Sinn Féin A Hundred Turbulent Years:

Sinn Féin Brian Feeney, 2002 Uncompromising and controversial Sinn Féin has survived an extraordinary history in politics and has seen some of the most famous political names in Ireland pass through its ranks Brian Feeney presents this illustrated history of the party

Sinn Féin Brian Feeney, 2002 The dual function the voice of national identity and a political party has played a determining role in the unique history of Sinn Féin From its origins as an intellectual and political ginger group founded by Arthur Griffith at the beginning of the last century to foster independence from the British Empire Sinn Féin has today become a powerful force in Ireland North and South led by Gerry Adams and Martin McGuinness This book traces Sinn Féin's zigzag path towards constitutional politics presents a critical analysis of Sinn Féin's personalities and policies over the century and shows how it has arrived at last in government in the North with hopes of a future role in coalition in the Republic and confidently predicting a united Ireland

Dissident Irish Republicanism Max Taylor, P.M. Currie, 2011-07-15 This collection of papers examines the current rise in violence by Dissident Irish Republicans and its impact on the Northern Ireland Peace Process The work will address advanced undergraduate and graduate students in Terrorism Studies Irish Politics Political Violence and Conflict Studies

Irish Political Prisoners 1960-2000 Seán McConville, 2021-03-30 This is a comprehensive detailed and humane account of the thousands who came into custody during the years of the Northern Ireland conflict and how they lived out the months years and decades in Irish and English maximum security prisons Erupting in 1969 the Northern Ireland troubles continued with terrible intensity until 1998 The most enduring civil conflict in Western Europe since the Second World War cost almost 4 000 lives inflicted a vast toll of injuries and wrought much destruction Based on extensive archival research and numerous interviews this book covers the jurisdictions of Northern Ireland the Republic of Ireland and England providing an account of riots escapes strip and dirty protests and hunger strikes It paints a picture of coming to terms with sentences some of which lasted for two decades and more Republicans and loyalists male and female prisoners officials and staff families supporters clergy and politicians all played a part and all were changed The narrative includes some of the most remarkable events in prison history anywhere mass breakouts organised cell fouling and prolonged nakedness and hunger striking to the death there are also accounts of the prisoners very effective parallel command structure The book shows how Anglo Irish and intra Irish relations were profoundly affected and how the prisoners involvement and consent were critical to the Good Friday Agreement that ended the long war The final part of a trilogy dealing with Irish political prisoners from 1848 to 2000 by renowned expert Seán McConville this is an essential resource for students and scholars of Irish history and Irish political prisoners it is also a major contribution to the study of imprisonment

Shinners, Dissos and Dissenters: Irish republican media activism since the Good Friday Agreement Paddy Hoey, 2018-01-17 Shinners dissos and dissenters is a long term analysis of the development of Irish republican media activism since 1998 and the tumultuous years that followed the end of the Troubles It

is the first in depth analysis of the newspapers magazines and online spaces in which strands of Irish republicanism developed and were articulated in a period in which schism and dissent underscored a return to violence for dissidents Based on an analysis of Irish republican media outlets as well as interviews with the key activists that produced them this book provides a compelling snap shot of a political ideology in transition as it is moulded by the forces of the Peace Process and often violent internal ideological schism that threatened a return to the bad old days of the Troubles 'The Age-Old Struggle' Jack Hepworth,2021-09-15 This is a wide ranging analysis of the internal dynamics of Irish republicanism between the outbreak of the Troubles in 1969 and the Good Friday Agreement of 1998 Engaging a vast array of hitherto unused primary sources alongside original and re used oral history interviews The Age Old Struggle draws upon the words and writings of more than 250 Irish republicans This book scrutinises the movement s historical and contemporary complexity the variety of influences within Irish republicanism and divergent republican responses at pivotal moments in the conflict Yet it also assesses the centripetal forces which connected republican organisations through decades of struggle Across five thematic chapters The Age Old Struggle offers new insights into republicanism s multi layered interactions with the global 68 tactical and strategic change revolutionary socialism feminism and religion Drawing on political periodicals ephemera and interviews with activists throughout the ranks of several republican groups the book roots its analysis in republicanism s temporal and spatial complexity It contends that the cultural significance of place interactions with class and revolutionary politics and shifting intra movement networks are essential to understanding the movement s dynamics since 1969

