Sioux Stampede Jon Sharpe,1999 Skye Fargo finds himself in over his head when he takes two dangerous jobs delivering a herd of valuable Scotch Highland cattle to an ambitious rancher and training inexperienced troops as Indian fighters either of which could get him killed *Opening the Iron Trail* Edwin Legrand Sabin,1919 **The Company of Adventurers** Isaac Cowie,1913 Explorer's Guide South Dakota Marion L. Head,2009-06 A definitive visitor's guide to the beauty and tranquility of South Dakota covering not only historical sites and tourist attractions but also hiking hunting fishing and camping as well as other forms of outdoor exploration The first and most comprehensive guide to South Dakota highlights the state's natural beauty and includes coverage of its major historical sites and tourist attractions from Mount Rushmore and Deadwood to the Black Hills The guide is especially family friendly outlining free or inexpensive activities as well as little known treasures that were discovered through personal experience and research on the ground As in all Explorer's Guides this book includes up to date maps and handy icons that point out places of extra value family and pet friendly establishments those that provide wheelchair access and even selective shopping and special events listings The Yellowlegs Richard Wormser,2019-04-30 The colorful action packed early history of the horse riding branch of the U S Army In this comprehensive and lively account Richard Wormser who was himself an enthusiastic horseman narrates the major events and characters of the U S Cavalry's formative and some might say fruitful years From the American Revolution and the exploits of men such as Henry Light Horse Harry Lee III and Francis Marion the first of the guerrillas the author follows on with Stephen Kearny the Father of the Cavalry whose dragoons went west to California on mules and his nephew Philip who organized the famed Gray Horse Troop of the Mexican War Other famous names featured include Jonathan Stonewall Jackson George Crook who admired the Indians it was his duty to hunt down and George Armstrong Custer A U S Army officer and cavalry commander who served with distinction in the American Civil War Custer is most remembered for leading more than 200 of his men to their deaths in the Battle of the Little Bighorn in June 1876 Also known as Custer's Last Stand Bighorn was part of the Black Hills War against a confederation of Plains Indians including the Cheyenne and Dakota Sioux It remains one of the most controversial battles in American history Roosevelt's Roughriders and Black Jack Pershing who led his troops in an automobile complete the narrative one which is undoubtedly a saga of daring raids of epic marches and of grueling battles As the author reveals the story of the U S Cavalry is also the story of the birth and growth of America itself Buffalo Bill on the Silver Screen Sandra K. Sagala,2013-08-13 For more than thirty years William F Buffalo Bill Cody entertained audiences across the United States and Europe with his Wild West show Scores of books have been written about Cody's fabled career as a showman but his involvement in the film industry following the dissolution of his traveling show is less well known In Buffalo Bill on the Silver Screen Sandra K Sagala chronicles the fascinating story of Cody's venture into filmmaking during the early cinema period In 1894 Thomas Edison invited Cody to bring some of the Wild West performers to the inventor's

kinetoscope studio From then on as Sagala reveals Cody was frequently in the camera's eye eager to participate in the newest and most popular phenomenon of the era the motion picture In 1910 promoter Pliny Craft produced *The Life of Buffalo Bill* a film in which Cody played his own persona After his Wild West show disbanded Cody fully embraced the film business seeing the technology as a way to recoup his financial losses and as a new vehicle for preserving America's history and his own legacy for future generations Because he had participated as a scout in some of the battles and skirmishes between the U S Army and Plains Indians Cody wanted to make a film that captured these historical events Unfortunately for Cody *The Indian Wars* 1913 was not a financial success and only three minutes of footage have survived Long after his death Cody's legacy lives on through the many movies that have featured his character Sagala provides a useful appendix listing all of these films as well as those for which Cody himself took an active role as director producer or actor Published on the eve of the centennial anniversary of *The Indian Wars* this engaging book offers readers new insights into the legendary figure's life and career and explores his lasting image in film
