The Justice Factory Ian Mitchell, 2014-03-07 The Justice Factory is the book the judges tried to ban It lifts the veil on the personality of the senior judges in Scotland while explaining how they relate to the American and English traditions of judging The reason for the attempted ban is that this is the first book to be published in the English speaking world about the personality of judges and the practice of judging which relies for its primary source on the judges themselves It is a novel attempt to see the rule of law and the threats to it from the point of view of those who have to defend it Despite this one of the most senior judges in recent British history wrote to me after reading the book saying All in all a very interesting although rather mischievous book Thank you for bringing it to my attention Lord Hope an ex Lord President of the Court of Session and Deputy President of the Supreme Court of the United Kingdom

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
