Slow Learner And The Reading Problem:

The Slow Learner and the Reading Problem John F. Cawley, Henry A. Goodstein, Will H. Burrow, 1972 Reading for Slow Learners W. K. Brennan, 2018-09-03 First published in 1978 Reading for Slow Learners is a practical guide for teachers defining the objectives of the reading curriculum identifying important aspects of teaching method and suggesting various approaches This title will also be of interest to parents of children with learning difficulties **Education of the Slow Learners** Vijay Pratap Singh, 2004 *Effective Reading Instruction for Slow Learners* Donald C. Cushenbery, Kenneth J. Gilreath, 1972 *Slow Learners: Their Psychology And Instruction* G.L. Reddy, 1997 Contents Concept of Slow Learners Identifying Slow Learners Intellectual Development of Slow Learners Emotional Development of Slow Learners Educational Programmes for Slow Learners Teaching Language to Slow Learners Teaching Mathematics to Slow Learners Teaching of Vocational Education and Physical Education to Slow Learners Developing Creativity and Social Competence in Slow Learners Research on Slow Learners **The Slow Learners and Their Reading Problem** Glinda K. Davis, Prairie View A & M University. College of Arts and Sciences, 1982 Slow Learners Diane Griffin, 2005-08-02 First Published in 1978 In the case of slow learners the first and most critical thing to do is to recognise that children are individuals and then to break the circle of failure they expect to tread All the ideas and suggestions in this book therefore are governed by this belief Each chapter is self contained in so far as it can be read by itself and as a reference if a teacher or parent is meeting a particular difficulty in that field Some chapters are pertinent to both primary and secondary school teachers some more to one age group than another but all are related The appendices are itemised separately so that their information may be used on its own All the materials ideas and suggestions are from practising teachers and have been or are being at the present time used in schools **Slow learners in the English Classroom** Dr Binu P.M., 2021-12-14 A classroom is a complex world that contains a relatively heterogeneous group of students Despite their innate skills and abilities some students get unrecognized or neglected due to teachers failure in making proper assessments As a result many students who could be potential scientists or experts in any other field become dropouts or underachievers When classroom instructors only rely on test results without being very keen on using their observational skills to assess their students comprehensively they jeopardize the future of so many children during their careers Hence it would be apt to say that a child s future partially lies in the hands of their early educators This book specifically addresses the problems faced by slow learners in the English classroom It analyses the reasons that make a student a slow learner and provides valuable insights about the strategies and tools English language instructors need to employ to identify and support slow learners in their classes Although this book is intended for use by the teachers of English it will be a helpful guide for all teachers student teachers teacher trainers researchers and policymakers A Study of Problems Involved in Teaching the Slow Learner to Read Margaret Lindsay Goit, 1952 **Understanding Learning Disabilities** Drake Duane, 2012-12-06 The authors of the papers presented in this

volume are either members of the International Study Group on Special Educational Needs or their representatives This is a small seminar convened by invitation involving participants from the United Kingdom North America Europe and New Zealand The membership is multi disciplinary and all the participants have a professional interest in some aspect of special educational needs Several historical patterns played a part in the development of the seminar one being the evolution in England and Wales of special education legislation growing out of the Warnock Committee Report This legislation in turn has been influenced by the special education developments in the United States which led to the passage of The Education of All Handicapped Children Act Public Law 94 142 in 1975 A second theme leading to the development of the seminar was the growing interest internationally in learning disabilities and the establishment at the University of Southampton in England of the Learning Disabilities Unit headed by Colin Stevenson Discussions in 1979 and 1980 held at conferences of the Association for Citizens with Learning Disabilities the Orton Dyslexia Society meetings and elsewhere led to the proposal for a small international seminar meeting annually which would be concerned with research and education in the area of special educational needs The Lord Renwick then Chairman of the British Dyslexia Association and Colin Stevenson took the initiative in proposing that an International Conference be held at the University of Southampton
