of characters its glimpses of surreal modernity and its limitless fund of pathos and comic invention Published under the pen  
name Boz Charles Dickens s first book Sketches by Boz 1836 heralded an exciting new voice in English literature This richly  
varied collection of observation fancy and fiction shows the London he knew so intimately at its best and worst its streets  
theatres inns pawnshops law courts prisons omnibuses and the river Thames in honest and visionary descriptions of everyday  
life and people Through pen portraits that often anticipate characters from his great novels we see the condemned man in his
