together Heartthrob Christopher Michael,2009-07-06 She remembered him only in a dream like state of mind He had been so charismatic and she had been so young Not too young to be naive however She had loved him and he had loved her The days they had spent together lying on a blanket in the soft green grass next to a lazy rolling creek had yet to be rivaled by other lovers she's had since then She knew then she would love him for the rest of her life *Poetry Is the Heart* Carlos A. Cook,2002-12-06 This book was written based on my experiences in matters of the heart I realize that at times the heart tells us things that our brains don't comprehend but we know that we really feel this way Take for instance teenagers I suppose that when we mature as adults we say that we were infatuated with love or that we really didn't love the person that we were in love with Please let me tell you that this process of thinking is wrong Feelings are feelings and we must deal with them whether real false love hate etc Shouldn't it be us that deal with our feelings and not have our feelings deal with us Are we that lovesick heartbroken teen that aches for someone to love him/her No so how dare we tell our daughter/son what to feel I believe that he should let teens express and deal with their own feelings and only offer sympathetic understanding and sound advice unless of course they will be physically hurt then that protective mother lion in all of us have to say something So how do we teach our children what love means We don't I mean will they believe us anyway I believe that in matters of the heart words can speak louder than action and perhaps poetry is the path to do so I mean what is a lyric but poetry in music and what is speech but poetry in motion Perhaps by reading this book someone who is heartbroken will look at the good things in a relationship and reflect on those good things as a learning experience and also learn from the bad things as well By doing so he/she will not make the same mistake again we hope I hope that I have shed some light on this crazy thing called love and have made at least one person whether male/female adult or child especially teenagers feel that there will ALWAYS be someone in the world aside from God who knows what he/she is going through has been there and had learned from these experiences whether good or bad and will turn them into a beautiful gift for all the world to share Billy Six Gun Bradley Vi,2021-11-15 Billy Six Gun is a story of William Tunnickliff William is a successful accountant who discovers he has terminal cancer William finds himself on something he'd never expected A motorcycle Dropping his calculator and grabbing a throttle he finds freedom on the road and in his soul He meets up with new friends with no social agendas but they're not exactly whom they appear to be on the surface Join William and his new friends on the road into the timeless Get ready to laugh cry and explore your own souls as you ride along with the group Get ready for a twist *Six-Gun Sideshow* J.R. Roberts, **The Six-Gun Tarot** R. S. Belcher,2024-09-04 First in the weird west Golgotha series set in a fascinating world that reads like a mashup of Buffy the Vampire Slayer and Deadwood RT Book Reviews Nevada 1869 Beyond the pitiless 40 Mile Desert lies Golgotha a cattle town that hides more than its share of unnatural secrets The sheriff bears the mark of the noose around his neck some say he is a dead man whose time has not yet come His half human deputy is kin to coyotes The mayor guards a hoard of mythical treasures A banker's wife belongs to a secret order of assassins And a shady

saloon owner whose fingers are in everyone's business may know more about the town's true origins than he's letting on. A haven for the blessed and the damned, Golgotha has known many strange events but nothing like the primordial darkness stirring in the abandoned silver mine overlooking the town. Bleeding midnight, an ancient evil is spilling into the world, and unless the sheriff and his posse can saddle up in time, Golgotha will have seen its last dawn, and so will all of Creation.

R.S. Belcher's *The Six Gun Tarot* is an astonishing blend of first-rate steampunk fantasy and Western adventure. Library Journal starred review: A jaw-dropping first novel that explodes across genre lines. Wild, gritty, insanely inventive, and a hell of a lot of fun. Jonathan Maberry, New York Times bestselling author. If you want to see what Weird Westerns are all about, there's no better place to start than *The Six Gun Tarot*. Mike Resnick, Hugo and Nebula Award-winning author.

