2013-08-06 In this autobiography of a Christian minister Fred R Zimmerman tells the story of his life on the stage of world events that affected him either directly or indirectly Born to be a minister he first became aware of his calling early on in his boyhood Orphaned at eighteen months during the flu pandemic of 1918 19 he was fortunate enough to be adopted by a childless couple In their capacity as committed church going Christians he was wisely nurtured in his mission to become a minister During his college and seminary years crises accompanying this destiny began to arise As his ministry developed through the years destiny and decision became the yoke Matthew 11 27 30 under which he exercised the burden of being a pastor This is therefore a story not primarily of a person but of a God appointed ministry **The Costessey Collection of Stained Glass** Grosvenor

Thomas,Maurice Drake,1920 **The Gospel of St. John** NA NA,2016-04-30 With words that echo the Old Testament story of creation St John sets his story of Christ in the cosmic framework of God s plan to save the world from the power of darkness More than any other gospel writer John illuminated the life of Jesus in an interesting way In this book John s gospel is presented along with commentary from well known Biblical scholars and a foreword by Piers Paul Read *A Concordance to the Plays of Shakespeare* William Henry Davenport Adams,1891 **Maccabee** David C. Carson,2007 The year is 167 BCE The bloodthirsty Syrian king Antiochus IV has reneged on the promise of religious freedom made to the Jews by his forebear

Alexander the Great Antiochus sets out to abolish every semblance of Jewish religion and culture replacing it with the revered ways of the Greeks Hundreds are slaughtered in the courts of the temple as they resist the king s desecration of their altar Antiochus changes the face of Jerusalem erecting a gymnasium where the men follow the common Greek practice of exercising nude Many of the young Jewish men betray their heritage by having their circumcisions surgically reversed to hide their distinction as Jews One elderly priest determines it would be better to die than see their nation thus corrupted With his five sons Mattathias ben Hasmoneus launches a guerilla war against the hated Syrians Judas his middle son proves to be the genius in battle and becomes known throughout Judea as the Maccabee the hammer As Judas leads the nation in the struggle for freedom one of his continuing motivations is love for the woman promised him since childhood but who has been caught in the midst of the conflict Only when Jerusalem is delivered from the Syrians can she become his Maccabee draws extensively on the ancient writings of Josephus and the apocryphal works 1 and 2 Maccabees An additional chapter has been placed at the end of Maccabee Author s Historical Notes for those interested in separating the fiction from the actual events

El Santo Ermitaño (The Holy Hermit) David Salazar,2012-06-04 Some of my earliest memories were of my Grandparents telling stories about The Santo Ermitano The Holy Hermit the miracles he performed and the legend he created I could only find a few excerpts of his life on this continent It has been over 150 years since he died I have spent years since my childhood wondering who he was and where he came from Most of his story as I see it has been a fantasy to me The facts of his travels here in the US and the way that he died are documented and based in reality **Catalogue of Prints and Drawings in the British Museum: June 1689 to 1733** British Museum. Department of Prints and Drawings,1873 **Bartimaeus, the Blind Beggar of Jericho** George V. Sabol,2024-10-02 Bartimaeus is the name of the blind beggar that was cured by Jesus at the gate of Jericho as Jesus traveled to Jerusalem where he was to be crucified a few days later Although the gospels have many accounts of cures by Jesus the cure of Bartimaeus is told in the synoptic gospels of Matthew Mark and Luke Why did the three gospel writers include the same miracle narrative in their gospels and most interesting why are Bartimaeus and his father Timaeus named in the gospel Could it be that Bartimaeus had a greater role in the early Christian church a role that was known by the apostles but was not disclosed possibly to avoid repercussions from the enemies of the church The question of who Bartimaeus was and what role he played in the early church is the basis of the story Bartimaeus s father Timaeus is a soldier in the palace guard of King Herod the Great at the time of the birth of Jesus Timaeus unknowingly becomes a participant in the slaughter of the baby boys in Bethlehem at the order of Herod After Timaeus discovered that Herod had ordered that tragic slaughter he disappeared as he returned home to his wife and newly born twin boys Bartimaeus and Barariel in Jericho Bartimaeus is raised by his mother in Jericho on the family horse breeding farm Like his father Bartimaeus becomes a soldier for Herod Antipas He is struck blind in a fall from a horse and because of that blindness Bartimaeus is labeled a sinner by his brother in law a fanatic Pharisee Saul who is later to become Paul the apostle During

