Sistering Power And Change In Female Relationships:

Sistering Melanie L. Mauthner, 2002 **Sistering** Melanie L. Mauthner, 2005-06-11 This book explores the significance of sister relationships in women's lives. It documents sistering experiences through narratives of growing up, caring for the family, leaving home, and becoming a mother. Drawing parallels between sistering and caring, the book presents new material on a widespread yet invisible aspect of the social construction of femininity. **Female Faith Practices** Nicola Slee, Dawn Llewellyn, Kim Wasey, Lindsey Taylor-Guthartz, 2023-08-01 This book explores female faith practices drawing on qualitative research to consider how women navigate and create spiritual and religious practices. The chapters cover Christian, Muslim, Jewish, and Buddhist contexts as well as newer spiritual movements. The contributors examine prayer and ritual practices and familial, educational, and ritual spaces and relationships in a variety of cultural settings. The volume reflects on the ways in which women subvert traditional or patriarchal religious practices and spaces, both problematising and expanding existing notions of religious practice. It also touches on research itself as a form of spiritual and academic practice, considering ways in which women challenge androcentric modes of research as well as ways in which the subject of research in this case, female faith, may challenge the researcher's convictions and practice. Blending case studies with empirical research, this book will be an outstanding resource to theologians and researchers interested in Practical Theology, Gender Studies, Sociology of Religion, and Anthropology. **Forced to Be Family** Cheryl Dellasega, 2007-09-28 You can survive the kitchen wars and live in peace with your family. My sisters-in-law couldn't stand me. I was really hurt when my kids weren't mentioned in their grandmother's obituary because they weren't full-blooded family. My mom is always giving advice, always telling me to do such and such when she doesn't do it herself. If my husband and I have a fight, she takes his side. My sister did call me a week later to apologize but proceeded to tell me everything that was wrong with me, my husband, and my children. Sound familiar? There's nothing new or unusual about conflict between mothers, sisters, and other female family members, but that doesn't make it any less painful or destructive. Adding to the hurt of relational abuse within the family is the permanent nature of the relationship: you can sever relations with an abusive friend, but you can't stop being the sister, daughter, or niece of an abusive relative. Does that mean that there's no way out? In *Forced to Be Family*, you'll discover how to determine whether a female family member is being abusive, recognize the sources of that abuse, and break the vicious cycle that keeps the abuse alive. You don't have to choose between accepting abuse and making a scene. This insightful, reassuring guide gives you the strategies and understanding you need to reestablish warm and loving relationships with the women who will always be closest to you. **The Complete Book of Sisters** Luisa Dillner, 2010-10-07 A sister is for life: your best friend or your worst enemy. She is the yardstick by which you measure how well you're doing, and the keeper of your family secrets. She may be the first person you rush to when something wonderful happens, or the one whose shoulder you cry on. She's the one you're compared to, and the one to compete with. In this entertaining collection, there are sisters ranging from the loving Brontës to

the scrapping Mitfords who could never remember who was in and who was out of favour to the Pankhursts who fought for women s suffrage only to fall out with each other to sisters of Lenin and Hitler and of Kings and Queens There are sisters whose job it is to compete with each other such as Venus and Serena Williams It wasn t fun eliminating my little sister but I have to be tough said Venus A Lewis Carroll poem says never stew your sister If cooking her isn t allowed what is the worst thing you can do to your sister If you want to make sure she ll never forgive you pinch her man or borrow her clothes

Adult Sibling Relationships Geoffrey L. Greif, Michael E. Woolley, 2015-12-08 The bond siblings develop in childhood may be vastly different from the relationship that evolves in adulthood Driven by affection but also characterized by ambivalence and ambiguity adult sibling relationships can become hurtful uncertain competitive or exhausting though the undercurrents of love and loyalty remain An approach that recognizes the positive aspects of the changing sibling relationship as well as those that need improvement can restore healthy ties and rebuild family closeness With in depth case studies of more than 260 siblings over the age of forty and interviews with experts on mental health and family interaction this book offers vital direction for traversing the emotional terrain of adult sibling relations It pursues a richer understanding of ambivalence a normal though little explored feeling among siblings and how ambiguity about the past or present can lead to miscommunication and estrangement For both professionals and general readers this book clarifies the most confounding elements of sibling relationships and provides specific suggestions for realizing new productive avenues of friendship in middle and later life skills that are particularly important for siblings who must cooperate to care for aging parents or give immediate emotional or financial support to other siblings or family members The Female Characters of Fragmentary

