Brainwashed Republic: India's Controlled Systemic Deracination Neeraj Atri,Munieshwar A Saagar,2017-07-13 The education system of India has been thoroughly compromised It is being systematically used to create a historical grand narrative which is ethically and

factually incorrect Sophisticated propaganda techniques are employed to create this artifice This book is an effort to highlight this academic fraud It is a result of research spread over more than 6 years Facts are the guiding lights for the books and not any ideology For further information refer to our website www.brainwashedrepublic.com *Idol Anxiety* Josh Ellenbogen, Aaron Tugendhaft, 2011-07-18 This interdisciplinary collection of essays on idolatry including both historical and theoretical contributions shows that the concept of idolatry is helpful for all who study the ways that people interact with and conceive of the things around them *The Way of Kings* Nathan Clarkson, 2022-04-26 Today's man is in an identity crisis With a never ending barrage of confusing condescending and condemning voices telling him who he is and who he isn't it can feel impossible to discover who he was made to be Men were made to be kings to protect the light fight the darkness and rule well the domain God has given them But to be a good king men must act in the likeness of the King Drawing on the ancient tradition of an older and wiser ruler passing on his wisdom like Solomon in the book of Proverbs Nathan Clarkson offers young men 40 short and to the point letters for the journey Packed with practical biblically based advice on real life issues this book helps men base their identity not in who the world says they should be but in who their King says they can be For the modern man looking to live out a greater story *The Way of Kings* offers ancient wisdom rooted in sacred Scripture to help him discover who he was created to be **The Tragedy Test** Richard Agler, 2018-10-25 When tragedy strikes we want to know Why did this happen How could it have happened Where is life's justice and fairness When tragedy strikes we need to know What still makes sense What paths lead to healing How to deal with the timeless questions When Rabbi Richard Agler's twenty six year old daughter Talia was struck and killed by a motor vehicle his understanding of tragedy failed him This book is an account of a journey one he had no choice but to take leading from unimaginable grief to at least partial recovery In clear and compelling language with references to both ancient and modern sources of wisdom Rabbi Agler offers insight for everyone who has or who one day might experience painful loss *The Tragedy Test* may give you enhanced clarity on some of humanity's most profound questions It may lead you to reimagine the nature of our universe It may fundamentally challenge your understanding of the God you thought you knew It will not leave you unmoved or unchanged *The Devil Reads Nietzsche* Michael McEwen, 2025-10-15 In this project Michael McEwen expounds the life and philosophy of Friedrich Nietzsche in order to disciple readers in how to build a biblical theological model of engaging with non Christian ideologies and narratives
