## **Siouxsie And The Banshees:**

*Siouxsie and the Banshees* S. Severin, 2023-03-31 Siouxsie and the Banshees were a rock group formed in London England UK during 1976 by vocalist Siouxsie Sioux and bass guitarist Steven Severin They've been widely influential to their contemporaries then over later artists Mojo rated guitarist John McGeoch in their list of 100 Greatest Guitarists of All Time for his playing on *Spellbound* The Times newspaper cited the band as one of the most audacious and uncompromising musical adventurers of the post punk era First associated with the punk scene the Banshees rapidly evolved to create a form of post punk discord full of daring rhythmic and sonic experimentation Their debut LP *The Scream* was released in 1978 to critical acclaim but they changed their musical direction becoming almost a different band with *Kaleidoscope* 1980 which hit UK 5 on the Albums Chart With *Juju* 1981 which also reached the top 10 the group became an influence on the emerging gothic scene The Banshees broke through in North America during 1988 with the multifaceted LP *Peepshow* which received critical acclaim They had a mainstream hit in the US in 1991 following significant support from alternative rock radio stations with the single *Kiss Them for Me* The band issued 11 studio albums and 30 singles during their career with several line up changes Siouxsie and Severin being the only constant members They split up during 1996 with Siouxsie and drummer Budgie continuing to record as the Creatures a 2nd group they'd formed in the early 80s before Siouxsie began a solo career during 2004

**Siouxsie and the Banshees - The Early Years** Laurence Hedges, 2023-04-21 Monday 20th September

1976 saw one of the most unexpected moments in music history when what was to become one of the most iconic important and mimicked bands of the 1970s 1980s and 1990s took to the stage at The 100 Club in Oxford Street London A last minute addition to the 100 Club Punk Special that included The Clash Sex Pistols Buzzcocks and The Damned an unknown Siouxsie and The Banshees comprising Sid Vicious Steve Severin Marco Pirroni and Siouxsie Sioux unleashed twenty minutes of performance art improvisation featuring fragments of *Deutschland Deutschland Uber Alles* *Twist And Shout* and *Satisfaction* The Lord's Prayer which was to become a staple of Siouxsie and The Banshees early live repertoire was a white noise assault on the senses and a barometer of the alienation many teenagers felt from the bloated nature of mid 1970s arena rock Several line up changes later in 1978 Siouxsie and The Banshees were propelled into the pop stratosphere Signed to a major record label the band released *Hong Kong Garden* and wrote one of the most influential post punk albums of all time *The Scream* a savage critique of curtain twitching suburbia the cheap titillation of the tabloids and the dangers of believing and following any one doctrine 1979's *Join Hands* influenced by the political landscape in Britain and further afield and the catastrophic loss of life in World War One was a milestone of the band's increasing maturity from the adrenaline fuelled stomp of *Icon* to the phased guitar saxophone and bells of *Playground Twist* After a tour fraught with fractiousness a new line up with Slits drummer Budgie and Magazine guitarist John McGeoch together with Siouxsie Sioux and Steve Severin released the band's most experimental album *Kaleidoscope* which was a heady mix of psychedelia and sonorous adventures including the singles

Happy House and Christine Siouxsie and The Banshees *The Early Years* explores the adventures trials and tribulations of a band defying categorisation Their uncompromising brilliance is exemplified by three unique albums which are chronicled in the pages of this authoritative survey Siouxsie and The Banshees ,1979 Entranced Brian Johns,1989 *Siouxsie and the Banshees' Peepshow* Samantha Bennett,2018-10-18 In 1978 Siouxsie and the Banshees declared We don't see ourselves in the same context as other rock n roll bands A decade later and in the stark aftermath of a devastating storm the band retreated to a 17th century mansion house in the deracinated Sussex countryside to write their ninth studio album *Peepshow* Here the band absorbed the bygone rural atmosphere and its inspirational mise en scene thus framing the record cinematically as Siouxsie Sioux recalled It was as if we were doing the whole thing on the set of *The Wicker Man* Samantha Bennett looks at how Siouxsie and the Banshees *Peepshow* is better understood in the context of film and film music as opposed to popular music studies or indeed the works of other rock n roll bands Drawing upon more than one hundred films and film scores this book focuses on *Peepshow*'s deeply embedded historical and aesthetic para cinematic influences How is each track a reflection of genre film Who are the various featured protagonists And how does *Peepshow*'s diverse orchestration complex musical forms atypical narratives and evocative soundscapes reveal an inherently cinematic record Ultimately *Peepshow* can be read as a soundtrack to all the films Siouxsie and the Banshees ever saw Or perhaps it was the soundtrack to the greatest film they never made *Into The Light* Laurence Hedges,2024-09-20 In 1980 with their highest charting album to date *Kaleidoscope* and two successful singles *Happy House* and *Christine* and a packed tour schedule Siouxsie and The Banshees are at the top of their game Swimming in their own stream the Banshees defy musical categorisation and are head and shoulders above their peers with one objective to be the best band in the world The band's 1981-90 gig tour included 25 dates in the US showcasing the exhilarating *Spellbound* grotesque *Night Shift* and the clandestine frisson of *Into The Light* forming the sonic backbone of what is considered to be the Banshees magnum opus *Juju* their fourth studio album released in June 1981 Ushering in a new chapter in Siouxsie and The Banshees evolution the opulent fifth studio album *A Kiss In The Dreamhouse* marks another change in direction and sees producer Mike Hedges superseding *Kaleidoscope* and *Juju* producer Nigel Gray Released 5th November 1982 several days after guitarist John McGeoch is ousted from the band after two near calamitous performances at the Rock Ola Club in Madrid it was the album that marked a potential dip in the band's fortunes However the Banshees regroup calling again on the services of The Cure's Robert Smith whose fractured relationship with his own band made the offer of becoming a touring Banshee too attractive to refuse As for what happens next this in depth and authoritative account of one of the most original creative imaginative and mercurial bands in the history of rock music surveys the twists turns and episodes of brilliance that define Siouxsie and The Banshees evolution from 1980 to 1987 including ancillary ventures *The Creatures* and *The Glove* and the making of the albums *Juju* and *A Kiss In The Dreamhouse* as well as *Nocturne* *Hyaena* *Tinderbox* and *Through The Looking Glass*
