The New Milford Story:

The Story of New Milford, New Jersey, 1964 *History of the Towns of New Milford and Bridgewater, Connecticut, 1703-1882* Samuel Orcutt, 1882 *Agnon's Story* Avner Falk, 2018-10-22 Agnon's Story is the first complete psychoanalytic biography of the Nobel Prize winning Hebrew writer S Y Agnon It investigates the hidden links between his stories and his biography Agnon was deeply ambivalent about the most important emotional objects of his life in particular his father teacher his ailing depressive and symbiotic mother his emotionally fragile wife whom he named after her and his adopted home land of Israel Yet he maintained an incredible emotional resiliency and ability to sublimate his emotional pain into works of art This biography seeks to investigate the emotional character of his literary canon his ambivalence to his family and the underlying narcissistic grandiosity of his famous modesty God's Forever Family Larry Eskridge, 2013-05-31 Winner of the 2014 Christianity Today Book of the Year First Place Winner of the Religion Newswriters Association's Non fiction Religion Book of the Year The Jesus People movement was a unique combination of the hippie counterculture and evangelical Christianity It first appeared in the famed Summer of Love of 1967 in San Francisco's Haight Ashbury district and spread like wildfire in Southern California and beyond to cities like Seattle Atlanta and Milwaukee In 1971 the growing movement found its way into the national media spotlight and gained momentum attracting a huge new following among evangelical church youth who enthusiastically adopted the Jesus People persona as their own Within a few years however the movement disappeared and was largely forgotten by everyone but those who had filled its ranks God's Forever Family argues that the Jesus People movement was one of the most important American religious movements of the second half of the 20th century Not only do such new and burgeoning evangelical groups as Calvary Chapel and the Vineyard trace back to the Jesus People but the movement paved the way for the huge Contemporary Christian Music industry and the rise of Praise Music in the nation's churches More significantly it revolutionized evangelicals relationship with youth and popular culture Larry Eskridge makes the case that the Jesus People movement not only helped create a resurgent evangelicalism but must be considered one of the formative powers that shaped American youth in the late 1960s and 1970s *Genealogical and Family History of Central New York* William Richard Cutter, 1912 *The Bibliographer's Manual of American History: General index. 1910* Stanislaus Vincent Henkels, 1910 **Genealogical and Family History of Western New York** William Richard Cutter, 1912 **Historical and Genealogical Works** Daughters of the American Revolution.
