The Small Faces & Other Stories Roland Schmitt, 2011-08-01 The Small Faces Other Stories is a trip back in time charting the rise and fall of one of the Sixties most energetic and successful bands It is the extraordinary story of how this bold four piece led by mercurial cockney Steve Marriot found fame and then splintered by the end of the decade to evolve into Humble Pie with Peter Frampton and the Faces fronted by Rod Stewart Along the way their trademark songs Itchycoo Park All or Nothing Stay With Me and Baby I Love Your Way would influence future generations of musicians such as Paul Weller Ocean Colour Scene and Blur By way of anecdote interview and analysis Uli Twelker and Roland Schmitt lift the lid on the bands complex histories and the explosive characters involved that built one of rock music s most enduring and successful family trees

All Our Yesterdays Joel

H. Morris, 2024-03-12 A USA Today Bestseller A propulsive and piercing debut set ten years before the events of Shakespeare's historic play about the ambition power and fate that define one of literature's most notorious figures Lady Macbeth Scotland the 11th Century Born in a noble household and granddaughter of a forgotten Scottish king a young girl carries the guilt of her mother's death and the weight of an unknowable prophecy When she is married at fifteen to the Mormaer of Moray she experiences firsthand the violence of a sadistic husband and a kingdom constantly at war To survive with her young son in a superstitious realm she must rely on her own cunning and wit especially when her husband's downfall inadvertently sets them free Suspicious of the dark devices that may have led to his father's death her son watches as his mother falls in love with the enigmatic thane Macbeth Now a woman of stature Lady Macbeth confronts a world of masculine power and secures the protection of her family But the coronation of King Duncan and the political maneuvering of her cousin Macduff set her on a tragic course one where her own success might mean embracing the very curse that haunts her and risking the child she loves

All Our Yesterdays Peter Rimmer, This is not a true story I hope it never becomes one In the summer of 1956 sixteen year old Marguerite Stearle daughter of a housekeeper falls in love with the squire of Mirelton's nephew Myles Featherstone A delightful romance ensues but in a class conscious society Myles has no choice but to end the liaison With few prospects a wretched Marguerite embarks on a new life in London hoping her heart will mend Unexpectedly Marguerite is introduced to a tobacco farmer from the British colony

of Rhodesia Falling in love yet again a new future beckons one full of excitement as well as forbidding dangers But with foresight is it a destiny Marguerite would be willing to follow knowing how it would all end And is this new love worth life itself In what is believed to be Peter Rimmer s first novel written in 1961 this tragic story is Peter s perception and almost prophetic vision he had of what was to become of Britain s last African colony If you like historical fiction full of love passion and sheer determination to win through then you will love All Our Yesterdays a story that will keep you in suspense right until the very end British Rock Modernism, 1967-1977 Barry J. Faulk,2016-05-23 British Rock Modernism 1967 1977 explains how the definitive British rock performers of this epoch aimed not at the youthful rebellion for which they are legendary but at a highly self conscious project of commenting on the business in which they were engaged They did so by ironically appropriating the traditional forms of Victorian music hall Faulk focuses on the mid to late 1960s when British rock bands who had already achieved commercial prominence began to aspire to aesthetic distinction The book discusses recordings such as the Beatles Magical Mystery Tour album the Kinks The Village Green Preservation Society and the Sex Pistols Never Mind the Bollocks Here s the Sex Pistols and television films such as the Beatles Magical Mystery Tour and the Rolling Stones Rock and Roll Circus that defined rock s early high art moment Faulk argues that these texts disclose the primary strategies by which British rock groups mostly comprised of young working and lower middle class men made their bid for aesthetic merit by sampling music hall sounds The result was a symbolically charged form whose main purpose was to unsettle the hierarchy that set traditional popular culture above the new medium Rock groups engaged with the music of the past in order both to demonstrate the comparative vitality of the new form and signify rock s new art status compared to earlier British pop music The book historicizes punk rock as a later development of earlier British rock rather than a rupture Unlike earlier groups the Sex Pistols did not appropriate music hall form in an ironic way but the band and their manager Malcolm McLaren were obsessed with the meaning of the past for the present in a distinctly modernist fashion *All My Yesterdays* G. I. R. Pearce,2006 The amazing sight of a majestic silver airship evoked wondrous excitement in a seven year old boy as it floated slowly overhead at less than a thousand feet in1929 *Paul Weller: My Ever Changing Moods* John Reed,2009-11-05 The best selling biography to the life and mood swings of the one and only Modfather Through his work with The Jam The Style Council and ultimately as a solo artist Weller has remained one of our most uncompromising artists and social commentators John Reed charts the turbulent course of Weller s career as the Woking born songwriter has battled to balance his moral convictions with the demands of being a pop music artist This updated version brings the story fully into the 21st century and includes a comprehensive discography as well as a host of previously unpublished photographs **All Our Yesterdays** James Oliver Robertson,Janet C. Robertson,1993 In 1967 the Robertsons bought an old house in Connecticut where they found papers written by a family who had lived in the house since the 1790s and had kept incredibly complete records of their lives Their history reflects how this nation grew and was shaped by the morals and aspirations of

families like the Taintors
