Six Novelists Look At Society:

Six Novelists Look at Society John Alfred Atkins,1977 **Six Novelists Look at Society** John Atkins,1977 **Novelists Against Social Change** Kate Macdonald,2019-02-22 *Novelists Against Social Change* studies the writing of John Buchan Dornford Yates and Angela Thirkell to show how these conservative authors put their fears and anxieties into their best selling fiction Resisting the threats of change in social class politics the freedom of women and professionalization produced their strongest works *The Novels of C. P. Snow* Suguna Ramanathan,1978 *Writers Directory* NA NA,2016-03-05

C.P. Snow's Strangers and Brothers as Mid-twentieth-century History Terrance L. Lewis,2009 This book studies C P Snow s eleven volume series of novels *Strangers and Brothers* as documents detailing the social and political life of mid twentieth century Britain and points out the uses for the novels in the academic study of that time period Both Snow and his central character Lewis S Eliot started from unremarkable origins in terms of their mutual background in the lower reaches of the middle class their dreams of success in their teen years and their early professional education in a new struggling academic institution in the mid 1920s Neither could really be considered typical for men of their class Eliot s working life would include being a very minor town clerk a barrister an advisor to a powerful industrialist a Cambridge don a moderately powerful civil servant and finally in early retirement a writer Eliot would befriend members of both the traditional and Jewish upper classes scholars and brilliant scientists powerful behind the scenes civil servants second tier British and Nazi politicians financiers and industrialists Communists and writers and artists providing a fairly broad overview of parts of the middle class and ruling elites of the periods Snow s sequence of novels is therefore useful to the historian of twentieth century Britain both in understanding the period as it recedes away from common experience and in presenting the period in the classroom Snow was a classic twentieth century writer who presented a more balanced account of the British governing classes of the middle third of the twentieth century than did the upper class and would be upper class or working class writers of the same period His novels provide an insight that every student of twentieth century Britain must have on hand

The Poison at the Source P. Brown,1992-03-10 An examination of a number of English women novelists who portrayed the crises and conflicts in the development of the female consciousness as a response to the anomalies of the rapidly changing world of the early twentieth century when opportunities for self expression and fulfilment were beginning to open up for women but nineteenth century values and prejudices still widely prevailed May Sinclair Radclyffe Hall Rosamond Lehmann Antonia White and Dorothy Richardson are seen as outspoken and innovative writers often marginalised or ignored by serious criticism **Hartley: The Go-Between** G Brown,1993-03-23 This is a Bloomsbury Academic title For our full Academic Catalogue please visit <https://www.bloomsbury.com/uk/academic> *Business Life and Public Policy* Neil McKendrick,R. The International Authors and Writers Who's who Ernest Kay,1986 Elizabeth Bowen Lis Christensen,2001 A Danish scholar of English and Irish literature Christensen focuses on the four novels and handful of short stories that Anglo Irish writer Bowen 1899 1973 published after World War II which critics have tended to neglect until very recently Distributed in the US by ISBS Annotation copyrighted by Book News Inc Portland OR **English Novels During The Nineteen Thirties** R. B Singh,1994 **Russian Writers and Society in the Nineteenth Century** Ronald Hingley,2021-06-15 This book first published in 1977 begins with a close look at the lives of nineteenth century Russian writers and at the problems of their profession It then examines their environment in its broader aspects the Russian empire being considered from the point of view of geography ethnography economics and the impact of individual Tsars on writers and society A discussion of the main social estates follows and concluding is an analysis in their literary context of the activities of the competing forces of cohesion and disruption in imperial society the civil service law courts police army schools universities press censorship revolutionaries and agitators This book makes possible a fuller understanding of the works of Pushkin Dostoyevsky Chekhov and the other great Russian writers *Life and Times of Charles Dickens: Autobiographical Novels, Stories, London Society Sketches, Travel Memoirs, Letters & Biographies (Illustrated)* Charles Dickens,2022-06-12 In *Life and Times of Charles Dickens Autobiographical Novels Stories London Society Sketches Travel Memoirs Letters Biographies Illustrated* Charles Dickens offers an intricate tapestry of his life through a selection of

autobiographical writings that span the breadth of his literary career Richly illustrated the volume combines narrative finesse with social critique showcasing Dickens s masterful ability to blend personal experience with acute observations of London society during the Victorian era This work serves not only as a memoir but also as a contextual lens into the societal dynamics and pressing issues of 19th century England illustrating how his personal hardships such as his troubled childhood profoundly informed his storytelling and character development Dickens born into a modest family in Portsmouth faced the adversities of poverty and child labor in his youth experiences that indelibly shaped his literary voice His career as a writer was marked by an earnest desire to expose social injustices and advocate for reform drawing from his own experiences in the gritty backstreets of London This collection reveals the man behind the pen reflecting his passion for storytelling as a vehicle for social change and empathy This essential volume not only enriches the reader s understanding of Dickens s oeuvre but also provides insight into the man himself making it perfect for scholars fans and newcomers alike It stands as a testament to Dickens s enduring legacy inviting readers to explore the intersections of life and literature in one of the greatest authors of the English language *Collected Novels of E. M. Delafield (6 Unabridged Editions in One Volume)* E. M.

Delafield,2024-01-07 E M Delafield s *Collected Novels of E M Delafield* brings together six of her most significant works offering an expansive look into the intricacies of early 20th century British society Delafield employs a keen observational style infused with wit and irony utilizing rich characterizations and subtle social critique to explore themes of gender roles class dynamics and the mundanity of domestic life Each novel while distinct shares a thematic coherence that reflects the author s nuanced understanding of her contemporaries encapsulating the challenges and complexities faced by women of her era E M Delafield born in 1890 in England was an astute chronicler of her time drawing upon her experiences as an educated woman navigating the constraints of societal expectations Her literary career blossomed in the interwar period during which she became a prominent voice in feminist literature Additionally her background in writing for magazines and her keen insights into the lives of women inform her narratives allowing her to blend humor with poignant realism ultimately shaping her unique voice This collection is an invaluable resource for readers interested in feminist literature British social history and the evolution of the novel Delafield s ability to weave humor into serious concerns makes her work both accessible and thought provoking appealing to both scholars and general readers alike Engaging with this anthology is not merely an exploration of her literary contribution it offers a window into the social fabric of her time *Three Novels of Society* John

Galsworthy,1911 **Jane Austen: Six Novels and their Methods** Michael Williams,1986-07-21 **The Popular History of England. An Illustrated History of Society and Government from the Earliest Period to Our Own Times** Charles Robert Knight,2024-06-08 Reprint of the original first published in 1876 **Novels** Charles Dickens,1870
