Slovenian Axis Forces in World War II, 1941-1945 Antonio J. Munoz, 1998 Slovenian Axis Forces in World War II, 1941-1945 Antonio J. Munoz, 1998 The German Secret Field Police in Greece, 1941-1944 Antonio J. Muñoz, 2018-03-08

The Geheime Feldpolizei Secret Field Police was the political police force of the German Army during World War II Its members were drawn from both the regular German police including detectives and various Nazi security organizations The goals of the GFP were numerous and included protecting important political and military leaders investigating black market activities as well as acts of sabotage and espionage locating deserters examining anti German activists and hunting down partisans While performing these duties GFP members immersed themselves in criminal activities This book focuses on the function of the GFP in Greece compared to that of the GFP elsewhere in Europe **Yugoslavian armored units 1940-1945** Paolo Crippa, Luigi Manes, 2020-05-07 This volume tells the almost unknown story of Yugoslav tankers from training to the Second World War The formation of the first armored units of the Army of the Kingdom of Yugoslavia dates back to the late 1920s when military authorities felt the need to equip the units with an armored component on the basis of the experiences lived during the Great War by the armies engaged in trench warfare Contrary to what happened with many other European armies at that time these armored units did not develop as an extension of the cavalry divisions but were instead formed as independent departments officially called Combat Units With these departments the Kingdom of Yugoslavia faced the Second World War After the Italian German invasion of 1941 Independent Croatia and Slovenian collaborative forces formed armored units employed in the anti partisan struggle and the Wehrmacht formed 3 Armored Divisions formed by Croatian volunteers Children of the Mirna Valley Frank Bevc, 2019-05 In the quiet farmland of southeastern Slovenia the people of the Mirna Valley endured rule by feudal lords and the Habsburg Empire for over a thousand years In the early 1600 s the Bevc Family worked the land in the small village of _entrupt Three generations and over a hundred years later their descendants moved to the Debenec hills overlooking the Mirna Valley The family acquired more land and spread to the nearby towns of Mokronog and Mirna Economic conditions prompted immigration by almost one third of the Slovenian people One Bevc generation a family of eleven children found different futures in America or Slovenia Most traded the green hills and hard work of farming for the harsh life of mining coal in a smoky industrial town Each withstood hardships so that their children would have a better life Many of those children fought in World War II In Slovenia that meant occupation and Partisan resistance in America sons went off to war in Europe and the Pacific Soviet Nationals in German Wartime Service 1941-1945 Antonio J. Muñoz, 2007 **To Walk with the Devil** Gregor J. Kranjc, 2013-02-22 In the spring of 1941 when Slovenia was invaded by Germany Italy and Hungary Slovenes faced at best assimilation and at worst deportation or extermination Still a significant number of Slovenes would eventually collaborate with the Axis powers Why were they so ready to work with their invaders and why did the occupiers permit this collaboration Gregor Joseph

Kranjc investigates these questions in *To Walk with the Devil* the first English language book length account of Slovene Axis collaboration during the Second World War Examining archival material and post war scholarly and popular literature Kranjc describes the often sharp divide between Communist era interpretations of collaboration and those of their migr anti Communist opponents Kranjc situates this divide in the vicious civil war that engulfed Slovenia during its occupation a conflict that witnessed at its bloody climax the execution of over 10 000 Slovene collaborators and opponents of the new Communist Yugoslav regime in the wake of liberation *To Walk with the Devil* makes clear how these grisly events continue to ripple through Slovene society today

Axis Slovakia Mark Axworthy, 2002 After extensive source study Mark W A Axworthy has produced what many consider the definitive study on the history of the puppet Slovak state which was created supported and sustained by the Third Reich from 1938 until 1945 Mr Axworthy has carefully compiled the military history of the Slovak State complete with the political economic social and personal reasons why things occurred as they did Through hundreds of period photographs tables charts line drawings and color uniform plates this military study is carefully woven into a seamless and perfect tapestry accurately depicting a little known aspect of the Second World War Slovakia s participation on the side of the Axis forces A partnership with Nazi Germany which was intended to cause a Slavic wedge between the Allies and the Slavic countries of Europe

Yugoslavia 1941-44 Pier Paolo Battistelli, 2025-07-17 A unique visual exploration of partisan and anti partisan warfare in Yugoslavia between 1941 and 1944 Following the Axis invasion and occupation of Yugoslavia in April 1941 a brutal insurgency based both on ethnic and political affiliations broke out in the German and Italian occupied areas The result was a protracted multi partite struggle The key forces opposing the Axis occupation were Tito s communist Partisans and initially Dra a Mihailovic s royalist Chetniks with Allied allegiances shifting over time Widespread ethnic cleansing and ideological warfare were waged by the occupiers and their internal allies under the anti Partisan moniker In 1942 the first of seven major counter insurgency operations was carried out by Axis forces These took place in every part of the country aiming to annihilate the main core of resistance With stunning artwork detailed maps and period images this book reveals the military cultures of the wide range of opposing forces involved It also covers the planning and execution of each operation from the autumn 1941 offensive against the Republic of U ice through to the final attack in western Bosnia in spring 1944 The result is a unique visual exploration of one of the most complex and least studied offensives of World War II

The Landschutz of the Adriatic Coast (OZAK) Paolo Crippa, 2021-02-03 After the Armistice and the consequent German occupation of the Julian regions which were in fact annexed to the German Reich with the creation of the Zone of Operations of the Adriatic Coast the German military authorities decreed the establishment of territorial self defense units formed by Italian Slovenian and Croatian citizens to flank the German units in the fight against the partisan phenomenon The Landschutz was thus organized an ethnically based corps which had to contribute to the maintenance of order and security and was formally established by Supreme Commissioner Rainer on October 1 1943 In the varied panorama of units created

during the war with non German personnel not enough importance has ever been given to these small units of Territorial Defense and this volume attempts to provide as in depth an analysis as possible of the life of the Landschutz
