The Sins of Scripture John Shelby Spong, 2005-04-12 As Spong exposes and challenges what he calls the terrible texts of the Bible laying bare the evil done by them in the name of God he also seeks to redeem these texts hoping to recover their ultimate depth and purpose

The Sins of Scripture John Shelby Spong, 2009-10-13 In the history of the Western World the Bible has been a perpetual source of inspiration and guidance for countless Christians However this Bible has also left a trail of pain It is undeniable that the Bible is not always used for good Sometimes the Bible can seem overtly evil Sometimes its texts are terrible Bishop John Shelby Spong boldly approaches those texts that have been used through history to justify the denigration or persecution of others while carrying with them the implied and imposed authority of the claim that they were the Word of God As he exposes and challenges what he calls the terrible texts of the Bible laying bare the evil done by these texts in the name of God he also seeks to redeem these texts hoping to recover their ultimate depth and purpose Spong looks specifically at texts used to justify homophobia anti-Semitism treating women as second class humans corporal punishment and environmental degradation but he also delivers a new picture of how Christians can use the Bible today As Spong battles against the way the Bible has been used throughout history he provides a new framework introducing people to a proper way to engage this holy book of the Judeo-Christian tradition

Beyond Biblical Theology Timo Eskola, 2013-10-02 Reading Heikki Rönkä's hermeneutics in context Timo Eskola explores the development of Western New Testament interpretation Reclaiming a Wredean approach to the Scriptures Rönkä focuses on tradition and interpretation He builds on Weberian sociology adopted through Peter Berger's theories and substitutes sacralized culturalism for biblical theology After examining fourteenth century Quran criticism and its impact on Reimarus Eskola discusses the genesis of the revised history of religion theory that Rönkä developed when investigating the Quran's relationship to the Bible Sociology then becomes a link between standard historicism and poststructuralism as Rönkä reinterprets Berger's sociology of knowledge Rönkä's sacralized culturalism finally becomes the theory from which his magnum opus *The Rise of Christian Beliefs* has been written

Ever Moving On Robert V. Rakestraw,2022-03-30 There is a biblically revealed sequential plan of God for the duration of every human life the knowledge of which should profoundly impact and enliven each one of us who is able to understand and embrace it in a heartfelt way The purpose of this book therefore is to inform readers of God s plans for and claims upon human beings from before their birth and continuing through their existence to the final judgment and beyond Each reader can then seriously consider their way of life now in view of the things to come The author identifies seven sequential stages in every person s life journey the majority of which occur beyond the grave Written shortly before its writer passed away this little book nonetheless exudes a spirit of joy as its author his sufferings notwithstanding leaned forward full of expectation and without fear into the glorious future promised to everyone who loves and serves their Lord Jesus now Rakestraw shares the secret to investing a brief earthly life well Like the venerable John Bunyan writer of the devotional classic *Pilgrim s Progress* Rakestraw points the way to our eternal home *A Model of Christian Maturity* D.
