Double Homicide John Coston, 2017-07-11 Two riveting true crime sagas of a mother who murdered her two sons and a sex crazed serial killer who terrorized Montana together in one volume In this terrifying collection veteran reporter and former Wall Street Journal editor John Coston recounts the disturbing crimes of Ellen Boehm and Wayne Nance two seemingly ordinary citizens who killed for the most twisted and selfish reasons *Sleep My Child Forever* Single mom Ellen Boehm appeared to be a devoted mother But in reality she was unequipped for motherhood financially strapped and desperate Within a year of each other her sons ages two and four died mysteriously and Boehm s eight year old daughter suffered a near fatal accident when a hair dryer fell into the girl s bath Det Sgt Joseph Burgoon of St Louis Homicide soon unraveled a labyrinth of deception greed and obsession that revealed a cold blooded killer whose get rich quick scheme came at the cost of her children s lives *To Kill and Kill Again* To neighbors Wayne Nance appeared to be an affable considerate and trustworthy guy No one knew that he was the Missoula Mauler a psychopath responsible for a series of sadistic sex slayings

that rocked the idyllic town between 1974 and 1986 His victims included a preacher s wife a teenage runaway and a female acquaintance Then one September night Nance pushed his luck preying on a couple that lived to tell the tale *Child Homicide* Lita Linzer Schwartz,Natalie Isser,2006-08-15 From governments that enact population limiting legislation or commit wholesale neonaticide to families who purposely allow a weak infirm or unfavorably gendered infant to perish rather than expend limited resources neonaticide infanticide and filicide are practiced on every continent and by every level of cultural complexity Taking **Endangered Children** Lita Linzer Schwartz,Natalie K. Isser,2011-12-13 From infancy onward children are in danger from many sources including parental and sibling abuse drug abuse and mental illness in the home parental neglect and poverty Removing an at risk child from a troubled environment brings on a host of new concerns and is not always a panacea *Endangered Children Homicide and Other Crimes Second Edition* focuses on the myriad threats facing children and provides insight into possible solutions Beginning with a history of child abuse the book explores this phenomenon as presented in literature and in other cultural references It then provides sociobiological and cross cultural perspectives on neonaticide It examines motives for abuse and explores how shame and denial of pregnancy can lead to the killing of an infant within moments of its birth The book examines legal ramifications to neonaticide in the U S and abroad including psychological and psychiatric defenses Additional chapters focus on shaken baby syndrome and Munchausen Syndrome by Proxy and the book includes a new chapter on postpartum depression The authors include profiles of several notorious cases including Susan Smith and Andrea Yates They also discuss issues related to abortion and euthanasia and conclude by suggesting preventive measures to child abuse and therapeutic rehabilitation Exploring a social tragedy from psychological sociological and criminological perspectives the authors attempt to answer the many questions that arise from these crimes against our most vulnerable offering readers a thought provoking resource that is sure to encourage further research and inquiry **The Murder of Asunta Yong Fang** Mark Guscini,2018-07-27 In September 2013 the body of 12 year old Asunta Basterra born in China and adopted while still a baby was found abandoned at the side of a woodland path near Santiago de Compostela in Spain Some days later her parents were arrested as the prime suspects of the murder and after a long and complicated trial which left various matters unsolved were each sentenced to 18 years in prison This is the first book in English about the murder and trial and the only book to include the whole story as told in the author s interviews with Asunta s mother in prison the only authorized visit in her four years in prison the lawyers of both parties the policemen and women who were directly involved in the arrest and the investigation Asunta s ballet teacher and journalists who covered the story from beginning to end *When Caregivers Kill* Betty L. Alt,Sandra K. Wells,2010-04-16 From mothers who kill their children in postpartum fugues to fathers who murder their kids for revenge against an estranged wife the stories in this book are chilling yet real and bring home the message that children are vulnerable to violence even in the care of those who should love and protect them the most Sadly child murder by parents and caregivers happens more frequently than one

might guess and while each case is different there are often warning signs that something might be amiss Signs of physical abuse may precede the ultimate act of murder A mother's mental state after the birth of a child may signal true distress and the potential for extreme actions No one can predict with certainty when a parent or other caregiver may snap but here Alt and Wells examine many cases of child murder to find out what they have in common how we might prevent such violence and what more we can do to protect children in potentially explosive situations