Greek Tragedy P. J. Finglass, Lyndsay Coe, 2020-07-02 Sheds new light on the topic of women in tragedy by focusing on neglected evidence from the fragments *Family Practices in Later Life* Pat Chambers, 2009-09-02 This exciting book challenges many common stereotypes about the nature of family involvement as people age The book explores diversity and change in the family relationships older people maintain looking at how family relationships are constructed and organised in later life **Interpersonal Relations Across the Life Course** Timothy J Owens, J. Jill Sutor, 2007-09-05 This volume

number 12 is subtitled Interpersonal Relations across the Life Course It is inspired by the increased awareness in recent years of the way in which structural and psychosocial dimensions of the life course shape interpersonal relations Interest in this issue has included both the maintenance of long term relationships that may span many phases of the life course and the development of relationships that are specific to particular phases The volume is a combination of invited and author initiated papers all anonymously peer reviewed that seeks to present a cohesive source of information on the multiform nature and influences of interpersonal relations from a variety of perspectives theoretical frames and substantive areas Contributions reflect Macro micro linkages and interpersonal relations i e age structures social institutions and race ethnicity Parenting across the life course Parent adult child relations and transitions Transitions in non kin relationships Social relationships and

well being **Thicker Than Water** Leonore Davidoff, 2012 A pioneering new study of nineteenth century kinship and family relations focusing on the British middle class and highlighting both the similarities and the differences in relations between brothers and sisters in the past and in the present **The SAGE Handbook of Identities** Margaret Wetherell, Chandra Talpade Mohanty, 2010-03-23 Overall its breaking of disciplinary isolation enhancing of mutual understanding and laying out of a transdisciplinary platform makes this Handbook a milestone in identity studies Sociology Increasingly identities are the site for interdisciplinary initiatives and identity research is at the heart of many transdisciplinary research centres around the world No single social science discipline owns identity research which makes it a difficult topic to categorize The SAGE Handbook of Identities systematizes this complex field by incorporating its interdisciplinary character to provide a comprehensive overview of its themes in contemporary research while still acknowledging the historical and philosophical significance of the concept of identity Drawing on a global scholarship the Handbook has four parts Frameworks presents the main theoretical and methodological perspectives in identities research Formations covers the major formative forces for identities such as culture globalisation migratory patterns biology and so on Categories reviews research on the core social categories central to identity such as ethnicity gender sexuality disability and intersections between these Sites and Context develops a series of case studies of crucial sites and contexts where identity is at stake such as social movements relationships work places and citizenship *Critical Approaches to Care* Chrissie Rogers, Susie Weller, 2012 Care shapes people's everyday lives and relationships and caring relations and practices influence the economies of different societies This interdisciplinary book takes a nuanced and context sensitive approach to exploring caring relationships identities and practices within and across a variety of cultural familial geographical and institutional arenas *Key Concepts in Family Studies* Jane Ribbens McCarthy, Rosalind Edwards, 2010-12-10 This is a thoughtful and sometimes challenging elaboration of some of the key concepts in contemporary family studies Students and researchers will want to have this book close to hand not simply as a reference work but as a stimulus to critical social analysis David H J Morgan University of Manchester Written in an intelligent engaging and accessible manner by two leading and highly respected family scholars whose contributions to the field over the past two decades have been path breaking This is an important resource for students and professionals studying and working in the field of family studies within and across the disciplines of sociology social policy social work health studies education and gender studies Andrea Doucet Carleton University This book's individual entries introduce explain and contextualise key topics within the study of family lives Definitions summaries and key words are developed throughout with careful cross referencing allowing students to move effortlessly between core ideas and themes Each entry provides Clear definitions Lucid accounts of key issues Up to date suggestions for further reading Informative cross referencin Relevant focused and accessible this book will provide students with an indispensable guide to the central concepts of family studies *Creative Practitioner Inquiry in the Helping Professions* Jane Speedy, Jonathan

Wyatt,2014-09-11 This beautiful volume offers a range of research possibilities for practitioners Bringing together the work of a community of scholars whose work blurs the edges between the arts and social sciences in the name of practice based inquiry Creative Practitioner Inquiry in the Helping Professions offers engaging and accessible exemplars alongside clear explanations of the theoretical understandings and backgrounds to the approaches offered The book s contributors are teachers doctors social workers counsellors psychotherapists health and community workers and organisational consultants together they passionately engage in arts based research as an effective and accessible instrument of inquiry knowledge dissemination and social change