A Rope and a Prayer David Rohde, Kristen Mulvihill, 2011-11-01. The compelling and insightful account of a New York Times reporter's abduction by the Taliban and his wife's struggle to free him. In November 2008, David Rohde, a Pulitzer Prize-winning correspondent for The New York Times, was kidnapped by the Taliban and held captive for seven months in the tribal areas of Pakistan. In the process, Rohde became the first American to witness how Pakistan's powerful military turns a blind eye toward a Taliban ministate thriving inside its borders. In New York, David's wife, Kristen Mulvihill, together with his family, kept the kidnapping secret for David's safety and struggled to navigate a labyrinth of conflicting agendas, misinformation, and lies. Part memoir, part work of journalism, *A Rope and a Prayer* is a story of duplicity, faith, resilience, and love.

The Vigilante: Six-Gun Law Jory Sherman, 2006-11-07. The Nomad Lew Zane believed he was delivering justice, not vengeance, when he tracked down and killed the men who murdered his parents. But taking the law into his own hands has taken its toll on his soul. Ridding himself of his land and property, Lew plans to leave Arkansas for good and put the past behind him. The Kidnappers: They are the patriarchs of the most respected and wealthiest families in the territory, and the fathers of the men Lew Zane executed. They've abducted Seneca Jones, the woman Lew loves, hoping to lure him into a death trap. The Outlaw: Lew's enemies have underestimated him. He has nothing left to lose and no fear of the consequences of his actions, which will brand him as a wanted man for the rest of his life.

The Communist Cookbook Sharmishtha Roy Chowdhury, 2011-12-01. As the Second World War draws to a close, George Clark finds himself beginning his regimental life with the British Army in the remote outpost of Bajapur. Battle-worn and broken-hearted, he is soon caught in a perilous tangle. Intelligence officer James Ruffington wants George to spy on local nationalist activists in order to please the paranoid and communist-obsessed Captain Dennis Porter. For this, George must not only betray his close friend Deborah Sunderland but also use Anna Benson, his new love, to infiltrate the local Congress networks. Set amidst the political unrest of the 1940s in India, *The Communist Cookbook* is an enthralling story of espionage and divided loyalties.

Pursuing Respect in the Cannibal Isles Nancy Shoemaker, 2019-11-15. Full of colorful details and engrossing stories, *Pursuing Respect in the Cannibal Isles* shows that the aspirations of individual Americans to be recognized as people worthy of others' respect was a driving force in the global

extension of United States influence shortly after the nation's founding Nancy Shoemaker contends that what she calls extraterritorial Americans constituted the vanguard of a vast early US global expansion Using as her site of historical investigation nineteenth century Fiji the cannibal isles of American popular culture she uncovers stories of Americans looking for opportunities to rise in social status and enhance their sense of self Prior to British colonization in 1874 extraterritorial Americans had she argues as much impact on Fiji as did the British While the American economy invested in the extraction of sandalwood and sea slugs as resources to sell in China individuals who went to Fiji had more complicated personal objectives Pursuing Respect in the Cannibal Isles considers these motivations through the lives of the three Americans who left the deepest imprint on Fiji a runaway whaleman who settled in the islands a sea captain's wife and a merchant Shoemaker's book shows how ordinary Americans living or working overseas found unusual venues where they could show themselves worthy of others respect others approval admiration or deference

[Class at Bat, Gender on Deck and Race in the Hole](#) Ron Briley,2017-01-06 Nineteen essays by Briley focus on major league baseball as it reflected the changing American culture from about 1945 to about 1980 He examines the era through the lens of race gender and class categories which have increasingly become essential analytical tools for scholars The accounts of Roman Mejias and Cesar Cedeneno offer some disturbing insights regarding the acceptance of Latinos in baseball and American society In one essay Briley refers to baseball as the heart of the nation s democratic spirit noting that the son of a rural farmer could play alongside a governor s son and both would receive only the praise that their playing merited However in writing about the Milwaukee Braves move to Atlanta the lamentations of fans that baseball had succumbed to the age of affluence are compared to the changing patterns of demographics and economic power in American society Even with the increased participation of women on the field with teams like the Silver Bullets the final essay comments on organized baseball s perception of them as primarily spectators
