concentrated on colonial successes in Asia However the Dutch were also active in West Africa Brazil New Netherland the present state of New York and in the Caribbean In Africa they took part in the gold and ivory trade and finally also in the slave trade something not widely known outside academic circles P C Emmer one of the most prominent experts in this field tells the story of Dutch involvement in the trade from the beginning of the 17th century much later than the Spaniards and the Portuguese and goes on to show how the trade shifted from Brazil to the Caribbean He explains how the purchase of slaves was organized in Africa records their dramatic transport across the Atlantic and examines how the sales machinery worked Drawing on his prolonged study of the Dutch Atlantic slave trade he presents his subject clearly and soberly although never forgetting the tragedy hidden behind the numbers the dark side of the Dutch Golden Age which makes this study not only informative but also very readable

**The Last Slave Ships** John Harris, 2020-11-24 A stunning behind the curtain look into the last years of the illegal transatlantic slave trade in the United States Long after the transatlantic slave trade was officially outlawed in the early nineteenth century by every major slave trading nation merchants based in the United States were still sending hundreds of illegal slave ships from American ports to the African coast The key instigators were slave traders who moved to New York City after the shuttering of the massive illegal slave trade to Brazil in 1850 These traffickers were determined to make Lower Manhattan a key hub in the illegal slave trade to Cuba In conjunction with allies in Africa and Cuba they ensnared around two hundred thousand African men women and children during the 1850s and 1860s John Harris explores how the U S government went from ignoring and even abetting this illegal trade to helping to shut it down completely in 1867

*An American Health Dilemma* W. Michael Byrd, Linda A. Clayton, 2012-10-02 At times mirroring and at times shockingly disparate to the rise of traditional white American medicine the history of African American health care is a story of traditional healers root doctors granny midwives underappreciated and overworked African American physicians scrupulous and unscrupulous white doctors and scientists governmental support and neglect epidemics and poverty Virtually every part of this story revolves around race More than 50 years after the publication of *An American Dilemma* Gunnar Myrdal's 1944 classic about race relations in the USA *An American Health Dilemma* presents a comprehensive and groundbreaking history and social analysis of race race relations and the African American medical and public health experience Beginning with the origins of western medicine and science in Egypt Greece and Rome the authors explore the relationship between race medicine and health care from the precursors of American science and medicine through the days of the slave trade with the harrowing middle passage and equally deadly breaking in period through the Civil War and the gains of reconstruction and the reversals caused by Jim Crow laws It offers an extensive examination of the history of intellectual and scientific racism that evolved to give sanction to the mistreatment medical abuse and neglect of African Americans and other non white people Also included are biographical portraits of black medical pioneers like James McCune Smith the first African American to earn a degree from a European university and anecdotal vignettes like the tragic story of

the Hottentot Venus which illustrate larger themes An American Health Dilemma promises to become an irreplaceable and essential look at African American and medical history and will provide an invaluable baseline for future exploration of race and racism in the American health system     The Sailing Ships of New England George Francis Dow,1928     **The Right of Search and the Slave Trade in Anglo-American Relations, 1814-1862** Hugh Graham Soulsby,1933     **The Dutch in the Atlantic Slave Trade, 1600-1815** Johannes M.
