**From Nursery Rhymes to Nationhood** Elizabeth Galway,2010-12-22 As Canada came to terms with its role as an independent nation

following Confederation in 1867 there was a call for a literary voice to express the needs and desires of a new country. Children's literature was one of the means through which this new voice found expression. Seen as a tool for both entertaining and educating children, this material is often overtly propagandistic and nationalistic and addresses some of the key political, economic and social concerns of Canada as it struggled to maintain national unity during this time. From Nursery Rhymes to Nationhood studies, a large variety of children's literature written in English between 1867 and 1911 revealing a distinct interest in questions of national unity and identity among children's writers of the day and exploring the influence of American and British authors on the shaping of Canadian identity. The visions of Canada expressed in this material are often in competition with one another but together they illuminate the country's attempts to define itself and its relation to the world outside its borders.

**The Constitution in a Hall of Mirrors** David E. Smith, 2017-01-01 In *The Constitution in a Hall of Mirrors* David E. Smith presents a learned but accessible analysis of the interconnectedness of Canada's parliamentary institutions.

**On the House** Rob Walsh, 2017-10-30 On a day to day basis what does a newly elected Member of Parliament do? How does the House of Commons work? Drawing on his years of service to five majority and three minority parliaments, Rob Walsh shares first hand insights into the inner workings of the House beyond the political personalities that dominate its proceedings. Inside this unique public and political institution laws are made, taxes are imposed, political issues are debated and the government is held to account on behalf of all Canadians. The House is the national stage on which democracy plays itself out between elections. Neither a procedural manual nor an academic critique, *On the House* reveals from Walsh's perspective the historical origins of the House, its constitutional place in the parliamentary system, the role of committees, legislation and administration and its democratic functions. Providing a deeper understanding of both the House's successes and its failures, Walsh celebrates the value of parliamentary democracy while acknowledging the continuing challenges that face it. *On the House* is a direct, accessible and fascinating reflection on more than twenty years of experience in the House of Commons.

**Essays in the History of Canadian Law** George Blaine Baker, Donald Fyson, 2013-12-06 The essays in this volume deal with the legal history of the Province of Quebec, Upper and Lower Canada and the Province of Canada between the British conquest of 1759 and confederation of the British North America colonies in 1867. The backbone of the modern Canadian provinces of Ontario and Quebec, this geographic area was unified politically for more than half of the period under consideration. As such, four of the papers are set in the geographic cradle of modern Quebec, four treat nineteenth century Ontario and the remaining four deal with the St. Lawrence and Great Lakes watershed as a whole. The authors come from disciplines as diverse as history, socio-legal studies, women's studies and law. The majority make substantial use of second language sources in their essays, which shade into intellectual history, social and family history, regulatory history and political history.

Kohn,2004-11-22 Kohn shows how Americans and Canadians often referred to each other as members of the same family sharing the same blood and drew upon the common lexicon of Anglo Saxon rhetoric to undermine old rivalries and underscore shared interests Though the predominance of Anglo Saxonism proved short lived it left a legacy of Canadian American goodwill as both nations accepted their shared destiny on the continent Kohn argues that this new Canadian American understanding fostered the Anglo American special relationship that shaped the twentieth century      *Canada During the Victorian Era* Auguste Gosselin,Benjamin Sulte,Charles Hill-Tout,Hospice Anthelme Verreault,John Boyd Thacher,John George Bourinot,Joseph-Edmond Roy,William Francis Ganong,1897      [Publications of the Buffalo Historical Society](#) Frank Hayward Severance,1902      **The Canadian Historical Review** ,2002      **Publications of the Buffalo Historical Society** Buffalo Historical Society,1902
