India's Kathak Dance in Historical Perspective Margaret E. Walker, 2016-05-23 Kathak the classical dance of North India combines virtuosic footwork and dazzling spins with subtle pantomime and soft gestures As a global practice and one of India's cultural markers kathak dance is often presented as heir to an ancient Hindu devotional tradition in which men called Kathakas danced and told stories in temples The dance's repertoire and movement vocabulary however tell a different story of syncretic origins and hybrid history it is a dance that is both Muslim and Hindu both devotional and entertaining and both male and female Kathak's multiple roots can be found in rural theatre embodied rhythmic repertoire and courtesan performance practice and its history is inextricable from the history of empire colonialism and independence in India Through an analysis both broad and deep of primary and secondary sources ethnography iconography and current performance practice Margaret Walker undertakes a critical approach to the history of kathak dance and presents new data about hereditary performing artists gendered contexts and practices and postcolonial cultural reclamation The account that emerges places kathak and the Kathaks firmly into the living context of North Indian performing arts

The Garland Encyclopedia of World Music Alison Arnold, 2017-09-25 In this volume sixty eight of the world's leading authorities explore and describe the wide range of musics of India Pakistan Bangladesh Sri Lanka Kashmir Nepal and Afghanistan Important information about history religion dance theater the visual arts and philosophy as well as their relationship to music is highlighted in seventy six in depth articles

Studies on a Global History of Music Reinhard Strohm, 2018-04-09 The idea of a global history of music may be traced back to the Enlightenment and today the question of a conceptual framework for a history of music that pays due attention to global relationships in music is often raised But how might a historical interpretation of those relationships proceed How should it position or justify itself What would Western music look like in an account of music history that aspires to be truly global The studies presented in this volume aim to promote post European historical thinking They are based on the idea that a global history of music cannot be one single hegemonic history They rather explore the paradigms and terminologies that might describe a history of many different voices The chapters address historical practices and interpretations of music in different parts of the world from Japan to Argentina and from Mexico to India Many of these narratives are about relations between these cultures and the Western tradition several also consider socio political and historical circumstances that have affected music in the various regions The book addresses aspects that Western musical historiography has tended to neglect even when looking at its own culture

performance dance nostalgia topicality enlighten the relationships between traditional classical and pop musics and the regards cross between European Asian or Latin American interpretations of each other's musical traditions These studies have been derived from the Balzan Musicology Project Towards a Global History of Music 2013-2016 which was funded by the International Balzan Foundation through the award of the Balzan Prize in Musicology to the editor and designed by music historians and ethnomusicologists together A global history of music may never be written in its entirety but will rather be realised through interaction practice and discussion in all parts of the world The Garland Encyclopedia of World Music:

South Asia : the Indian subcontinent Bruno Nettl, Alison Arnold, Ruth M. Stone, James Porter, Timothy Rice, 1998 First published in 2000 Routledge is an imprint of Taylor Francis an information company **Music in Colonial Punjab** Radha Kapuria, 2023-04-15 This book offers the first social history of music in undivided Punjab 1800-1947 beginning at the Lahore court of Maharaja Ranjit Singh and concluding at the Patiala royal darbar It unearths new evidence for the centrality of female performers and classical music in a region primarily viewed as a folk music centre featuring a range of musicians and dancers from mirasis bards and kalawants elite musicians to kanjris subaltern female performers and tawaifs courtesans A central theme is the rise of new musical publics shaped by the anglicized Punjabi middle classes and British colonialists response to Punjab's performing communities The book reveals a diverse connoisseurship for music with insights from history ethnomusicology and geography on an activity that still unites a region now divided between India and Pakistan
