

GENERAL SIR GUY CARLETON,  
LORD DORCHESTER

Soldier-Statesman of Early British Canada

---

Paul David Nelson

# Sir Guy Carleton Lord Dorchester

**Arthur Granville Bradley**

## **Sir Guy Carleton Lord Dorchester:**

**General Sir Guy Carleton, Lord Dorchester** Paul David Nelson,2000 General Sir Guy Carleton First Baron Dorchester was one of Great Britain's most important imperial servants in the latter half of the eighteenth century playing a decisive part in the early history of British Canada From 1759 to 1796 he served both as a soldier and a Royal governor in Canada helping to mold that province's future in government and on the battlefield He was with General James Wolfe at Quebec in 1759 and seven years later was appointed governor of the newly acquired British territory He helped to shape the Quebec Act of 1774 and was on duty in Quebec when the American Revolutionary War commenced in 1775 In 1782 he was appointed commander in chief of the British Army in America He effected the British withdrawal from the United States in 1783 Three years later after being elevated to the peerage as Baron Dorchester Carleton reassumed the governorship of Canada He implemented policies of defense against encroachments by American General Anthony Wayne in 1793-94 and in the latter year set in motion British withdrawals from America's Northwest Territory In the process he lost the confidence of his superiors in London thus he resigned the governorship in 1796 and returned home for the final time He lived for more than a decade in comfort on his extensive English estates but his last years were marred by the deaths of many of his children Nelson attempts in this biography to settle controversial issues about Carleton's life BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Sir Guy Carleton* A.G. Bradley,1966-12-15 This biography of Sir Guy Carleton was first published in the famous Makers of Canada series in 1907 and re issued in 1926 with supplementary notes incorporating later research by A L Burt When it first appeared it was reviewed by William Wood who described it as a really good book on one of the greatest makers of the Empire **Sir Guy Carleton (Lord Dorchester)** Arthur Granville Bradley,1966 **Guy Carleton** Paul Revere Reynolds,1980 *Canada's Constitutional Monarchy* Nathan Tidridge,2011-11-15 The Canadian Crown is a unique institution that has been integral to our ideals of democracy from its beginning in 16th century New France Canadians enjoy one of the most stable forms of government on the planet but there is a crisis in our understanding of the role the Crown plays in that government Media often refer to the governor general as the Canadian head of state and the queen is frequently misidentified in Canada as only the British monarch yet she has been queen of Canada since 1952 Even government publications routinely cast the Crown as merely a symbolic institution with no impact on the daily lives of Canadians this is simply not true Errors such as these are echoed in school textbooks and curriculum outlines Canada's Constitutional Monarchy has been written to counter the misinformation given to Canadians reintroducing them to a rich institution integral to our ideals of democracy and parliamentary government Nathan Tidridge presents the Canadian Crown as a colourful and unique institution at the very heart of our Confederation exploring its history from its beginnings in 16th century New France as well as its modern relationships with First Nations Honours Heraldry and the day to day life of the country *American Revolution* Spencer C. Tucker,2018-09-14 With more than 1 300 cross

referenced entries covering every aspect of the American Revolution this definitive scholarly reference covers the causes course and consequences of the war and the political social and military origins of the nation This authoritative and complete encyclopedia covers not only the eight years of the American Revolutionary War 1775 1783 but also the decades leading up to the war beginning with the French and Indian War and the aftermath of the conflict with an emphasis on the early American Republic Volumes one through four contain a series of overview essays on the causes course and consequences of the American Revolution followed by impeccably researched A Z entries that address the full spectrum of political social and military matters that arose from the conflict Each entry is cross referenced to other entries and also lists books for further reading In addition there is a detailed bibliography timeline and glossary A fifth volume is devoted to primary sources each of which is accompanied by an insightful introduction that places the document in its proper historical context The primary sources help readers to understand the myriad motivations behind the American Revolution the diplomatic military and political maneuvering that took place during the conflict and landmark documents that shaped the founding and early development of the United States
