Sliders Pet All About Nature:

Slider's Pet Kirsten Hall,2004 Slider has a new pet chipmunk but the other Beasties explain why wild animals should be set free **The Natural History of the Turtles of Iowa** Terry VanDeWalle,Neil P. Bernstein,2025-01-07 This book is an in depth look at the natural history of every turtle species found in Iowa Each of the thirteen species accounts include a sampling of the common names the species has been known by in the past the first specimens collected in the state and a brief history of the early Iowa literature related to the species along with a complete description and a discussion of similar species distribution in the state habitat behavior threats foods and feeding and reproduction While readers will be able to identify Iowa s turtles through its species accounts identification keys and beautiful photographs and illustrations this book is intended to be more than a field guide What makes it truly unique is the comparison of historic data collected by Iowa herpetologists in the 1930s and 1940s with data collected by the authors along with James L Christiansen and others since 1960 Custom maps show the reader how species distributions have changed over time This book contains Iowa specific data found nowhere else and is essential to all who study turtles in the Midwest **Slider's Pet** Kirsten Hall,2005-03-01 Slider has a new pet chipmunk but the other Beasties explain why wild animals should be set free **Red-Eared Sliders** Pet Care Handbooks,2025-06-18 Red Eared Slider turtles are among the most popular pet reptiles renowned for their calm demeanor low maintenance nature and the intriguing behavior that captivates their owners These small aquatic creatures native to the southern United States have made their way into homes across the globe becoming one of the most widely kept turtles in captivity However before deciding to bring a Red Eared Slider into your life it s important to consider their unique needs and what it takes to care for them properly They may seem like easy pets at first glance but like any animal they require attention understanding and the right environment to thrive This eBook aims to guide you through the process of caring for a Red Eared Slider from the moment you choose your turtle to maintaining its health over the years Whether you re a first time turtle owner or an experienced reptile enthusiast this book will provide you with the essential information to ensure your turtle lives a long healthy life Understanding the care requirements of these turtles such as their habitat diet and behavioral needs is vital in creating a happy home for your new pet Each chapter is designed to give you insight into different aspects of Red Eared Slider care offering practical advice and solutions to common challenges faced by turtle owners In the pages ahead we ll dive into the specifics of what it takes to care for these fascinating creatures We ll explore their natural behaviors how to provide them with the proper environment and how to manage the occasional health concern that may arise From setting up the right tank to making sure your turtle s diet is balanced this guide will give you the tools to offer the best life possible for your pet Red Eared Slider So whether you ve already welcomed a turtle into your home or are considering adopting one this book is here to ensure that your Red Eared Slider thrives in your care **Lake Biwa: Interactions between Nature and People** Hiroya Kawanabe,Machiko Nishino,Masayoshi Maehata,2020-08-25 Although the first edition

had a similar focus more than five years have passed since its publication and the biological and social circumstances of the lake have drastically changed due to for example the further expansion of alien species the decrease of indigenous species the progress of integrated watershed management by the Union of the Kansai Government which was established in 2010 the legislation of the Conservation and Restoration Act of Lake Biwa in 2015 and more The new edition will therefore feature updated and new information on the above and more topics as well as updated and revised data based on the latest research Inventories of respective taxa especially those of small animals are also revised based on the latest studies Furthermore this volume covers the characteristics of the biota of this ancient lake but at the same time it will also approach it as a culture ancient lake Other topics also include water pollution lakeshore development the effects of global warming in the past and present the influence of people and countermeasures by local and national governments Moreover the volume also provides a comprehensive view on the future of Lake Biwa and that of its residents Miraculously enough this ancient lake has kept its water quality clear even until today despite the fact of more than 14 million people living on its shores Finally the book also gives indispensable information to those engaged in improving and conserving water regimes of lakes and other water bodies all over the world and to those interested in the culture and history of Japan Lake Biwa is not only one of the rarest ancient lakes of the world but the people's involvement with the lake also goes back a long way This is shown in the diverse culture developed in this area and in the various archaeological finds that date back as early as the Jomon Period nearly 10 000 years ago Today Lake Biwa fulfills an important role as a water resource by providing domestic commercial industrial and agricultural water for over 14 million residents living around the Lake Biwa Yodo River drainage basin This updated volume focuses on the geological and biological features of the lake as well as on the long term interactions between the people and the lake