Remembering the Year of the French Guy Beiner,2007-02-01 Remembering the Year of the French is a model of historical achievement moving deftly between the study of historical events the failed French invasion of the West of Ireland in 1798 and folkloric representations of those events **Devolution in the United Kingdom** Russell Deacon,2012-09-30

This introduction to the major changes caused by devolution looks at both the historical background and contemporary political events It assesses the operation strengths and weaknesses of the devolved state using highly relevant case studies to illustr **A Failed Political Entity** Stephen Kelly,2016-10-10 Charles Haughey maintained one of the most controversial and brilliant careers in the history of Irish politics but for every stage in his mounting success there was one issue that complicated and almost devastated his ambitions to lead Irish politics Northern Ireland In A Failed Political Entity Stephen Kelly uncovers the complex motives that underlie Haughey s fervent attitude towards the political and sectarian violence that was raging across the border Early in Haughey s governmental career he took a hard line against the IRA leading many to think he was antipathetic towards the situation in Northern Ireland Then in one of the most defining scandals in the history of modern Ireland The Arms Crisis of 1970 he was accused of attempting to supply northern nationalists with guns and ammunitions Whilst his role in this murky affair almost ended his political career the question of Northern Ireland was ever binding and would deftly serve to bring Haughey back to power as taoiseach in 1979 Through recent access to an astonishing

array of classified documents and extensive interviews Stephen Kelly confronts every controversy examining the genesis of Haughey's attitude to Northern Ireland allegations that Haughey played a key part in the formation of the Provisional IRA the Haughey Thatcher relationship and Haughey's leading hand in the early stages of the fledgling Northern Ireland peace process

The A to Z of the Northern Ireland Conflict Gordon Gillespie, 2009-09-24 For nearly four decades the conflict in Ireland has embittered relations between the communities living there and spoiled relations between the Republic of Ireland and Great Britain For three decades it escalated punctuated by periodic bloody clashes followed by somewhat calmer periods of tension during which violence of all sorts robberies kidnappings serious injuries and deaths were all too common During the past decade fortunately all sides have realized that armed solutions were unlikely to bring a solution to anyone's problems and that peace should be given a chance Fortunately with the establishment of a new Northern Ireland Executive there is a general acceptance that the conflict is now part of the past The A to Z of the Northern Ireland Conflict covers the history of the Troubles through a chronology covering the Northern Ireland conflict and peace process from 1968 until the formation of the new Northern Ireland Executive in May 2007 an introductory essay a bibliography and several hundred cross referenced dictionary entries on main events individuals and organizations Researchers with an interest in the Northern Ireland conflict will find this book to be an essential addition to their collection of reference books on the subject

Religious Leaders and Conflict Transformation Nukhet A. Sandal, 2017-02-16 The book introduces a theoretical framework to understand the role of religious leaders in conflict transformation and peacebuilding

Official Irish Republicanism, 1962 to 1972 Sean Swan, 2007-06 A history of the Official Irish Republican movement from the IRA's 1962 ceasefire to the Official IRA's permanent ceasefire in 1972 The civil rights movement the outbreak of violence in August 1969 the links with the communist party the Official IRA's campaign the ceasefire and later developments towards Sinn Féin the Workers Party are explored This book is the first in depth study of this crucial period in the history of Irish republicanism Using his unprecedented access to the internal documents of the movement and interviews with key participants Swan's work will transform our understanding of this transformative period in the history of the movement Henry Patterson Author of *The Politics of Illusion A Political History of the IRA and Ireland Since 1939* There is much fascinating material and also much good sense Richard English Author of *Armed Struggle A History of the IRA and Radicals and the Republic Socialist Republicanism in the Irish Free State*

