**60 Stories About 30 Seconds** Bruce Van Dusen, 2020-09-15 1977 New York City Cool and crime ridden cheap and wild Bruce Van Dusen shows up in town with a film degree and 150 to his name He wants to make movies The only ones anyone will pay him to make Little ones Thirty seconds long Commercials He has no idea what he's doing and the money sucks But he's a director He gets hired by a client on life support in the most depressing hospital in New York Gets peed on by a lion Explains peristalsis to a Tony winner Makes a movie and goes to Sundance Goes back to little movies when it bombs Keeps hustling shooting anything Is an a hole pays the price finally learns when and how to be an a hole and becomes one of the industry's stars Years go by and it's not what he expected It's harder weirder and funnier But it worked out It worked out great actually

**Forty Stories** Dave Eggers, Donald Barthelme, 2012-04-05 This collection of pithy brilliantly acerbic pieces is a companion to *Sixty Stories* Barthelme's earlier retrospective volume Barthelme spotlights the idiosyncratic haughty sometimes downright ludicrous behavior of human beings but it is style rather than content which takes precedence

**The Chinese Vernacular Story** Patrick Hanan, 1981

**The Columbia History of Chinese Literature** Victor H. Mair, 2010-03-10 The Columbia History of Chinese Literature is a comprehensive yet portable guide to China's vast literary traditions. Stretching from earliest times to the present, the text features original contributions by leading specialists working in all genres and periods. Chapters cover poetry, prose, fiction, and drama and consider such contextual subjects as popular culture, the impact of religion, the role of women, and China's relationship with non-Sinitic languages and peoples. Opening with a major section on the linguistic and intellectual foundations of Chinese literature, the anthology traces the development of forms and movements over time, along with critical trends, and pays particular attention to the premodern canon.

*The MX Book of New Sherlock Holmes Stories - Part XXIX* David Marcum, 2022-02-10 Featuring Contributions by Ian Ableson, Wayne Anderson, David Marcum, Gordon Linzner, Barry Clay, Derrick Belanger, Wayne Anderson, Harry DeMaio, Craig Stephen Copland, Matthew White, I. A. Watson, Paul Gilbert, Arthur Hall, Marcia Wilson, Margaret Walsh, Frank Schildiner, Dan Rowley, and Tracy J. Revels, and forewords by Nancy Holder, Roger Johnson, Steve Emecz, and David Marcum. Somewhere in the vaults of the bank of Cox and Co. at Charing Cross, there is a travel-worn and battered tin dispatch box with my name, John H. Watson, M.D., Late Indian Army, painted upon the lid. It is crammed with papers, nearly all of which are records of cases to illustrate the curious problems which Mr. Sherlock Holmes had at various times to examine. Dr. John H. Watson. So wrote Dr. Watson in *The Problem of Thor Bridge*, and ever since Sherlockians have been bringing us new adventures from this legendary tin dispatch box. While Watson's original First Literary Agent only edited the pitifully few sixty stories that make up the original Canon, there have since been literally thousands of traditional adventures about the true Sherlock Holmes, and there will never be enough. In 2015, *The MX Book of New Sherlock Holmes Stories* burst upon the scene, featuring adventures set within the correct time period and written by many of today's leading Sherlockian authors from around the world. Those first three volumes were overwhelmingly received, and there were soon calls for additional collections. Since then, their popularity has only continued to grow. In Fall 2016, the series presented its first themed collection, *Part V: Christmas Adventures*, containing 30 new adventures that proved to be extremely and enduringly popular. With that in mind, we now revisit that season with 57 more Christmas Adventures, ranging from a consequential case that occurred when Holmes was still a teenager to another in the late 1920s when Holmes in retirement was still at the top of his game. The fifty-seven stories in these three companion volumes are a thrilling mix of mysteries, whatever the season. Some are directly involved with Christmas, while others occur during and in around that season. These represent some of the finest new Holmesian storytelling to be found by the best pasticheurs, and once again they honor the man described by Watson as the best and wisest whom I have ever known. 57 new traditional Holmes adventures in three simultaneously published volumes. The game is afoot. All royalties from this collection are being donated by the writers for the benefit of the preservation of Undershaw, one of the former homes of Sir Arthur
