Small Wonders New Stories By Twelve Distinguished Canadian Authors:

"Collecting Stamps Would Have Been More Fun" Jordan Stouck, David Stouck, 2010-07-15 This unique exchange of letters between literary icon Sinclair Ross and several prominent writers publishers agents and editors asks why many Canadian artists especially those in western provinces spent a lifetime struggling for recognition and remuneration Featuring exchanges with Earle Birney Margaret Laurence and Margaret Atwood among others this collection exposes the conditions of cultural work in Canada for much of the twentieth century This vivid often moving selection of professional and personal letters plus the only formal interview Ross ever gave provides a valuable resource for those engaged with the history of publishing in Canada as well as for those with an interest in Canadian literature **Reading In** JoAnn McCaig, 2009-10-21

What can we learn about authorship through a reading of a writer's archive Collections of authors manuscripts and correspondence have traditionally been used in ways that further illuminate the published text JoAnn McCaig sets out to show how archival materials can also provide fascinating insights into the business of culture reveal the individuals institutions and ideologies that shape the author and her work and describe the negotiations that occur between an author and the cultural marketplace Using a feminist cultural studies approach JoAnn McCaig reads in to the archives of acclaimed Canadian short story writer Alice Munro in order to explore precisely how the terms Canadian woman short story and writer are constructed in her writing career Munro's correspondence with mentor Robert Weaver agent Virginia Barber publishers Doug Gibson and Ann Close and writer John Metcalf tell a fascinating story of how one very determined and gifted writer made her way through the pitfalls of the culture business to achieve the enviable authority she now claims McCaig's discussion of her own difficulties with obtaining copyright permission for the book raises important questions about freedom of scholarly inquiry and about the unforeseen difficulties and limitations of archival research Despite these difficulties McCaig's reading of the Munro archives succeeds in examining the business of culture the construction of the aesthetic and the impact of gender genre nationality and class on authorship While on one level telling the story of one author's career the progress of Alice Munro so to speak the book also illustrates how cultural studies analysis suggests ways of opening up the rich but underutilized literary resource of authorial archives to all researchers **"Collecting Stamps Would Have Been More Fun"** Sinclair Ross, 2010-07-15

The peculiar struggles of Canadian authors are writ large in the letters of Sinclair Ross **The Oxford Book of Canadian Short Stories in English** Margaret Atwood, Robert Weaver, 1986 Arranged chronologically from the nineteenth century to the present with forty stories in all this anthology includes a story by Atwood herself *The Sin Eater* as well as stories by Morley Callaghan Mavis Gallant Margaret Laurence Alice Munro Mordecai Richler Jane Rule Guy Vanderhaeghe and many others Drawing together some of the greatest stories in the English language it also features biographical notes and an index of authors **Small Wonders** Robert Weaver, 1982 **Canadian Book Review Annual**, 1982 **Canadiana**, 1986 *Book Review Digest*, 1918 *On Coasts of Eternity* J. R. Tim Struthers, 1996

The British Library General Catalogue of Printed Books, 1986 to 1987 British Library, 1988
