Sketch Book 76 Robert L. Klinger, 1967 *The Costume Technician's Handbook* Rosemary Ingham, Liz Covey, 2024-03-11

Since its first publication in 1980 *The Costume Technician's Handbook* has established itself as an indispensable resource in classrooms and costume shops Ingham and Covey draw on decades of hands on experience to provide the most complete guide to developing costumes that are personally distinctive and artistically expressive No other book covers the same breadth of necessary topics for every aspect of costuming from the basics of setting up a costume shop to managing one and everything in between **The Outlandish Companion (Revised and Updated)** Diana Gabaldon, 2015-03-31 Perfect for readers of the bestselling *Outlander* novels and don't miss *The Outlandish Companion Volume Two* 1 New York Times bestselling author Diana Gabaldon has captivated millions of readers with her critically acclaimed *Outlander* novels the inspiration for the Starz original series From the moment Claire Randall stepped through a standing stone circle and was thrown back in time to the year 1743 and into a world that threatens life limb loyalty heart soul and everything else Claire has readers have been hungry to know everything about this world and its inhabitants particularly a Scottish soldier named Jamie Fraser In this beautifully illustrated compendium of all things Outlandish Gabaldon covers the first four novels of the main series including full synopses of *Outlander* *Dragonfly in Amber* *Voyager* and *Drums of Autumn* a complete listing of the characters fictional and historical in the first four novels in the series as well as family trees and genealogical notes a comprehensive glossary and pronunciation guide to Gaelic terms and usage *The Gabaldon Theory of Time Travel* explained frequently asked questions to the author and her sometimes surprising answers an annotated bibliography essays about medicine and magic in the eighteenth century researching historical fiction creating characters and more professionally cast horoscopes for Jamie and Claire the making of the TV series how we got there from here and what happened next including *My Brief Career as a TV Actor* behind the scenes photos from the *Outlander* TV series set For anyone who wants to spend more time with the *Outlander* characters and the world they inhabit Diana Gabaldon here opens a door through the standing stones and offers a guided tour of what lies within **The Costume Designer's Handbook** Rosemary Ingham, Liz Covey, 2024-03-27 *The Costume Designer's Handbook* is the definitive guide for both aspiring and seasoned costume designers blending the art and business of theatrical costume design since its inception in 1983 Rosemary Ingham and Liz Covey offer deep insights into play analysis historical research collaboration techniques drafting and setting up an effective workspace The book addresses the practicalities of the industry including job market navigation freelancing contracts and taxes With over 150 illustrations an 8 page color insert and a comprehensive reference section for resources this handbook encapsulates the essence of costume design making it an indispensable resource for professionals in the field **An Annotated Bibliography of Marines in the American Revolution** Rowland P. Gill, 1972 [From Savannah to Yorktown](#) Henry Lumpkin, 2000-01-20 Bloodshed in the American Revolution began in Massachusetts and ended in South Carolina That

the last major action of the war occurred in the South was no accident The British regarded the South as their best chance of crushing the rebellion and a southern strategy governed British military campaigning during the decisive years from 1778 to 1781 How that strategy failed in Georgia the Carolinas and Virginia is answered in this highly readable military history which carries the reader from the early backcountry skirmishes to the climactic triumph at Yorktown From Savannah to Yorktown sketches many of the colorful field commanders discusses the weaponry and uniforms and above all unfolds the battle events strategy and tactics Well illustrated with maps portraits battle scenes and arms this first comprehensive military history devoted to the American Revolution in the South will be welcomed by anyone interested in the southern battleground of freedom

Leaders and Battles W.J. Wood, 2009-04-23 No one man can win a battle by himself but battles have been won and lost because of the strength or failings of one individual the leader What went on in the minds and hearts of a select group of military leaders at critical moments in battle is the theme of this book In Leaders and Battles W J Wood re creates ten battles from history depicting the action in vivid detail the brilliant formations charging horses clanking bayonets The point of view is always that of the commanding officer The particular quality of leadership that won or lost the encounter is very clear For Mad Anthony Wayne at Stony Point it was courage that won the day For Scipio Africanus at Ilipa it was imagination Custer s judgment at the Little Big Horn was definitely in question When the French stormed Ratisbon it was the inspiration of Lannes that broke the impasse At the battle of Bushy Run Bouquet could never have outwitted Pontiac had he lacked flexibility The dynamics of battle as well as the strategy and tactics involved are equally well demonstrated Though the means of fighting varied as much as the time and the civilizations involved the lessons learned are just as applicable today Men no longer fight with drawn swords make barricades out of mealie bags or use a swarm of bees as a weapon But that is part of this book s fascination Leaders and Battles is a remarkable retelling of fighting engagements for the armchair strategist the leader in training the history buff and the general reader It will take time before the major wars and low intensity skirmishes of this century can be written about with

the historical detachment and understanding that the author displays here In the meantime we can all profit from these lessons of history *Special Bibliographic Series* US Army Military History Research Collection,1976 *Cutting for All!* Kevin L. Seligman,1996 Containing 2 729 entries Kevin L Seligman s bibliography concentrates on books manuals journals and catalogs covering a wide range of sartorial approaches over nearly five hundred years After a historical overview Seligman approaches his subject chronologically listing items by century through 1799 then by decade In this section he deals with works on flat patterning draping grading and tailoring techniques as well as on such related topics as accessories armor civil costumes clerical costumes dressmakers systems fur gloves leather military uniforms and undergarments Seligman then devotes a section to those American and English journals published for the professional tailor and dressmaker Here too he includes the related areas of fur and undergarments A section devoted to journal articles features selected articles from costume and noncostumerelated professional journals and periodicals The author breaks these articles down into three categories American English and other Seligman then devotes separate sections to other related areas providing alphabetical listings of books and professional journals for costume and dance dolls folk and national dress footwear millinery and wigmaking and hair A section devoted to commercial pattern companies periodicals and catalogs is followed by an appendix covering pattern companies publishers and publications In addition to full bibliographic notation Seligman provides a library call number and library location if that information is available The majority of the listings are annotated Each listing is coded for identification and cross referencing An author index a title index a subject index and a chronological index will guide readers to the material they want Seligman s historical review of the development of publications on the sartorial arts professional journals and the commercial paper pattern industry puts the bibliographical material into context An appendix provides a cross reference guide for research on American and English pattern companies publishers and publications Given the size and scope of the bibliography there is no other reference work even remotely like it Catalog of Copyright Entries.
