Brandi Best has nothing tying her down Nothing keeping her in Arizona No kids no husband and her parents passed away
years ago When she finds out a town in Ireland will actually pay her to move there Why not spend the second half of her life
in a gorgeous country by the sea But things aren't all that they seem In preparing to move Brandi discovers some big secrets
about herself and her parents First and foremost that she's adopted And then she finds a journal written in her father's
handwriting claiming Brandi was found in that same Irish town she's heading to Is it a coincidence or something more Still
starting over is everything she hoped for and more An exotic location new friends and new adventures working in the local
bar Things are going really well until she falls into the ocean Touching salt water for the first time does something to her
Something fishy And her life gets even more confusing when she meets the handsome descendant of a pirate who swears he
can help her find the truth about her past All it'll take More adventure More danger And a hunt for an incredible treasure
