Slocum 308: Slocum and the Hangman's Lady Jake Logan,2004-09-28 Slocum bleeds justice out of an unjust town In Del Rio justice is swift and innocence is no defense You re tried in the morning and hanged at noon And if you re a lawyer winning an acquittal for your client can be fatal if it goes against the powers that be Despite Slocum s eyewitness testimony an innocent Mexican is sentenced and hanged for murder It s all part of a scheme to seize a very valuable piece of land Slocum could and probably should ride away from the whole ugly situation But injustice doesn t sit well with him and one attempt has already been made on his own life Now Slocum is going to shed the blood of the guilty to avenge an innocent man who couldn t fight back

Slocum #400 Jake Logan,2012-05-29 Slocum takes on some cowardly braves There s only one thing more vicious than the west Texas wind as it blows through Palo Duro Canyon and that s a band of bloodthirsty Kiowa Answering a woman s call for help Slocum comes across the scene of a brutal ambush Two men are dead and three women have been abducted Turns out the Indians are working with a scoundrel named Scudder who aims to turn the women into prostitutes There s only one man who can save the ladies from a fate worse than death and his name is John Slocum

Slocum #290: Slocum and the Treasure Chest Jake Logan,2003-03-25 These three gangs won t let up until Slocum fesses up One against a vicious gang of road agents One against a Crow war posse One against a corrupt American cavalry The odds are pretty lousy for Slocum and he would never play this hand in a saloon But he knows that if he folds some of these hombres will take it upon themselves to send him to that great gambling hall in the sky While Slocum traversed Utah by stagecoach on business he had no idea that there was 16 000 in precious coins on board But when the treasure chest goes missing all fingers point to him Even with the help of a very hospitable hostess Slocum knows he can t hide forever And his newfound enemies want to bring him to justice Western style

Slocum #278: Shoot-Out at Whiskey Springs Jake Logan,2002-03-26 Slocum is on the hunt for revenge and he s not the kind of man to stop until he gets exactly what he wants Slocum s just ridden into town with a pack of mules a greenhorn named Tad and hopes for some healthy compensation And he reckons a soft bed with a lusty gal would suit him just fine But instead of fillin up Slocum s coffers with gold the mules yella bellied owner fills Slocum and Tad up with lead killing the kid Forgiveness has never been Slocum s strong suit and he declares vengeance on his young friend s killer What he doesn t realize however is that this murder involves gold local politics and low down politicians And a certain lusty young lady with a mind to avenge her father s murder is only too happy to learn Slocum the way to the killers

 dissident in the World War II concentration camps for Japanese Americans the controversial figure Joseph Yoshisuke
 Kurihara stands out as an icon of Japanese American resistance In emotional often inflammatory speeches Kurihara attacked
 the U S government for its treatment of innocent citizens and immigrants Because he articulated what other inmates dared
 not voice openly he became a spokesperson for camp inmates In this astute biography Kurihara s life provides a window into
 the history of Japanese Americans during the first half of the twentieth century Born in Hawai i to Japanese parents who
 immigrated to work on the sugar plantations Kurihara worked throughout his youth and early adult life to make a place for
 himself as an American seeking quality education embracing Christianity and serving as a soldier in the U S Army during
 World War I Though he bore the brunt of anti Japanese hostility in the decades before World War II he remained adamantly
 positive about the prospects of his own life in America The U S entry into World War II and the forced removal and
 incarceration of ethnic Japanese destroyed that perspective and transformed Kurihara As an inmate at Manzanar in
 California Kurihara became one of the leaders of a dissident group within the camp and was implicated in the Manzanar
 incident a serious civil disturbance that erupted on December 6 1942 In 1945 after three years and seven months of
 incarceration he renounced his U S citizenship and boarded a ship for Japan where he had never been before He never
 returned to the United States Kurihara s personal story illuminates the tragedy of the forced removal and incarceration of U
 S citizens among the West Coast Nikkei even as it dramatizes the heroic resistance to that injustice Shedding light on the
 turmoil within the camps as well as the sensitive and formerly unspoken issue of citizenship renunciation among Japanese
 Americans In Defense of Justice explores one man s struggles with the complexities of loyalty and resistance Slocum and
the Darling Damsels of Durango Jake Logan,2013 Slocum is fast on the trail of two women who having a penchant for death
 and dynamite are responsible for blowing up a mine and sending a man to his death Food Justice Undone Hanna

Garth, 2026-02-03 Breaks open the privilege and promise of food justice to envision a radical liberatory future Food justice activists have worked to increase access to healthy food in low income communities of color across the United States Yet despite their best intentions they often perpetuate food access inequalities and racial stereotypes Hanna Garth shows how the movement has been affected by misconceptions and assumptions about residents as well as by unclear definitions of justice and what it means to be healthy Focusing on broad structures and microlevel processes Garth reveals how power dynamics shape social justice movements in particular ways Drawing on twelve years of ethnographic research Garth examines what motivates people from more affluent majority white areas of the city to intervene in South Central Los Angeles She argues that the concepts of food justice and healthy food operate as racially coded language reinforcing the idea that health problems in low income Black and Brown communities can be solved through individual behavior rather than structural change Food Justice Undone explores the stakes of social justice and the possibility of multiracial coalitions working toward a better future

Cultivating Food Justice Alison Hope Alkon, Julian Agyeman, 2011-10-21 Documents how racial and social inequalities are built into our food system and how communities are creating environmentally sustainable and socially just alternatives Popularized by such best selling authors as Michael Pollan Barbara Kingsolver and Eric Schlosser a growing food movement urges us to support sustainable agriculture by eating fresh food produced on local family farms But many low income neighborhoods and communities of color have been systematically deprived of access to healthy and sustainable food These communities have been actively prevented from producing their own food and often live in food deserts where fast food is more common than fresh food Cultivating Food Justice describes their efforts to envision and create environmentally sustainable and socially just alternatives to the food system Bringing together insights from studies of environmental justice sustainable agriculture critical race theory and food studies Cultivating Food Justice highlights the ways race and class inequalities permeate the food system from production to distribution to consumption The studies offered in the book explore a range of important issues including agricultural and land use policies that systematically disadvantage Native American African American Latino and Asian American farmers and farmworkers access problems in both urban and rural areas efforts to create sustainable local food systems in low income communities of color and future directions for the food justice movement These diverse accounts of the relationships among food environmentalism justice race and identity will help guide efforts to achieve a just and sustainable agriculture
