[Place-making for the Imagination: Horace Walpole and Strawberry Hill](#) Marion Harney, 2016-04-08 Drawing together landscape architecture and literature Strawberry Hill the celebrated eighteenth century Gothic villa and garden beside the River Thames is an autobiographical site where we can read the story of its creator Horace Walpole This man of taste created private resonances pleasure and entertainment a collusion of the historic the visual and the sensory Above all it expresses the inseparable integration of house and setting and of the architecture with the collection all specific to one individual a unity that is relevant today to all architects landscape designers and garden and country house enthusiasts Avoiding the straightforward architectural description of previous texts this beautifully illustrated book reveals the Gothic villa and associated landscape to be inspired by theories that stimulate The Pleasures of the Imagination articulated in the series of essays by Joseph Addison 1672 1719 published in the Spectator 1712 Linked to this argument it proposes that the concepts behind the designs for Strawberry Hill are not based around architectural precedent but around eighteenth century aesthetics theories antiquarianism and matters of Taste Using architectural quotations from Gothic tombs Walpole expresses the mythical idea that it was based on monastic foundations with visual links to significant historical figures and events in English history The book explains for the first time the reasons for its creation which have never been adequately explored or fully understood in previous publications The book develops an

argument that Walpole was the first to define theories on Gothic architecture in his *Anecdotes of Painting* 1762 71 Similarly innovative *The History of the Modern Taste in Gardening* 1780 is one of the first to attempt a history and theory of gardening The research uniquely evaluates how these theories found expression at Strawberry Hill This reassessment of the villa and its associated l

Bryan's Dictionary of Painters and Engravers Michael Bryan,1904 *People, Land and Time* Brian Roberts,Peter Atkins,Ian Simmons,2014-05-12 This major new text provides an introduction to the interaction of culture and society with the landscape and environment It offers a broad based view of this theme by drawing upon the varied traditions of landscape interpretation from the traditional cultural geography of scholars such as Carl Sauer to the new cultural geography which has emerged in the 1990s The book comprises three major interwoven strands First fundamental factors such as environmental change and population pressure are addressed in order to sketch the contextual variables of landscapes production Second the evolution of the humanised landscape is discussed in terms of processes such as clearing wood the impact of agriculture the creation of urban industrial complexes and is also treated in historical periods such as the pre industrial the modern and the post modern From this we can see the cultural and economic signatures of human societies at different times and places Finally examples of landscape types are selected in order to illustrate the ways in which landscape both represents and participates in social change The authors use a wide range of source material ranging from place names and pollen diagrams to literature and heritage monuments Superbly illustrated throughout it is essential reading for first year undergraduates studying historical geography human geography cultural geography or landscape history
