Boston, 2017-06-06 The Flanagan Sisters is a sexy contemporary romance series which follows Bridget Carly Zita and Sean as they fall in love. Containing a workplace romance, a billionaire romance with a twist, a hero who must confront his preconceptions, and a fish who is definitely out of water, this series has something for everyone. Book 1: Break the Rules. Bridget Flanagan knows how to assess risks but are the consequences of exposing her heart too dangerous? Bridget has a passion for safety and in the world of oil refineries that makes her great at her job. So when her big promotion goes to someone else, she heads out on the town to forget her troubles. Jack Gibbs seems like the perfect man to distract her. At least until Monday morning when she discovers Jack is her new boss. There's no way she's going to keep seeing him, no matter the connection between them. She's been burned before. Jack can't understand why Bridget's so against their relationship. They positively sizzled during their one night together. He knows he has to be careful now she reports to him, but she tempts him in every way. Can Jack convince Bridget to give him a chance, or is the risk too high? Book 2: Change of Heart. Software billionaire Carly Flanagan has an abundance of everything except time. With everyone wanting a piece of her, or more accurately her money, she spends her days trying to live up to her company's motto of Community Sharing Support. Having always been so focused on responsibility, success, and supporting those less fortunate than her, Carly's forgotten to consider what she wants for herself in life until she meets Evan. Evan Hayes is an artist and free spirit, and when they meet at a local art exhibition, he is immediately intrigued by Carly. He sees through her public persona, realizing she is not the person she portrays. Evan's the type of man who doesn't have a lot but is perfectly comfortable with who he is. A man who knows what he wants, and he wants Carly. Carly is sure Evan wants something else from her. Everyone does. All Evan is asking is the chance to get to know her, but will Carly let him in? Or will a lifetime of protecting herself prove too hard to overcome? Book 3: Blaze a Trail. They're from the opposite ends of town, but they're worlds apart. Zita Flanagan wants more. She wants to help more Central American refugees and make more of an impact. But her family comes first, and fulfilling her own dreams seems impossible. David Randall leads a privileged life and knows nothing about refugee issues. When he meets dynamic, sexy Zita, it seems like the perfect opportunity to learn. Zita's passion for helping those less fortunate and her selfless devotion to the girls her mother fosters brings David's life sharply into perspective. Zita soon realizes that David is so much more than a rich boy. She begins to trust him with her foster sisters' stories and her own hopes and dreams. But when David's father announces he's running for governor, and the focus of his campaign is the refugee problem, Zita has grave concerns for her sisters' safety. Then David's betrayal exposes secrets, and it becomes a race against time to save lives. Can David convince Zita to trust him again, or will his mistake put the life of the woman he loves in jeopardy? Book 4: Place to Belong. Sean Flanagan has spent a lifetime alone and rejected, constantly hiding who he really is. With a father who deserted him and a mother who despised him, Sean didn't

think things could get much worse until he was kicked out of home for being gay Now he s discovered he has three half sisters on the other side of the world This might be his last chance to find people who will love and accept him But he s terrified that if they find out who he really is then they ll reject him like the rest of his family Sean arrives in Houston and is stunned by the warm welcome he receives from his sisters He begins to hope that maybe this time things will be different That s when he meets Hayden Johnson To follow his heart means risking everything with his newfound family Hayden is tired of endless dating He s looking for a man to love someone to spend the rest of his life with His boss s new brother ticks all the boxes on the attraction scale but there s just one problem he s not gay Will Sean let his fears rule him or will he let in the chance of love and find a place where he belongs
