Sister Keepers:

My Sister's Keeper L.M. Lane, 1879 **My Sister's Keeper** Jodi Picoult, 2009-05-19 Anna is not sick but she might as well be. By age 13 she has undergone countless surgeries, transfusions, and shots so that her older sister Kate can somehow fight the leukemia that has plagued her since childhood. *My Sister's Keeper* Jodi Picoult, 2004-04-06 Written with grace, wisdom, and sensitivity, this novel is about a teen who was conceived as a bone marrow match for her sister Kate, and what happens when she begins to question who she really is. **No Sister's Keeper** Jeanne G'Fellers, 2013-01-01 In a society divided by birth, upbringing, education, and status, young Chandrey Brava is raised in a conservative sect but leaves home at sixteen for the Taelach Training Grounds. Naïve and used to harsh discipline, she doesn't recognize that Cance Lynn Creiloff is playing with her heart. Seeing Cance through a serious injury, Chandrey follows her to the Cleave, a sharply fundamental group being eroded from within by those who welcome the servitude of thralls. Cance's increasingly vicious treatment of Chandrey raises eyebrows, but no more. Only her family can liberate her unless she finds allies within the Cleave. There may be one Taelach who can help her: the mysterious Belsa Exzal. Bravery, resilience, and stoic resistance are the hallmarks of this prequel to the award-winning *No Sister of Mine*. *Our Sisters' Keepers* Jill Bergman, Debra Bernardi, 2005-08-28 American culture has long had a conflicted relationship with assistance to the poor. Cotton Mather and John Winthrop were staunch proponents of Christian charity as fundamental to colonial American society, while transcendentalists harbored deep skepticism towards benevolence in favor of Emersonian self-reliance and Thoreau's insistence on an ascetic life. Women in the 19th century, as these essays show, approached issues of benevolence far differently than their male counterparts, consistently promoting assistance to the impoverished in both their acts and their writings. *My Sister's Keeper* Kerry Duke, 1999-01-01

The Sister Keepers Marian Jones, 2000 Around the top frame of the old State Teacher's College classroom chalkboard runs the Spanish proverb: "Since we do not receive what we want from life, we must learn to love what we get." In 1917, six young women form an elite lunch club while studying Spanish, a club that expands into the school's first sorority and keeps going for seventy-five years in spite of scandals, tragedies, a husband snatching a sister, homicide, two world wars, the dreadful Armenian Genocide of 1916, and its effect fifty years later on two of the sisters. **Making a Sister** Epes Winthrop Sargent, 1910 *God's Absolute Love Truth* Joy Maloy, 2020-08-25 In the Bible, we read in Isaiah 55:8-9 that God's thoughts and ways are higher than our thoughts and ways, as high as the heavens are higher than the earth. So why wouldn't we want to know what they are? And even though the Bible inspired by God was written by different men at different times in history, it is consistent. In fact, we see things repeated throughout it that can teach us something about God. For instance, when we see fingers in the Bible, we can find a message about judgment. In this book, we follow things that are repeated in the Bible to learn about God. God's word is amazing, like that. And God's Word is the absolute love truth. *Having Brunch with God* Cononiah M. McCarthy, 2022-10-11 If you are seeking a closer relationship with God or looking to delve deeper into God's

word and making His word practical for you Having Brunch With God will create the atmosphere for it to happen Having Brunch With God is a 52 week journey that will show you from scriptures God s intentions for you and how you can live out His ways You will unearth all of this through Hebraic understandings scriptural exposition and author experiences Having Brunch With God also includes engaging weekly activities that will really fatten your faith This fattened and nourished faith will ultimately deepen your relationship with Abba Father Over the 52 week journey the beautiful thing you will learn is that when you listen to God s words His guidance and His instructions you will set yourself up to eat from the blessings of His table

Tshepo Morongwa Ch ry University of Texas Austin Women's Crimes, Criminology, and Corrections Joycelyn M. Pollock, 2014-04-14 Historically women have been an afterthought in criminal justice policymaking and the criminological enterprise The study of criminology has largely been the study of criminal men because women commit less crime than men More recently criminologists have paid increased attention to the population of female offenders partly because of their growing numbers and partly because of the tens of thousands of children affected by having their mothers in prison or on supervised release The recent attention however has not necessarily been a good thing for women who are much more likely to be formally prosecuted and incarcerated today than in decades past This policy shift has come about partly because of misinformed policies implemented to help women and partly because of shifts in theorists beliefs and public perceptions that women and men are similar in their criminal motivations and should therefore be treated similarly The controversy surrounding this perception is the focus of this book To better comprehend the challenges facing women in the criminal justice system the author a winner of the Bruce Smith Sr Award from the Academy of Criminal Justice Sciences employs research findings and statistics to describe the prevalence and patterns of women s crimes review criminological theories specifically examining how well they explain female criminality understand female juvenile offenders reviewing crime rates theories relating to female delinquency and detention related issues look inside the women s prison to better understand female prisoners and their world examine classification and programming issues particularly the impact of gender specific programming and explore the problems experienced by women upon release and the related issue of women s recidivism
