Historical Dictionary of Slovenia Leopoldina Plut-Pregelj, Gregor Kranjc, Žarko Lazarevic, Carole Rogel, 2018-02-22 The expanded third edition of the Historical Dictionary of Slovenia covers personalities and events that have made a mark on Slovenia in the more than a decade since the last edition This includes new entries related to Slovenia's first 13 years as a member of NATO and the EU changing diplomatic relations with its neighbors and other global states and institutions a new crop of politicians who have upended the political status quo entries related to Slovenia's worst 21st century recession 2008 2013 nationwide protests against corruption and many other developments This third edition of Historical Dictionary of Slovenia contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Slovenia **Literary Anthropology**

Fernando Poyatos, 1988-01-01 The traditional gulf between the theory and practice of literature and the various areas subjoined under anthropology has hindered the development of some very fruitful perspectives in the realm of poetics and the general theory of literature particularly in its narrative forms Poyatos' initial idea of literary anthropology as the study of people and their cultural manifestations through their national literatures without doubt the richest source of documentation of human life styles and the most advanced form of our projection in time and space and of communicating with contemporary and future generations has been enriched by the thoughts of a multi cultural group of scholars from both anthropology and literature who at a first symposium on the subject attempted to define this area leaving the way open to many more research possibilities **The A to Z of Slovenia**

Leopoldina Plut-Pregelj, Carole Rogel, 2010-05-20 For more than 1 300 years Slovenes had lived in Eastern Europe without having a separate Slovene state but in December of 1990 they voted for independence or put more appropriately for disassociation from Yugoslavia Unfortunately Slovenia had to fight for its independence which it did not fully achieve until 1995 after its bloody disintegration with Yugoslavia was over Since independence however Slovenia has prospered its economy is far ahead of other former communist states and in 2004 Slovenia acceded to both NATO and the European Union the only republic of former Yugoslavia to do so The A to Z of Slovenia covers the history of Slovenia and its struggle to gain independence from communism This is done through a detailed chronology an introduction appendixes a bibliography and hundreds of cross referenced dictionary entries on some of the more significant persons places and events institutions and organizations and political economic social cultural and religious facets Semiotics of Peasants in Transition

Irene Portis-Winner, 2002-07 Offers a new way of doing ethnography based on an analysis of interaction between immigrants from a small village in Slovenia to the U S and the culture they left

Slovenes in Michigan James E. Seelye, 2017-11-01 The Slovenes represent a small but important microcosm of
