## **Sir Gawain The Green Knight Piers The:**

**Piers Plowman** William Langland, J. A. Burrow, 2001 The magnificent heritage of English poetry before Chaucer is often neglected because of difficulties with unfamiliar dialect These translations reveal what we are missing if we ignore it Piers Plowman belongs to the tradition of medieval allegory but without any of the stuffiness that label suggests It paints a vivid picture of everyday life in the 14th century with a vigour and detail which anticipates The Canterbury Tales However the jewel in the crown of Middle English verse is Sir Gawain and the Green Knight here presented in the classic version by JRR Tolkien author of The Lord of the Rings currently being filmed A wonderfully told story which combines suspense fantasy exquisite domestic detail and sensuality

The Perfect Age of Man's Life Mary Dove,1986 Originally published in 1986 this is an investigation of one particular aspect of what is usually called the Ages of Man Human beings seem always to have divided up their lives into separate stages this book argues that the medieval understanding of the age in the middle of man s life was very different from contemporary ideas Middle age in the Middle Ages did not have dim and negative associations Instead it was typically perceived as a perfect age an age of fulfilment which reached its consummation in the redemption brought about by Christ in his perfect age The implications of this for medieval understanding of the series of the ages are discussed here for the first time

*A History of English Literature* William Allan Neilson,1920 **The Poetry of the Alliterative Revival** , The Pier Falls Mark Haddon,2016-05-10 From Mark Haddon author of *The Curious Incident of the Dog in the Night Time* *A Spot of Bother* and *The Red House* nine dazzling stories diverse in style but united in emotional power The tales in Mark Haddon s lyrical and uncompromising new collection take many forms Victorian adventure story science fiction morality tale contemporary realism but they all showcase his virtuoso gifts as a stylist and the deep well of empathy that made his three bestselling novels so compelling The characters here are often isolated physically or estranged from their families yet they yearn for connection In aggregate the stories become a meditation on the essential aloneness of the human condition but also on the connections however tenuous and imperfect that link people to one another In the title story an unnamed narrator describes with cool precision a catastrophe that strikes a seaside town both tearing lives apart and bringing them together In the

prizewinning story The Gun a boy s life is marked by the afternoon he encounters a semiautomatic pistol belonging to his friend s older brother in The Island a Greek princess is abandoned on an island by her abductor in The Boys Who Left Home to Learn Fear a group of adventurers travel deep into the Amazonian jungle but discover the gravest danger lurking among their own number and in The Woodpecker and the Wolf a woman wonders whether she has chosen to travel to Mars only to escape the entanglement of human relationships back here on Earth Drawing inventively from history myth folktales and modern life The Pier Falls showcases Haddon s immense gifts of invention and penetrating insight