Ruairí Ó Brádaigh Robert W. White, 2020-05-05 A biography and analysis of the influential Irish political and military leader At his death in 2013 Ruairí Ó Brádaigh remained a divisive and influential figure in Irish politics and the Irish Republican movement He was the first person to serve as chief of staff of the Irish Republican Army as president of the political party Sinn Féin and to have been elected as an abstentionist to the Dublin parliament He was a prominent uncompromising and articulate spokesperson of those Irish Republicans who questioned the peace process in Northern Ireland His concern was rooted in his analysis of Irish history and his belief that the peace process would not

achieve peace He believed that it would support the continued partition of Ireland and result in continued inevitable conflict The child of Irish Republican veterans Br daigh led IRA raids was arrested and interned escaped and lived on the run and even spent a period on a hunger strike Because he was an effective spokesman for the Irish Republican cause he was at different times excluded from Northern Ireland Britain the United States and Canada He was also a key figure in the secret negotiation of a bilateral IRA British truce in the mid 1970s In a brief afterword for this new edition author Robert W White addresses Br daigh s continuing influence on the Irish Republican Movement including the ongoing dissident campaign Whether for good or bad this ongoing dissident activity is a part of Ruair Br daigh s enduring legacy A tour de force Indispensable for all Irish studies collections Essential Choice **Say Nothing** Patrick Radden Keefe, 2020-02-25 NEW YORK TIMES BESTSELLER NOW AN FX LIMITED SERIES STREAMING ON HULU NATIONAL BOOK CRITICS CIRCLE AWARD WINNER From the author of Empire of Pain a stunning intricate narrative about a notorious killing in Northern Ireland and its devastating repercussions One of The New York Times s 20 Best Books of the 21st Century A Kirkus Reviews Best Nonfiction Book of the Century A Los Angeles Times Best Nonfiction Book of the Last 30 Years Masked intruders dragged Jean McConville a 38 year old widow and mother of 10 from her Belfast home in 1972 In this meticulously reported book as finely paced as a novel Keefe uses McConville s murder as a prism to tell the history of the Troubles in Northern Ireland Interviewing people on both sides of the conflict he transforms the tragic damage and waste of the era into a searing utterly gripping saga New York Times Book Review Reads like a novel Keefe is a master of narrative nonfiction An incredible story Rolling Stone A Best Book of the Year The New York Times The Washington Post The Wall Street Journal TIME NPR and more Jean McConville s abduction was one of the most notorious episodes of the vicious conflict known as The Troubles Everyone in the neighborhood knew the I R A was responsible But in a climate of fear and paranoia no one would speak of it In 2003 five years after an accord brought an uneasy peace to Northern Ireland a set of human bones was discovered on a beach McConville s children knew it was their mother when they were told a blue safety pin was attached to the dress with so many kids she had always kept it handy for diapers or ripped clothes Patrick Radden Keefe s mesmerizing book on the bitter conflict in Northern Ireland and its aftermath uses the McConville case as a starting point for the tale of a society wracked by a violent guerrilla war a war whose consequences have never been reckoned with The brutal violence seared not only people like the McConville children but also I R A members embittered by a peace that fell far short of the goal of a united Ireland and left them wondering whether the killings they committed were not justified acts of war but simple murders From radical and impetuous I R A terrorists such as Dolours Price who when she was barely out of her teens was already planting bombs in London and targeting informers for execution to the ferocious I R A mastermind known as The Dark to the spy games and dirty schemes of the British Army to Gerry Adams who negotiated the peace but betrayed his hardcore comrades by denying his I R A past Say Nothing conjures a world of passion betrayal vengeance and anguish

