Building Sustainable Leadership Capacity Alan M. Blankstein, Paul D. Houston, Robert W. Cole, 2009-05-05 Meet the challenges of today's changing schools through shared leadership Today's rapidly changing schools and educational trends present administrators and school leaders with unique challenges This fifth volume in the Soul of Educational Leadership series offers inspiring articles that examine how to sustain the achievements of school communities while building shared leadership to carry on the work of school improvement even when facing tight budgets or a change in leadership Bringing together a powerful group of leading educational thinkers such as Michael Fullan Dennis Sparks Linda Lambert Dean Fink Alma Harris and many others this volume explores a variety of timely topics for reflection discussion and practice including The characteristics and nature of effective leadership Sustainable leadership built on shared vision Improving classroom teaching and student learning Large scale reforms that benefit the entire school community Recruiting and developing new leaders and much more This book is an ideal reference for busy administrators dedicated to continued educational excellence

Handbook of Prosocial Education Philip M. Brown, Michael W. Corrigan, Ann Higgins-D'Alessandro, 2012-10-12 Handbook of Prosocial Education is the definitive theoretical practical and policy guide to the prosocial side of education the necessary second side of the educational coin Academic teaching and learning are the first side of education however academic success depends upon the structures and support of prosocial educational efforts from promoting positive school climate to fostering student and teacher development to civic literacy and responsible and critical citizenship participation The Handbook of Prosocial Education chapters written by highly respected researchers and outstanding educators represent the wide range of research based prosocial interventions from pre school through high school The chapters explore and explain how prosocial education

helps teachers create effective classroom learning environments to support the development of the whole student principals encourage positive school climate and superintendents work to improve the health and well being of their systems As readers will learn when done well prosocial education develops the capacities and competencies of students teachers and school administrators that lead to a more autonomous positive self concept greater sense of purpose more socially responsible behaviors and increased connections between families schools and communities This book pulls together in one place for the first time the various threads that create the prosocial education tapestry making a compelling case for the necessity of changing national educational policy that continues to be ever more oriented to only the academic side of the educational coin thus jeopardizing the foundational and historic purpose of educating our children for their full human development and participation in our democracy **Schools as Professional Learning Communities** Sylvia M. Roberts,Eunice Z.
