The International Authors and Writers Who's who Ernest Kay, 1986

Explorations in Christology John Anthony Sullivan, 1987 The classical Hellenic concept of God as self consistent incapable of internal mutability and passionality is rejected by process theologians on the basis of the immediacy of lived experience and the biblical witness All actual reality is relational Process theologians attempt to arrive at modern Christological statements which would do justice to the central intention of traditional creedal affirmations If Christ can be considered the image of creative transformation in the context of contemporary theological pluralism even Paul Tillich's category of existentialist ontology is adaptable The cosmological image of Christ is compatible with the ontological symbol of New Being in Jesus as the Christ The consequences for exploratory Christological affirmations to account for God's unique presence in Jesus the Christ are appealing to modernity

Who was who in America Marquis Who's Who, 1943

Et moi, je te dis : imagine ! Gaetano Piccolo, Nicolas Steeves, 2018-04-27 Pour une bonne homélie il faut un bon début une bonne fin et les rapprocher autant que possible Si tant de fidèles fuient les assemblées dominicales c'est parce qu'ils ne supportent plus les homélies creuses et rabâchées sans conviction l'heure où l'information circule de façon toujours plus rapide et superficielle et que capter l'attention de l'assistance relève de l'exploit les press Steeves et Piccolo abordent avec vivacité et humour l'art difficile de l'homélie Entre renoncer à améliorer ses homélies et singer le style des plateaux télé une autre voie est possible celle de l'imagination voquée notamment par le pape François dans son exhortation *Evangelii gaudium* véritable appel à partager la joie de l'évangile Un livre qui redonne toutes ses lettres de noblesse la prédication

Preaching in the Patristic Age David G. Hunter, 1989 From earliest times the Christian church has been devoted to the service of the word by which is meant the scriptures works of the great teachers and theologians and the ordinary preaching through which the church confirmed its faith Preaching was especially crucial in the first days of the church from back cover