Transitional Justice and Legacies of State Violence Lisa White, 2015-03-05 As politicians public bodies and non Governmental organisations continue to profess an interest in making peace with the past this highly original study explores the motivation significance and legacy of making public experiences of state violence in Northern Ireland Based on a synthesis of documentary material with the findings from a series of contemporary interviews this timely book uncovers the reasoning behind many Republican former detainees accounts of state violence and torture It examines the aims of those who went public during the conflict and discusses the meaning they attached to their stories and the various responses to them It also identifies some of the risks involved in criticising the violence of the British State and illuminates the ways in which truths are often contested in Northern Ireland both during the conflict and in the years which have followed A unique piece of interdisciplinary work the study disentangles and evaluates the discourses presented by former detainees and makes an innovative and interesting contribution to knowledge about transitional justice and legacies of state violence The book is suitable for social science scholars interested in human rights state violence criminology and transitional justice as well as those seeking to understand more about experiences of imprisonment and the legacy of the Northern Ireland conflict

Inside the IRA Andrew Sanders, 2011-12-20 The Irish Republican movement was one of the most significant revolutionary movements of the twentieth century This book focuses on the issue of republican splits which created the Provisional and Official republican movements and the subsequent develo **John A. Costello The Reluctant Taoiseach** David McCullagh, 2010-10-08 John A Costello remains the most elusive of our former Taoisigh despite his enormous contribution to Irish history He declared the Republic led the country s first ever coalition government and faced the Mother and Child Crisis A surprise choice who battled against taking the job Costello was the Reluctant Taoiseach Historian and political correspondent David McCullagh charts the life of this fascinating man using his personal archive of papers as well as interviews with former colleagues family and friends McCullagh offers new insights into a political career which stretched from Independence to the end of the 1960s including the Commonwealth Conferences of the 1920s to the new Constitution of 1937 and Governments in the 1940s and 1950s Politician barrister Attorney General politician family man The Reluctant Taoiseach takes a fresh and revealing look at the life of a man at the centre of politics and law during one of the most turbulent periods in Irish history *Ireland* Joseph Coohill, 2024-08-01 From the first prehistoric inhabitants of the island to the Windsor Framework for Northern Ireland this uniquely concise account of Ireland and its people reveals how modern Irish society is the product of a rich multivalent history Combining factual information with a critical approach Coohill covers all the key events including the Great Famine Home Rule the Good Friday Agreement and Brexit Newly revised and updated this highly accessible and balanced account will continue to provide a valuable resource to all those wishing to acquaint themselves further with the complex history of Ireland and Irish people **Smashing H-block** F. Stuart Ross, 2011-01-01 The period from 1976 to 1982 is widely regarded as a crucial turning point in the Irish Troubles As time has passed the

historic prison hunger strikes of 1980 and 1981 have taken on near mythic resonance somewhat distorting the broader picture of the Irish republican struggle against criminalization Focusing on the popular movement outside the prisons Smashing H Block gives us a gripping thorough account of this fateful time and reveals how these years of protest reshaped and revitalized modern Irish republicanism Drawing on extensive archival research and the widest range of sources available F Stuart Ross paints a compelling portrait of the last great wave of activism and mobilization with the nationalist population He argues that the protests outside of the infamous H Blocks of Maze Prison challenged republican orthodoxy while more broadly he examines the importance of popular grassroots movements in effecting political and social change *The IRA 1956-69* Matt Treacy, 2013-07-19 While there have been many books written about the IRA since 1916 comparatively little attention has been paid to the organisation during the 1960s despite the fact that the internal divisions culminating in the 1969 split are often seen as key to the conflict which erupted that year This book newly available in paperback redresses that vacuum and through an exhaustive survey of internal and official sources as well as interviews with key IRA members provides a unique and fascinating insight into radical Republican politics which will be of interest to those interested in Irish history and politics The author looks at the root of the divisions which centred on conflicting attitudes within the IRA on armed struggle electoral participation and socialism He argues that while the IRA did not consciously plan the northern Troubles the internal debate of the 1960s had implications for what happened in 1969

Whispering the Strategies of Language: An Psychological Journey through **Sinn Fein A Hundred Turbulent Years**

In a digitally-driven earth where monitors reign great and quick transmission drowns out the subtleties of language, the profound techniques and emotional nuances concealed within words frequently move unheard. Yet, located within the pages of **Sinn Fein A Hundred Turbulent Years** a interesting literary value sporting with natural thoughts, lies an exceptional quest waiting to be undertaken.