Siblings and sociology Katherine Davies,2023-02-07 Sibling relationships are full of intrigue yet tend to be overlooked in sociological thinking This book draws upon innovative qualitative data sources to explore the significance of siblings throughout the life course demonstrating why sociologists ought to pay attention to siblingship Focussing on four themes central to the discipline of sociology self relationality imagination and time the book shows why siblings matter Grounded in theories of relatedness but spanning theoretical work on generation life course emotion sensory worlds normativity and identity Siblings and sociology explores the importance of siblings in everyday life and how they inform wider social processes the relational construction of identity the inculcation of capital experiences of institutions like schools and the meanings of relatedness Siblings tap into profound questions about who we are and who we can become This book shows how the intrigue of siblingship renders them an important lens through which to think in new ways about familiar sociological ideas Siblings and sociology demonstrates why siblings are a fascinating subject for sociologists a relationship that can influence all aspects of life as well as an object of scrutiny capable of firing the sociological imagination and directing the analytical gaze

Social Justice, Education, and Identity Carol Vincent,2003 This collection will give readers interested in questions of social justice and education access to the work of some of the key contributors to the debate in the UK

Ethics in Qualitative Research Tina Miller,Maxine Birch,Melanie Mauthner,Julie Jessop,2012-09-13 This fresh confident second edition expands its focus on the theoretical and practical aspects of doing qualitative research in light of new ethical dilemmas facing researchers today In a climate of significant social and technological change researchers must respond to increased ethical regulation and scrutiny of research New sources types of data and modes of accessing participants are all challenging and reconfiguring traditional ideas of the research relationship This engaging textbook explores key ethical dilemmas including research boundaries informed consent participation rapport and analysis within the context of a rapidly changing research environment The book effectively covers the ethical issues related to the data collection process helping readers to address the ethical considerations relevant to their research This fully updated new edition Maps the changing and increasingly technology reliant aspects of research relationships and practices Provides researchers with guidance through practical examples enabling those engaged in qualitative research to question and navigate in ethical ways This book is essential reading for all those engaged in

qualitative research across the social sciences *Making modern mothers* Rachel Thomson, Mary Jane Kehily, Lucy Hadfield, Sue Sharpe, 2011-06-22 What does motherhood mean today Drawing on interviews with new mothers and intergenerational chains of women in the same family this exciting and timely book documents the transition to motherhood over generations and time Exploring amongst other things the trend to later motherhood and the experience of teenage pregnancy a compelling picture emerges Becoming a mother is not only a profound moment of identity change but also a site of socio economic difference that shapes women s lives

Sibling Development Jonathan Caspi, 2010-10-25 I heartily recommend Sibling Development CFLE Network Newsletter National Council on Family Relations Sibling relationships have a major influence on a person s development and behavior yet until now the topic has been seriously underrepresented in the professional literature Sibling Development Implications for Mental Health Practitioners addresses this gap by examining the range of developmental clinical and cultural issues related to sibling relationships It highlights positive sibling relationships as a source of strength and resilience at the other end of the spectrum it addresses sibling abuse a dangerous and underdiagnosed condition It demonstrates the crucial support that siblings can provide each other in families experiencing mental illness substance abuse divorce and other stressors It also considers issues of cultural and ethnic diversity gender disability and sexual orientation as they relate to siblings and their families Each chapter provides case studies to illustrate how theory and empirical findings can be incorporated into culturally informed treatment and offers implications for practice and future research It is an essential resource for all practitioners researchers students and educators who work with or study siblings Key Features Examines the role of siblings as cultural educators and socializing agents Offers empirically derived treatment approaches for siblings and families Discusses lesbian gay bisexual and transgender siblings Includes case studies to demonstrate how to integrate theory and empirical findings into practice Looks at sibling dynamics in families with mental illness substance abuse and divorce as well as siblings of individuals with disabilities Discusses sibling relationships in transracial adoptive families

Rematerialising Children's Agency Matej Blazek, 2016-06-01 This book is a detailed study of children s everyday practices in a small deprived neighbourhood of post socialist Bratislava called Kopany It provides a novel empirical insight on what it is like to be growing up after 25 years of post socialist transformations and questions the formation of children s agency and the multitude of resources it comes from What happens if we accept children s practices as cornerstones of communities What is uncovered if we examine adults co presence with children in everyday community spaces With a background in youth work the author writes from the unique position of being able to develop in depth insights into both children s life worlds and practitioners priorities and needs

websites. While this might not be the Sistering Power And Change In Female Relationships full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sistering Power And Change In Female Relationships eBooks, including some popular titles.

FAQs About Sistering Power And Change In Female Relationships Books

What is a Sistering Power And Change In Female Relationships PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sistering Power And Change In Female Relationships PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sistering Power And Change In Female Relationships PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sistering Power And Change In Female Relationships PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sistering Power And Change In Female Relationships PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