his blindness being rejected by his wife Gamela due to the condemnation of her brother Saul he is cared for by Monica the widow of his twin brother In their mutual grief Bartimaeus and Monica struggle with their love for each other Three years after being blinded Bartimaeus is cured at the gate of Jericho as Jesus passed by on his way to Jerusalem Jesus quickly departed after the cure and Bartimaeus was unable to thank Jesus A few days later Bartimaeus traveled to Jerusalem to find Jesus and to thank him only to discover that Jesus had been crucified With the help of the apostles Bartimaeus learned of Jesus and is a participant in the early events of the apostles in Jerusalem as related in the Acts of the Apostles When Saul is struck blind as he traveled to Damascus to arrest the early Christians Bartimaeus now a follower of Jesus is sent by Peter to determine if the reports of Saul now calling himself Paul and preaching in the synagogue are true Bartimaeus helps Paul escape from Damascus with the help of a man and his sons sneaking Paul out of the house through the streets of Damascus and over the wall in a basket Bartimaeus draws the enemies of Paul away as he flees Damascus in a daring horse escape disguised as Paul The mystery of the disappearance of Timaeus is interwoven in the story and is eventually revealed to Bartimaeus challenging his newfound Christian life The man responsible for his father's death must be forgiven and in so doing Bartimaeus finds the grace to save the life of his adversary The story is one of Bartimaeus's struggle to learn of Jesus and through that conversion to be an agent of good in the lives of others including his brother in law Paul The author has maintained historical and biblical fact where possible while constructing a Christian novel intertwining fictional characters into the gospel narrative of the apostles The author an experienced horse trainer and competitor incorporates horsemanship into the story and horses are key elements in the escape of Paul from Damascus

The Congregationalist Robert William Dale, James Guinness Rogers, 1878 Proving History Richard C. Carrier, 2012-04-03 This in depth discussion of New Testament scholarship and the challenges of history as a whole proposes Bayes's Theorem which deals with probabilities under conditions of uncertainty as a solution to the problem of establishing reliable historical criteria The author demonstrates that valid historical methods not only in the study of Christian origins but in any historical study can be described by and reduced to the logic of Bayes's Theorem Conversely he argues that any method that cannot be reduced to this theorem is invalid and should be abandoned Writing with thoroughness and clarity the author explains Bayes's Theorem in terms that are easily understandable to professional historians and laypeople alike employing nothing more than well known primary school math He then explores precisely how the theorem can be applied to history and addresses numerous challenges to and criticisms of its use in testing or justifying the conclusions that historians make about the important persons and events of the past The traditional and established methods of historians are analyzed using the theorem as well as all the major historicity criteria employed in the latest quest to establish the historicity of Jesus The author demonstrates not only the deficiencies of these approaches but also ways to rehabilitate them using Bayes's Theorem Anyone with an interest in historical methods how historical knowledge can be justified new applications of Bayes's Theorem or the study of

the historical Jesus will find this book to be essential reading *Art and the Reformation* George Gordon Coulton,1928

A Corpus of Rembrandt Paintings J. Bruyn,B. Haak,S.H. Levie,P.J.J. van Thiel,2012-12-06 Since the second half of the last century art historians realizing that the image of Rembrandt s work had become blurred with time have attempted to redefine the artist s significance both as a source of inspiration to other artists and as a great artist in his own right In order to carry on the work started by previous generations a group of leading Dutch art historians from the university and museum world joined forces in the late 1960s in order to study afresh the paintings usually ascribed to the artist The researchers came together in the Rembrandt Research Project which was established to provide the art world with a new standard reference work which would serve the community of art historians for the nearby and long future They examined the originals of all works attributed to Rembrandt taking full advantage of today s sophisticated techniques including radiography neutron activation autoradiography dendrochronology and paint sample analysis thereby gaining valuable insight into the genesis and condition of the paintings The result of this meticulous research is laid down chronologically in the following Volumes THIS VOLUME A Corpus of Rembrandt Paintings Volume I which deals with works from Rembrandt s early years in Leiden 1629 1631 published in 1982 A Corpus of Rembrandt Paintings Volume II covering his first years in Amsterdam 1631 1634 published in 1986 A Corpus of Rembrandt Paintings Volume III goes into his later years of reputation 1635 1642 published in 1990 Each Volume consists of a number of Introductory Chapters as well as the full Catalogue of all
