Sermons James USHER (successively Bishop of Meath and Archbishop of Armagh.), 1831 *The True Christian's Faith and Experience Briefly Declared ...* William Shewen, 1830 *The Nature of Christianity, in the True Light Asserted* George Whitehead, 1833 **The Pinnacle of Holiness** D. L. Anderson, 2013-02-28 There's more to inheriting eternal life than what many of us have been told Depending upon your level of spiritual commitment this statement may or may not mean anything

to you But it means everything to me Why It is because eternal life represents the progressive alternative to endless death the only other potential final destination of my soul Therefore as the soul shall subsist forever securing eternal life should be the primary objective of every progressive existence At the same time many have been deceived into believing that inheriting eternal life is as easy as saying a simple prayer or having an undeveloped meager level of faith Still the reality is that inheriting eternal life i e the greatest prize of all time will naturally require the greatest investment of all time a life dedicated to the will of the Father which is the basis of progressive spiritualism Accordingly the scriptures teach us For whosoever will save his life shall lose it and whosoever will lose his life for my sake shall find it For what is a man profited if he shall gain the whole world and lose his own soul Or what shall a man give in exchange for his soul See Matthew 16 25 26 In my opinion any honest person would come to this conclusion and would rightfully as well as willfully desire to make the necessary investment required to obtain the prize of eternal life The problem is that many honest believers havent been told the whole story and are preparing to go to the Judgment with many of their works undone Consequently the question of the hour is simply this what more is there to the story Conclusively the answers to this inquiry are found within this volume of The Pinnacle of Holiness Building off the former volume which provides a high level description of the path which leads to eternal life this volume will focus on providing detailed information about the path Thus it should be viewed as a spiritual training manual which each sojourner soldier can employ to ensure that they are abiding by every criterion associated with inheriting eternal life In the end and with regards to the delicate matter of eternal life the most critical factors are the instructions which the Father has revealed to us by His Spirit and recorded within His Word Definitively these spiritual and scriptural disclosures are contained within this volume As the scriptures have said And thine ears shall hear a word behind thee saying This is the way walk ye in it when ye turn to the right hand and when ye turn to the left **Men of One Book**

Ian J Maddock,2012-08-30 The proposal of this book is to guide the reader to the contrastive ministries of the two most dominant preachers of the eighteen century evangelical revival In a wonderful comparative approach the author draws John Wesley and George Whitefield s portraits and explores their life and practice as well as their relationship Committed to the principle that the whole world was their parish Wesley and Whitefield manifested their singular desire to be men of one book through preaching ministries that were equally committed to the spread of the gospel throughout the transatlantic world

Sins of the Past Rachel Lee,1996-09-01 *The Nature of Christianity in the True Light Asserted, Etc. [An Answer to "Christianity Vindicated," by Robert Gordon. With "An Additional Postscript, by George Keith to Robert Gordon."]* George Whitehead,1671 **Leaving Jesus** James Wood Jr.,2011-11-08

Everyone knows that Christians believe that Jesus is the Messiah Is it possible that they have misunderstood the entire concept of the Messiah and his function in God s spiritual economy Passages such as Isaiah 53 and Zechariah 13 are viewed as messianic by the Church but has the Church misused them to point to a confused portrait of a man that shouldn t have applied for the position Is the New Testament an accurate

picture of the events surrounding the times of Jesus or is it fiction As a former Christian of 25 years and son of a Southern Baptist minister James entered a Messianic Jewish congregation to experience the teachings of the Messianic movement Convinced something was terribly wrong he left the movement and started studying to find the truth After five years of intensive study and much prayer James reveals in simple language how Christians have been lead down a path paved with deceit and contradictions
